White,2019-05-30 There was a time when no town was too small to field a professional baseball team In 1949 the high point for the minor leagues there were 59 leagues and 464 cities with teams two thirds of them in so called bush leagues classified as C and D Most of the players were strangers outside the towns where they played but some achieved hero status and enthralled local fans as much as the stars in the majors *Left on Base in the Bush Leagues* Legends Near Greats and Unknowns in the Minors profiles some of the most fascinating characters from baseball s golden era It includes the stories of players such as Ron Necciai the only pitcher in history to strike out 27 batters in a single game Joe Brovia one of the most feared hitters to ever play in the Pacific Coast League PCL who had to wait 15 years for a shot in the majors and Pat Stasey a mellow Irishman who Cubanized minor league baseball in Texas and New Mexico helping to bring down the walls of segregation Compelling and timeless their stories touch on many issues that still affect the sport today *Left on Base in the Bush Leagues* provides an entertaining glimpse into a time when baseball was a game and the players were regular guys who often held second jobs off the field Featuring hundreds of personal interviews with the players their teammates managers and opponents this book creates a colorful tapestry of the minor leagues during the 1950s and 60s **The Perfect Front**

LaDawna Byers,2006-08 The only man that Melany Starks ever loved was dying quickly he was disintegrating before her eyes Why did she care He ignored her and watched from among the shadows while she crumbled under the stress and strain of loving only him He stood by as a spectator while she held on with dear life to what was left of their family long after he walked out in a dramatic and twisted turn of events It was neither he nor his love that saved her though it was he and his deceit that pushed her to rock bottom Jalen and Melany Starks lived a fairytale life in the eyes of many Alas secrets lurked behind the doors of their mansion and sick skeletons lived in the closets of his unlikely partners in infidelity As each part of Jalen s front falls to pieces so does Melany s life and her ability to cope Nevertheless the darkest part of the night is just before the break of day Only after seeking God does she manage to renew her life and the lives of every one affected by the life and death of Jalen Starks
