My Lord Eternity:

Our Father: Living the Lord's Prayer Dr Ken Baker, 2017-08-24 This book is a devotional exposition of the Lord's Prayer the pattern prayer that Jesus offered to his disciples two thousand years ago Different aspects of the Christian life are discussed as the Prayer brings them to the fore the place of prayer itself relationship with God and with each other and the call to a rigorous honesty and integrity in the way we live together

Covenant and Hope Robert W. Jenson, Eugene Korn, 2012-07-27 Covenant and Hope centers around two main themes in Jewish Christian dialogue Covenant Mission and Relation to the Other and Hope and Responsibility for the Human Future In the first section scholars from both faiths analyze the idea of covenant how it determines their religious commitments behavior and theology and how their covenantal theology shapes their relations with people outside their religious communities The second section focuses on the foundation for religious hope how belief in the future can be nourished and on our practical and philosophic responsibility to work for a better human future

Simply God Peter Sanlon, 2014-05-17 Most contemporary presentations of the Christian God focus on either his oneness or his relationality These are often assumed to contradict one another and language about God's love and relationality often settles into a comforting but ultimately shallow and unreliable gesture towards bland niceness Peter Sanlon offers a fresh stimulating examination of the triune God who is love He guides us through the classical theological tradition of Augustine Anselm and Aquinas aiming to help us think and speak more faithfully about God In Part One Sanlon introduces the vital concept of simplicity without which it is impossible fully to affirm all the Bible teaches about God Part Two examines the relationality of God's love in Scripture The author considers the importance of God's simplicity for the atonement and concludes with some reflections on how Christians will be better equipped to engage with contemporary culture if they remain sensitive to both God's simplicity and his relationality

Time and Process in Ancient Judaism Sacha Stern, 2003-10-01 This illuminating study is about the absence of time as an entity in itself in ancient Judaism and the predominance instead of process in the ancient Jewish world view Evidence is drawn from a complete range of Jewish sources from this period

The Knowledge of the Holy: The Attributes of God A.W. Tozer, 2024-02-22 The decline of the Knowledge of the Holy has brought on our troubles A rediscovery of the majesty of God will go a long way toward curing them It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate If we would bring back spiritual power to our lives we must begin to think of God more nearly as He is
