Succeeded Dick B, 2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A's founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A's program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A's Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today's recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today's room talk and literature There are plenty of books on Bible study There is none that addresses early A A's own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn't tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning

of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes *The Books Early AAs Read for Spiritual Growth* Dick B.,1998 The most exhaustive bibliography with brief summaries of all the books known to have been read and recommended for spiritual growth by early AAs in Akron and on the East Coast *The Way of the Rose* Clark Strand,Perdita Finn,2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary This book could not have come at a more auspicious time and the message is mystical perfection not to mention a courageous one I adore this book Caroline Myss author of *Anatomy of the Spirit* Before a vision of a mysterious Lady invited Clark Strand and Perdita Finn to pray the rosary they were not only uninterested in becoming Catholic but finished with institutional religion altogether Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse But this Lady barely even referred to the Church and its proscriptions Instead she spoke of the miraculous power of the rosary to transform lives and heal the planet and revealed the secrets she had hidden within the rosary s prayers and mysteries secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet She told Strand and Finn The rosary is My body and My body is the body of the world Your body is one with that body What cause could there be for fear Weaving together their own remarkable story of how they came to the rosary their discoveries about the eco feminist wisdom at the heart of this ancient devotion and the life changing revelations of the Lady herself the authors reveal an ancestral path available to everyone religious or not that returns us to the powerful healing rhythms of the natural world **New Light on Alcoholism** Dick B.,1999 Dick B is a writer historian Bible student retired attorney and active recovered member of A A He and his son Ken devoted many years to researching the role life writings and contributions of Rev Samuel M Shoemaker to Alcoholics Anonymous The quest took Dick B to Shoemaker s churches in Pittsburgh and New York to the Episcopal Church Archives in Austin Texas to Hartford Seminary to Princeton University and to the family and friends of this great Episcopal rector and preacher In all Dick B has published 33 books on the history of early A A *The Living Church* ,1955 *Adolescent Drug & Alcohol Abuse* Nikki Babbit,2000 Explains to parents how to recognize the signs of drug use in their child overcome denial in the family evaluate and select treatment options and work through the recovery process *The Sweet Cherry Ranch* Frank King,2001-05 The Sweet Cherry Ranch is an earthy tough and moving account of Frank King s continuing recovery from alcholism The family addiction skipped one generation then hit Frank and his youngest brother Tony with a sucker punch Both have been sober for many years Frank for more than 30 In his drinking years Frank King was a World War II Marine a radioman gunner in dive bombers a radio operator a civilian air

traffic controller a writer a public relations manager and Super Dad A successful functioning alcoholic he was married three times When his beloved second wife June died in childbirth his drinking accelerated He sobered up only when he couldn't stand looking at himself in the mirror His story is about a wonderful childhood finding booze drinking loss hitting bottom giving up discovery finding faith and sobriety The Language of the Heart Trysh Travis,2010-01-01 In The Language of the Heart Trysh Travis explores the rich cultural history of Alcoholics Anonymous AA and its offshoots and the larger recovery movement that has grown out of them Moving from AA's beginnings in the mid 1930s as a men's fellowship that met in church basements to the thoroughly commercialized addiction treatment centers of today Travis chronicles the development of recovery and examines its relationship to the broad American tradition of self help highlighting the roles that gender mysticism and bibliotherapy have played in that development Tainted Witness Leigh Gilmore,2017-01-17 In 1991 Anita Hill's testimony during Clarence Thomas's Senate confirmation hearing brought the problem of sexual harassment to a public audience Although widely believed by women Hill was defamed by conservatives and Thomas was confirmed to the Supreme Court The tainting of Hill and her testimony is part of a larger social history in which women find themselves caught up in a system that refuses to believe what they say Hill's experience shows how a tainted witness is not who someone is but what someone can become Why are women so often considered unreliable witnesses to their own experiences How are women discredited in legal courts and in courts of public opinion Why is women's testimony so often mired in controversies fueled by histories of slavery and colonialism How do new feminist witnesses enter testimonial networks and disrupt doubt Tainted Witness examines how gender race and doubt stick to women witnesses as their testimony circulates in search of an adequate witness Judgment falls unequally upon women who bear witness as well known conflicts about testimonial authority in the late twentieth and early twenty first centuries reveal Women's testimonial accounts demonstrate both the symbolic potency of women's bodies and speech in the public sphere and the relative lack of institutional security and control to which they can lay claim Each testimonial act follows in the wake of a long and invidious association of race and gender with lying that can be found to this day within legal courts and everyday practices of judgment defining these locations as willfully unknowing and hostile to complex accounts of harm Bringing together feminist literary and legal frameworks Leigh Gilmore provides provocative readings of what happens when women's testimony is discredited She demonstrates how testimony crosses jurisdictions publics and the unsteady line between truth and fiction in search of justice
