Davis, 2012-09-05 Wyoming attorney John W Davis retells the story of the West's most notorious range war Having delved more deeply than previous writers into land and census records newspapers and trial transcripts Davis has produced an all new interpretation He looks at the conflict from the perspective of Johnson County residents those whose home territory was invaded and many of whom the invaders targeted for murder and finds that contrary to the received explanation these people were not thieves and rustlers but legitimate citizens The broad outlines of the conflict are familiar some of Wyoming's biggest cattlemen under the guise of eliminating livestock rustling on the open range hire two dozen Texas cowboys and with range detectives and prominent members of the Wyoming Stock Growers Association invade north central Wyoming to clean out rustlers and other undesirables While the invaders kill two suspected rustlers citizens mobilize and eventually turn the tables surrounding the intruders at a ranch where they intend to capture them by force An appeal for help convinces President Benjamin Harrison to call out the army from nearby Fort McKinley and after an all night ride the soldiers arrive just in time to stave off the invaders annihilation Though taken prisoner they later avoid prosecution The cattle barons powers of persuasion in justifying their deeds have colored accounts of the war for more than a century Wyoming Range War tells a compelling story that redraws the lines between heroes and villains **Long-range Agricultural Policy** United States. Family on the Range Jessica Nelson, 2014 A Second Chance A quiet ranch in the Oregon desert gives Mary O Roarke the solace she craves after a painful childhood Concealing her growing feelings for her boss government agent Lou Riley is a small price to pay Then an abandoned little girl is placed in Mary's care awakening dreams she's all but forgotten In all the

years Lou has known her how could he not have noticed Mary's courage and warmth Seeing her care for a child is a bittersweet reminder of the lonely widower's loss But if Mary won't give up on young Josie not even when real danger approaches then Lou can't give up on bringing this unlikely family together for good *Chaparral Range War* Dusty Richards,2013-02-05 From Dusty Richards winner of the 2007 Spur Award for *The Horse Creek Incident* comes a brand new series about a former Texas Ranger out to enforce the law no matter where he goes When the Texas Legislature decided to stop paying its rangers Phil Guthrey knew it was time to move on to greener pastures As he rides into Arizona Territory he finds a slew of criminals running free thanks to Crook County's no good sheriff With reports of rape arson theft fatal shootouts and foul play Guthrey decides to make it his mission to rehabilitate Crook County not to mention capture the heart of the spunky Cally Bridges As Guthrey sets out to bring to justice the men terrorizing his new home he knows he must ultimately find a way to uproot Sheriff Killion if he wants to clean up the county for good The fight will be long and hard but for a former Texas Ranger like Guthrey getting your hands dirty is just part of the job Theater Missile Defense(TMD) Extended Test Range [NM,FL,CA] ,1995 **"Range Roses"** Jeanne Follett,2022-10-11 It was the mid eighteen hundreds the era of immigrants and the discovery of a new world and a new life in the Western Plains of the Americas The book *Range Roses* written by Jeanne Follett is the portrayal of three women all European from different backgrounds and cultures It tells of how these heroic individuals united during the worst of times in what was eventually determined to be the days of the Open Range Wars It was a time in history when the immigrants had the right to claim land and establish ownership for the homesteads they would build for their families As the women of the open plains their work was unending Not only were they to keep up the homesteads but also they were the driving force behind their men and children reminding them to never surrender and never give up and so it was to be Often though the men and boys were killed by outlaws who were referred to as range riders The range riders were hired by those who wanted to be great cattle barons of the new west With such sorrow in their hearts over the loss of family many of the women became aimlessly lost Because they had no one to help provide for them the lesson learned was if we don't take care of ourselves no one else will Thus as this story is told they would travel the courageous trail of those who wanted to survive learning that the hardships they endured often outweighed the rewards This all changed one day when the three women who called their outfit the Range Roses came into play These women knew that desperate times brought desperate measures and against all odds the first all woman wagon train was born with mothers children and tied up livestock in tow They continued to dream and once gathered they began their trip heading to California
