My Mamie Rose The Story Of My Regenerati:

My Mamie Rose: The Story of My Regeneration Owen Kildare, 2014 **My Mamie Rose** Owen Kildare, 1903 Many men have told the stories of their lives I shall tell you mine Not because I as they have done great and important things but because of the miracle which transformed me If lives may be measured by progress mine may have some interest to you When a man at thirty cannot read or write the simplest sentence and then eight years later is able to earn his living by his pen his story may be worth the telling Before beginning however the recital of how I found my ambition awakened let me make my position unmistakably definite I am not a self made man having only contributed a mite in the making A self made man can turn around to the road traveled by him and can point with pride to the monuments of his achievements I cannot do that I have no record of great deeds accomplished I am a man reborn and remade from an unfortunate moral condition into a life in which every atom has but the one message Strive struggle and believe and I would be the sneakiest hypocrite were I to deny that I feel within me a satisfaction at being able to respond to the call with all the possible energy of soul and body
