My Lost Wilderness:

My Lost Wilderness Ralph W. Young, 1983 An Alaskan hunting guide and woodsman recounts his experiences in the wilderness and comments on outdoorsmen wildlife and the beauty of the land **Gabriel's Testament** Elijah Josiah Berryman, 1891 *A Broken Cross* Timothy W. Hill Sr., 2022-08-19 Who do you declare yourself to be when your identity is fractured and you're left in your wilderness as you navigate between two altars The issues of life come upon us in various ways and varying stages and knowing who we are at those times is vital The Broken Cross seeks to speak to those issues from a personal and spiritual perspective Written by a soul that has seen both victories and failures in life this study offers insight on personal identity and the ways in which God has prepared us mentally and spiritually to survive during our own self-imposed failures and our sense of feeling lost between callings When we fail to know our identity beyond our name we face a constant struggle with our life's assignment Only when we embrace our God-given identity can we return to destiny's path Encompassing both personal narrative and biblical study this guide explores self-awareness in relation to mental and spiritual conditions and considers the question of our God-given identity **Soulcraft** Bill Plotkin, 2003 Since 1980 depth psychologist Bill Plotkin has been guiding women and men into the wilderness the redrock canyons and snow-crested mountains of the American West but also into the wilds of the soul He calls this work soulcraft There's a great longing in all people to uncover the secrets and mysteries of our individual lives to find the unique gift we were born to bring to our communities and to experience our full membership in the more-than-human world This journey to soul is a descent into layers of the self much deeper than personality a journey meant for each one of us not just for the heroes and heroines of mythology A modern handbook for the journey Soulcraft is not an imitation of indigenous ways but a contemporary nature-based approach born from wilderness experience the traditions of Western culture and the cross-cultural heritage of all humanity Filled with stories poems and guidelines Soulcraft introduces over 40 practices that facilitate the descent to soul including dreamwork wilderness vision fasts talking across the species boundaries council self-designed ceremony nature-based shadow work and the arts of romance being lost and storytelling *My Evil Twin* Ron Nicholas, 2020-12-10 Ron Nicholas has taken God's calling to heart by writing this book about his life in relationship to the Lord Too few people find victory and healing over addiction Fewer still have the courage to write about it This book is the story of Ron's journey from bondage in the Egypt of addiction through the wilderness of prison to the promised land of new life Ron's story gives powerful and touching reasons for his hope in God This book is more than a touching testimony Ron tells his story of discipleship with a deep integration of Scripture and orthodox Christian doctrine This book has the real potential by God's grace to be used as a practical guide and rich resource for Christian disciple-making As Ron grew in relationship with the Lord he learned the ways of God He learned a different way to interact with God and with all those around him God formed the fruit of love joy peace patience kindness goodness faithfulness gentleness and self-control in Ron in and through his

healing process In John chapter 15 Jesus tells His followers to abide in Him and promises that if they abide in Him they will bear abundant fruit This book is part of the fruit of Ron s abiding in a faith relationship with God the Father God the Son and the Holy Spirit May God bless as you come to know the reasons for Ron s hope and inspired labor in the writing of *My Evil Twin Why Good People Do Bad Things* *I Was Broken in All the Right Places* William McGee,2022-06-10 Who do we become when our untreated traumas speak on our behalf How do we address the broken places in our lives if we never recognize their existence Most people that knew me or knew of me hardly knew anything about me Born and raised in Seattle Washington I grew up with my eyes wide open to the world but my heart closed off to its humanity not because I was taught this but primarily because of the effects of untreated trauma I grew up knowing God but not experiencing Christ there is a big difference Throughout my life I was known by many things an athlete a businessman a gym rat a player an alcoholic a womanizer a violent offender But no one saw that I was broken They saw my circumstances but not my condition This book exposes and edifies what hides behind the veil of our broken pieces and what happens when those pieces go undetected *I Was Broken in All the Right Places* encourages us to find purpose among the pieces *Tongass Odyssey* John Schoen,2020-09-01 *Tongass Odyssey* is a biologist s memoir of personal experiences over the past four decades studying brown bears deer and mountain goats and advocating for conservation of Alaska s Tongass National Forest The largest national forest in the nation the Tongass encompasses the most significant expanse of intact old growth temperate rainforest remaining on Earth *Tongass Odyssey* is a cautionary tale of the harm that can result when science is eclipsed by politics that are focused on short term economic gain Yet even as those problems put the Tongass at risk the forest also represents a unique opportunity for conserving large intact landscapes with all their ecological parts including wild salmon bears wolves eagles and other wildlife Combining elements of personal memoir field journal natural history conservation essay and philosophical reflection *Tongass Odyssey* tells an engaging story about an enchanting place *In The Valley Of The Stars* Dorothy Richardson Nelson (Deja),2011-09 This book was written during and after my travel and studies in Eastern philosophy where I lived and studied in an Ashram outside of New Delhi India I stayed awake one whole night watching the stars above which looked like you could reach out and touch them with your fingertips I truly was In The Valley of The Stars Thus the title of this book was born The Eternal Flame represents the Eternal Light within each one of us The Hubble pictures represent the Infinite Reality of God I am grateful for both of my spiritual teachers for making this book possible While in India my teacher read one of my letters I was sending home to my mother and he wanted to have it published in the newspaper but I wouldn t have it so I hope this book makes up for it now *Acting in Musical Theatre* Rocco Dal Vera,Joe Deer,2015-09-07 *Acting in Musical Theatre* remains the only complete course in approaching a role in a musical It covers fundamental skills for novice actors practical insights for professionals and even tips to help veteran musical performers refine their craft Updates in this expanded and revised second edition include A brand new companion website for students

Evil Pass F. Doubleday, 2018-05-15 Gary was a young farm boy who was about to have to grow up fast Life back on the farm was safe not much to fear The neighbors were all good honest

country folk But Evil Pass and the Misery were two places that filled Gary with trepidation When he had to travel with his family through the Pass to get to town he would cower in the back of the wagon as they passed through This place gave him the willies The stories surrounding Evil Pass were legendary Little did Gary know that life would lead him right into Evil Pass that place he had feared all his life And he would have to face its challenges alone all because of his own boyish irresponsible behavior Evil Pass would make a grown man s knees knock and his blood curdle It s a dangerous place Can Gary mount up enough courage to face his fears and overcome the mistakes made by his childish actions The hair on my neck started to rise when Dad started talking about Evil Pass I was a brave enough boy but some things could spook me and Evil Pass was one of em There were tales about people goin in there and nobody ever seein em again Like they dropped off the face of the earth or something Now Dad s saying Gene saw a stranger in there with a shotgun that looks like the one missing from here
