**Counteremory** April L. O'Brien, James Chase Sanchez, 2025 Counteremory A Rhetoric of Resistance investigates the interdisciplinary dimensions of counteremory through a rhetorical lens by drawing upon a mixed methodological approach that includes site based analysis participant observation textual analysis and historiography The authors apply these approaches to physical locations such as memorial sites and museums but also in digital spaces like music videos tv shows and maps to show the different ways that counteremory may exist

**Taylor Swift and Philosophy** Catherine M. Robb, Georgie Mills, 2024-08-28 Is Taylor Swift a philosopher What can her songs tell us about ethics and society What is the nature of friendship Should you forgive someone for breaking your heart Taylor Swift is a Mastermind when it comes to relationships songwriting and performing sold out stadium tours But did you know that Taylor is also a philosophical mastermind Taylor Swift and Philosophy is the first book to explore the philosophical topics that arise from Taylor Swift's life and music Edited and authored by Swifties who also happen to be philosophers and scholars this fun and engaging book is written with general readers in mind you don't have to be a devoted fan or a specialist in philosophy to explore the themes concepts and questions expressed in Taylor's songs Presenting top tier research and new perspectives on important contemporary issues twenty seven chapters discuss the philosophical contexts of Taylor's work such as the ethics of reputational damage the impacts of first impressions the moral obligation to speak out against injustice and much more Taylor Swift and Philosophy is a must read for Swifties who want to deepen their appreciation and understanding of Taylor's work as well as for philosophy students and scholars with an interest in popular culture and media studies

**Cherry's Army** Cherry Rose White, 2019 There have been many books written by and about people who have undergone horrible experiences in life My purpose in writing this account is not to describe the atrocities that I experienced It is to chronicle the recovery process and explain how I coped as a child and how I am coping now with Dissociative Identity Disorder There are other personalities in my body DID is very confusing and very scary If by recording my strategies in book form I can help even one person to deal with their own distress and either remain or become a functional member of society I will consider this account a success When I first began to put my account in book form I thought I would group the verses together according to the feelings expressed in them I did a few verses that way before I discovered that most of the verses portrayed a number of different feelings As I continued compiling the manuscript I decided to include them in the order that seemed to fit them I tried to keep them in the order they were written but as I had already mixed them up that proved to be impossible I tried very hard not to include any verses more than once Please excuse me for any duplicates

**I Forgot to Remember** Su Meck, Daniel de Visé, 2014-02-04 Just twenty two years old Su Meck was already married and the mother of two children in 1988 when a ceiling fan in the kitchen of her home fell from its mounting and struck her in the head She survived the life threatening swelling in her brain that resulted from the accident but when she regained consciousness in the hospital the

next day she didn't know her own name. She didn't recognize a single family member or friend she couldn't read or write or brush her teeth or use a fork and she didn't have even a scrap of memory from her life up to that point. The fiercely independent and outspoken young woman she had been vanished completely. Most patients who suffer amnesia as a result of a head injury eventually regain their memories but Su never did. Nearly twenty years would pass before Su understood the full extent of the losses she and her family suffered as a result of her injury. As a series of personally devastating events shattered the normal life she had worked so hard to build, Su realized that she would have to grow up all over again and finally take control of the strange second life she had awoken into.

**Loving Yusuf** Mieke Bal, 2008-09-15 When Mieke Bal reread the story of Joseph and Potiphar's wife as an adult, she was struck by differences between her childhood memories of a moral tale and what she read today. In *Loving Yusuf*, Bal seeks to resolve this clash between memory and text using the same story in which Joseph spurns the advance of his master's wife who then falsely accuses him of rape as her point of departure. She juxtaposes the Genesis tale to the rather different version told in the Qur'an and the depictions of it by Rembrandt and explores how Thomas Mann's great retelling in *Joseph and His Brothers* reworks these versions. Through this inquiry, she develops concepts for the analysis of texts that are both strange and overly familiar, culturally remote yet constantly retold. As she puts personal memories in dialogue with scholarly exegesis, Bal asks how all of these different versions complicate her own and others' experience of the story and how the different truths of these texts in their respective traditions illuminate the process of canonization.

