Finding Peace of Mind and Keeping It James Emerson Hough,2023-06-23

About the Book In this collection of his essays and writings James Emerson Hough reflects on the serenity of retirement living in the middle of his own private Certified Forest Preserve and Wildlife Habitat in Southeast Indiana the inspiration it engenders to be creative and the ability to focus his thinking He finds it rewarding to share his perspective but the selfish reason he writes is that it makes him a better person When asked why he writes Mr Hough admits that writing helps keep his mind alert and head on straight He s inspired to read and unlock novel ideas in his mind research them and develop compelling techniques to put them together in writing Writing is his habit He knows that no one can write anything who does not think that what they write is for the time history or do anything well who does not esteem their work to be of importance Old age has yet to creep on the author s mind and wisdom will never let him stand with another on unfriendly footing For him to write what will not become obsolete is to write sincerely to himself while attempting to satisfy his own curiosity Where Mr Hough found peace of mind peace of mind was waiting there Books are the quietest and most constant of friends the most patient of teachers and the most accessible and wisest if counselors Worthwhile books that get into the world are written by successful people who utter what tens of millions feel though they cannot say Certain books are vital not leaving readers what they were they shut the book a richer

person Finding Peace of Mind and Keeping It is full of energy About the Author James Emerson Hough was born and raised in Paducah Kentucky schooled in the public school system of that community earned an AS degree studying mathematics physics chemistry biological and zoological sciences at Paducah Junior College and earned BS Geology and MS Engineering Geology degrees at the University of Kentucky Lexington He retired December 31 1998 at age 68 ending more than thirty five years in private practice of the applied earth sciences as licensed professional engineer and licensed professional geologist Hough was awarded the DSc degree by the American Institute of Geosciences in 2020 *The Christian Century* ,1924 The Clovis Chronicles: Book One Tom DiFrancesca III,2008-04-25 As time unravels and the end of days is quickly nearing mysterious unexplained events are occurring all around the world Clovis a small city located in eastern New Mexico is no exception UFO sightings a mysterious compound under construction just outside of town and the pending yet unexpected arrival of thousands of strangers are only some of the eerie events unfolding This first book of a series invites you to witness divine destiny being fulfilled in the lives of two childhood sweethearts After having been separated from each other and from God for a span of almost fifty years they are supernaturally reunited in order to lead a battle against an evil conspiracy that was birthed just prior to World War Two Experience glimpses into the hero s and heroine s pasts which include flying saucers cowboys angels demons and believe or not some famous 1950 s rock and roll icons Also added into the mix are very large portions of action adventure and suspense **The Expositions On The Psalms Volume 1** St. Augustine of Hippo, In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God s people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is
