Memoirs of a Piano Kyra Petrovskaya Wayne,2007-09-04 MEMOIRS

OF A PIANO is a whimsical chronicle of the vicissitudes of fortune of a French piano during more than a century of historical upheavals In its own voice Piano regales us with many stories thus joining some of its famous predecessors such as Voltaire's bed or Jonathan Swift's tub or even Gogol's nose and Kafka's cockroach who all talked And what stories piano tells It tells us how it had almost ended up on the barricades during the French Commune It describes Franz Liszt who had used it at a concert It meets young prodigy Claude Debussy and travels with him to Russia where it becomes a house piano of the wealthy patroness of Tchaikovsky Fate interferes with piano's happy collaboration with Debussy sending the young man back to France to become eventually world famous composer and the founder of the Impressionism while piano becomes a witness to the mutiny on the battleship Potemkin on the Black Sea in 1905 Piano's adventures continue with the dramatic escape from the Red Revolution aboard the yacht Renaissance belonging to a Russian Count Safe in Turkey the Count sells the yacht along with the piano to an eccentric American millionaire who renames the boat and sails her among the Greek Islands buying antiquities The yacht and the piano barely survive vicious Atlantic storms on their way to New Orleans where the ruined piano is discarded and abandoned on the beach It is rescued by a group of black musicians who repair it and move it to a club where it has to learn the new music Jazz The saga of the French piano continues in America eventually leading to piano's vainglorious participation in the cruelest sport of the Great Depression Marathon Dancing The piano survives it all Finally when it ends up among the props at the MGM Movie Studio and is sold at the famous MGM auction in 1970 piano is an old and wise instrument which views its history with a touch of nostalgia It still wants to serve Apollo the god of light and music but it has a secret desire to work with young musicians on the threshold of their fame as it did once with Debussy at the start of his life And at last the great piano's desire is fulfilled Domineering Billionaire's Maid Mehaklovely, 2024-12-04 Hello my new submissive I stand beside her and greet her petting her hair She begs me to turn off the vibrator as she fixes her weary eyes on me You want me to turn it off As soon as I enquire she nods What will you give me in return I ask taking off the ball gag from her mouth Her legs shake and she answers panting I'll do whatever you say sir I'm Alice Clark I'm twenty and have been working as a maid for the Wilson family since my mother died a year ago Accepting my mother's death and then beginning to work as a maid to settle my mother's debt to the Wilson family were the most strenuous days of my life I had no option but to work as a maid at this mansion Wilson brothers the two hot billionaires Alexander Wilson and Edward Wilson whom I have never seen for whom I work There are some insane tales about those siblings that I have heard My hands shiver in fright to even think about them because it gives chills down my spine I just wish I never come across them because if I come I don't know what they'll do to me I heard that if their lustful eyes fall on any woman they make her their slave and own her mind body and soul What if Alice one day came across them Who would hire her to serve as his personal maid Who would control her body Whose heart would she rule Who would she fall in love with Who would she despise Warning Dark and BDSM theme story which involves highly adult content in the beginning BOOK 1 2 **Desire** Daniel

Odier,2001-04-01 Explains how the primal energy generated by physical desire can be used to achieve enlightenment Reveals the techniques used by Tantric adepts to attain mastery over breath thought and all physical processes Nothing can match the explosive energy created in the body by pure desire For millennia Tantric adepts have harnessed this force as a means of attaining the summits of the mystical life The energies fueled by passion are used to nourish the inner flame that burns away the egotistical perception of the mind Desire explores the subtle techniques of Tantra that enable the seeker to attain the triple mastery of the breath thought and the natural processes of the body Tantrics believe that the body is the temple and divinity lies at its heart In order to arrive at profound awareness the body needs to be perfectly tuned and working toward a state of perfect fluidity Desire reveals many of the secret practices intended for this purpose that have been passed down in the major Tantric treatises such as the Vijnanabhariva Tantra and Ch an master Chinul s treatise on the Secrets of Cultivating the Mind including the important techniques of the ritual sexual observances known as Maithuna

A Concordance to the Poems of Robert Browning , Sensitive to Listen and Willing to Obey Doris M. Arwine,2014-05-15 God uses people daily to communicate His fragrance and message to us Too often we dont check to see what aroma or impression we are leaving for others to see hear or smell After visiting someones home or before checking out of a motel or when moving we double check to make sure we havent left anything behind Even criminals check to make sure they havent left any clues at the crime scene to identify them A story reminded me of this A robber thought he had committed the perfect crime He assumed he left no clues behind But he didn t count on someone remembering how he smelled The smell he left behind was what helped convict him Yes we leave something everywhere we go Stuart Holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasn t leaving anything behind Theres one thing you will leave behind young man your influence