**The Prison of Buried Hopes: After The Rift, Book 5** C.J. Archer, 2020-05-05 From a multi-USA Today and Wall Street Journal bestselling author comes this romantasy, romantic fantasy, the fifth in a 6-book series. Just when Dane chooses Josie, everything changes. Sigh, this was absolutely unputdownable. Intense, full of twists and turns. Another page-turner. The quest to learn more about their past lives takes Josie, the captain, and their eclectic group of friends on an adventure across the First Peninsula. Their mood is one of optimism as relationships deepen and new alliances are forged. When some of the palace servants who lost their memories are recognized, they know they're drawing closer to answers. But being recognized in strange cities brings problems. It seems the pasts they can't remember weren't as simple as they hoped. The further south the eclectic band of friends travel, the clearer it becomes that the sorcerer uprooted them from their lives for a reason. With the truth within reach, Dane is suddenly arrested for a murder he didn't commit. In a desperate attempt to free him, Josie promises to give a king the magic he desires in exchange for Dane's freedom. Magic she doesn't possess. Meanwhile, in Josie's homeland of Glancia, war is brewing.

**The Archivists** Martin Ikdais, 2025-01-28 *The Archivists* is a three-part series of journals, diaries, and letters akin to an archival record, taking the reader on a journey through space and time, a journey which unbeknownst to the readers or protagonists is manipulated by a young girl imprisoned within the timeless realm of the tyrannical Moloch. Seeking to escape his influence, the child uses her gifts and ingenuity to end his reign of terror. Bequeathed documents unknowingly involve Marcus Eaton and his girlfriend into an ancient and deadly conspiracy.

Abducted and then imprisoned Marcus writes of his experiences recounting his travels investigating his uncle's discoveries Dr Regina Padgett the sole survivor from a failed space expedition grants Inquisitor Walter de Boer access to her memories Later ordered to a secret facility for further scrutiny she chances upon the testimony of Marcus Eaton and realises her crewmates were transported far into the past Horrified by this she joins forces with an intelligent garment called Suit and escapes Travelling across the globe to study the remains of her crewmates she learns of Moloch's plans and after battling to enter his realm she ends his tyranny for good

**Palestinians in Jordan** Luisa Gandolfo, 2012-10-23 60 per cent of Jordanians are of Palestinian origin a statistic which has propelled Jordan into the role of both player and pawn in regional issues such as the birth of the state of Israel the prolonged Israel Palestine conflict the ascent and decline of Arab nationalism and the subsequent rise of political Islam and radicalism Exploring Jordan's diverse Palestinian communities Luisa Gandolfo illustrates how the Palestinian majority has been subject to discrimination all the while also playing a defining role in shaping Jordanian politics legal frameworks and national identity The conflicts of 1948 and 1967 the civil unrest following Black September in 1972 and the uprisings of 1988 and 2000 have all contributed to a fractious Jordanian Palestinian relationship In *Palestinians in Jordan* Gandolfo examines the history of this relationship looking at the socio political circumstances the economic and domestic policies the legal status of Palestinians in Jordan and the security dimension of Jordan's role in the region She argues that policies put in place over the last century have created a society that is marked by high levels of inter faith cohesion as evidenced by the success and integration of minority Christian communities She goes on to suggest that society divides along lines of ethnic and nationalist loyalty between Jordanians and Palestinians while domestic politics become increasingly fractious with the growth of Islamist groups that have gained grassroots appeal especially in the refugee camps *Palestinians in Jordan* looks through the kaleidoscope of Palestinian Jordanian identities that accommodate a complex and overlapping web of different religious affiliations mixed socio economic conditions and the experience of exile reconciled with daily life in Jordan At the same time identities of these communities continue to be rooted in an attachment to the concept of Palestine and the unifying force of the struggle against Zionism These layers have made the versatile and fluid nature of identities essential affording a fascinating study in inter communal dynamics and nationalism It is this which makes *Palestinians in Jordan* an important resource for those researching the Israel Palestine conflict as well as for students of the Middle East Politics Anthropology and Gender with an interest in identity

