## **My Life With Dreiser:**

*MY LIFE WITH DREISER. BY HELEN DREISER.* Helen Dreiser, 1951      **My Life as Author and Editor** H.L.

Mencken, 2011-12-21 H L Mencken stipulated that this memoir remain sealed in a vault for thirty five years after his death For good reason *My Life as Author and Editor* is so telling and uproariously opinionated that it might have provoked a storm of libel suits As he recounts his career as a critic essayist and editor of the ground breaking magazine *Smart Set* Mencken brings us face to face with the literary aristocracy of his day from the dour womanizer Theodore Dreiser to F Scott Fitzgerald drowning his gifts in alcohol Here too are the hacks poseurs and bohemian crackpots who flocked around them Most of all here is Mencken himself defying censors and Prohibition agents with equal aplomb in an age when literature was a contact sport      *My Life with Dreiser* Helen Patges Dreiser, 1951      **My Life** Claude Gernade Bowers, 1962      **Think to New**

**Worlds** Joshua Blu Buhs, 2024-06-24 How a writer who investigated scientific anomalies inspired a factious movement and made a lasting impact on American culture Flying saucers Bigfoot Frogs raining from the sky Such phenomena fascinated Charles Fort the maverick writer who scanned newspapers journals and magazines for reports of bizarre occurrences dogs that talked vampires strange visions in the sky and paranormal activity His books of anomalies advanced a philosophy that saw science as a small part of a larger system in which truth and falsehood continually transformed into one another His work found a ragged following of skeptics who questioned not only science but the press medicine and politics Though their worldviews varied they shared compelling questions about genius reality and authority At the center of this community was adman writer and enfant terrible Tiffany Thayer who founded the Fortean Society and ran it for almost three decades collecting and reporting on every manner of oddity and conspiracy In *Think to New Worlds* Joshua Blu Buhs argues that the Fortean effect on modern culture is deeper than you think Fort's descendants provided tools to expand the imagination explore the social order and demonstrate how power is exercised Science fiction writers put these ideas to work as they sought to uncover the hidden structures undergirding reality Avant garde modernists including the authors William Gaddis Henry Miller and Ezra Pound as well as Surrealist visual artists were inspired by Fort's writing about metaphysical and historical forces And in the years following World War II flying saucer enthusiasts convinced of alien life raised questions about who controlled the universe Buhs's meticulous and entertaining book takes a respectful look at a cast of oddballs and eccentrics plucking them from history's margins and spotlighting their mark on American modernism *Think to New Worlds* is a timely consideration of a group united not only by conspiracies and mistrust of science but by their place in an ever expanding universe rich with unexplained occurrences and visionary possibilities      *Kenneth Burke in Greenwich Village* Jack Selzer, 1996-12-01 Capturing the lively modernist milieu of Kenneth Burke's early career in Greenwich Village where Burke arrived in 1915 fresh from high school in Pittsburgh this book discovers him as an intellectual apprentice conversing with the moderns Burke found himself in the midst of an avant garde peopled by Malcolm Cowley Marianne Moore Jean

Toomer Katherine Anne Porter William Carlos Williams Allen Tate Hart Crane Alfred Stieglitz and a host of other fascinating figures Burke himself who died in 1993 at the age of 96 has been hailed as America's most brilliant and suggestive critic and the most significant theorist of rhetoric since Cicero Many schools of thought have claimed him as their own but Burke has defied classification and indeed has often been considered a solitary eccentric genius immune to intellectual fashions But Burke's formative work of the 1920s when he first defined himself and his work in the context of the modernist conversation has gone relatively unexamined Here we see Burke living and working with the crowd of poets painters and dramatists affiliated with Others magazine Stieglitz's 291 gallery and Eugene O'Neill's Provincetown Players the leftists associated with the magazines The Masses and Seven Arts the Dadaists and the modernist writers working on literary journals like The Dial where Burke in his capacity as an associate editor saw T S Eliot's The Wasteland into print for the first time and provided other editorial services for Thomas Mann e e cummings Ezra Pound and many other writers of note Burke also met the iconoclasts of the older generation represented by Theodore Dreiser and H L Mencken the New Humanists and the literary nationalists who founded Contact and The New Republic Jack Selzer shows how Burke's own early poems fiction and essays emerged from and contributed to the modernist conversation in Greenwich Village He draws on a wonderfully rich array of letters between Burke and his modernist friends and on the memoirs of his associates to create a vibrant portrait of the young Burke's transformation from aesthete to social critic

**American Literary Naturalism** Donald Pizer, 2020-10-09 The book collects Pizer's late career essays on various writers and subjects related to American naturalism Of these two seek to describe the movement as a whole six are on specific writers or works with an emphasis on Theodore Dreiser and two reprint informative interviews by Pizer on the subject The essays reflect Pizer's mature engagement of the subject he has spent a lifetime exploring

*Stephen Crane, Journalism, and the Making of Modern American Literature* Michael Robertson, 1997 This critical study of Stephen Crane's journalism examines the climate of change that had begun to blur the line between non-fiction writing and fiction in Crane's era and provides insight into the masculine aesthetic Crane championed in his urban reportage travel writing and war correspondence