*Unexpected Return* Gladys Correa, 2005-12 The author of *Unexpected Return* weaves a tale and leads us by the hand down the paths of her imagination fecund with dreams and ideas *Unexpected Return*'s author starts off at a site from which she moves onwards in the vehicle of a narrative free from vanity and the constraints of effete literature Thus in the hands of her characters each masterfully situated within his own milieu she achieved that for which she was striving a concatenation of countless events woes tears tragedies and times of anguish which make each character spring to life upon this novel's

stinging pages She describes with passionate affliction the arduous personal fight of one man to outrun a past which overshadowed his present and mercilessly punished him A man who unflaggingly sought a possible redemption to deliver him beyond all doubt to the embrace of the only woman whom he ever truly loved      **Faerie Brace-Face** Lotus Rose, In this romantic sci fi fantasy tale Darren is a human boy who s fallen in love with a fairy girl named Cabby So when Cabby is forced to wear braces and flees their village as a result Darren has no choice but to follow the girl he loves because he never wants to be without her in his life He finds himself sucked into surreal adventures he hadn t expected but he endures it all for his beloved Cabby This book is a treat for your inner child a fantastical unapologetically playful fairy story that is always utterly romantic This book is the first in a trilogy followed by *Revenge of the Faebots* and *The Return of Mackenzie* The second volume of the series *Revenge of the Faebots* is now available *The Faerie Brace Face Trilogy* *Faerie Brace Face Revenge of the Faebots* *The Return of Mackenzie*      *Eternal Trap* Michelle Marchand,2019-05-30 Seemingly ordinary life in California is changed forever when Eveleen Barton is forced to deal with a series of dramas and disasters Having left Adicus James because of his abusive manner she seems to get her life back on track That is until one fateful night she disappears Her friends Chloe Jensen and Brooke Cole and lover Jaxson Smith must find out what happened to her Will she return alive

**Parenting** Steven Tuber,2016-06-24 *Parenting Contemporary Clinical Perspectives* offers fresh insights into treating parents and their children that highlight the evolving role of parents throughout the lifespan and amidst contemporary social pressure and change By drawing from their own personal experiences as well as those from clinical practice distinguished clinicians and analysts examine each phase of parenting through a variety of lenses to tackle our biggest parenting questions While we must be highly present for our children to help them develop a sense of self worth we must simultaneously step back if we want them to develop a sense of autonomy and individuality As our role as parent changes how can we maintain a sense of grace humor and perspective How can our work in practice inform and enrich our parenting and vice versa Thoughtful and engaging this volume is a valuable resource for family therapists and clinicians especially those who are parents themselves      Replika: Sky's Mission Hugo Bernard,2022-02-01 Described as *The Matrix* meets *Inception* They hacked her brother s brain Then sent him into the simulation Sky must now get to him first the future of reality is at stake an absolute blockbuster of a tale that not only absorbs every bit of your attention but will have you pondering about the nature of reality Pikasho Deka for Readers Favorite *Earth s ecological collapse is avoided when most of the world population agrees to permanently upload into a simulated reality called Replika* But the stability of the system is threatened when a group of neuroscientists hack their brains to interact with the simulations in unforeseen and dangerous ways Sky devotes her life to rebuilding the real world left in the shadows of Replika But when she learns her brother who disappeared under mysterious circumstances is in danger she must choose which world needs her most All she wants is to find the brother she loves but she will unwittingly get entangled in a ploy to redefine reality HUGO BERNARD masterfully weaves a highly original and fast
