My Only Story:

My Only Story Monica Wood,2000-06 My Only Story explores the inescapable pull of family the surprises of love and the notion that happiness often resides in the places where we are least likely to look BOOK JACKET *The Hater* William Winters,2018-05-09 This story explores a perceived world of chaos where order is perceived absolutes where relativism is absolute and love spawned from hatred Paul Berkely a journalist is not aware that this perception exists but he is forced to face it when his path is entwined with a man described as The Hater *Religion as We Know It: An Origin Story* Jack Miles,2019-11-12 A brief beautiful invitation to the study of religion from a Pulitzer Prize winner How did our forebears begin to think about religion as a distinct domain separate from other activities that were once inseparable from it Starting at the birth of Christianity a religion inextricably bound to Western thought Jack Miles reveals how the West s common sense understanding of religion emerged and then changed as insular Europe discovered the rest of the world In a moving postscript he shows how this very story continues today in the hearts of individual religious or irreligious men and women

Back to Black Fabrice Leroy,2025-05-13 The legendary American cartoonist and author Jules Feiffer has enjoyed a long and varied career working on everything from illustrating The Phantom Tollbooth to writing the screenplay for the film Popeye But some of his most innovative work came very late in his career with a trio of graphic novels he composed in his eighties Kill My Mother 2014 Cousin Joseph 2016 and The Ghost Script 2018 Back to Black provides the first full length critical analysis of this trilogy exploring how it pays homage to the iconography and themes of film noir through constant graphic experimentation and a striking reinvention of Feiffer s distinctive style Fabrice Leroy shows how Feiffer deftly alternates between dramatic and satirical tones as he plays with the conventions of noir to provide a caustic yet moving commentary on mid twentieth century American life Through close readings of each novel in the trilogy he examines Feiffer s singular depiction of the central political issues in the United States from the Great Depression to the 1950s which still resonate today unionization struggles cinematic propaganda McCarthyism the American Dream immigration antisemitism civil rights and gender discrimination Placing the noir trilogy into the context of Feiffer s long career Back to Black demonstrates how he offers a loving pastiche of the genre without losing his unique voice or critical edge **The Plattner Story and Others** H.G. MOVES COUNTERMOVES Animish the disciple teetering between scepticism and awe around Krishna s divinity inherits his Master s mantle as the latter proceeds to Badari to pursue his self realisation goals Asareer s belief solidifies and divine anecdotes about Krishna continue to enthrall him While the chasm between the viewpoints of both friends keeps widening Krishna attains a God like stature and comes to be feared by his opponents and revered by his devotees and sages alike Meanwhile rivalries explode between cousins Kauravas led by the determined Duryodhana manipulate the king to their advantage while Pandavas fight for survival Draupadi s entrance forging a solid alliance between Pandavas and the powerful Panchala kingdom adds a new twist to the story And through it all the enigmatic Krishna emerges as the central figure unfolding his own fascinating tryst with destiny The game of one up manship between Kauravas and Pandavas which resembled the opening stage of a chess game to Animish during the graduation ceremony of princes moves into the next stage the middle game Kauravas and Pandavas were entangled in a prolonged fight over the chessboard of fate with advantage shifting back and forth like in a bitter middle game of chess that does not produce a clear winner Find inside the dramatic events of Krishna s battles with Jarasandha the setting up of the Dwaraka kingdom Draupadi s Swayamvara and her unconventional polyandrous marriage the rise and fall of Indraprastha Empire multiple marriages and battles of Krishna the fortune turning dice game where a wife was put on stake and a host of other exciting events Join Animish and Asareer two good friends who disagree on matters of faith to watch the enthralling moves and countermoves in the intricate middle phase of the story and analyse for yourself which moves are blunders and which ones are brilliancies What did destiny ordain for the kings who thought they were players but were mere pawns on fate s chess board *McClellan's Own Story* George B. McClellan, 1998-05 Born in Philadelphia on December 3 1826 George B McClellan graduated from West Point in 1846 before serving in the Mexican War At the start of the Civil War McClellan was put in a position of leadership and after a successful campaign in Virginia he was given command of the Army of Potomac one of the Union s strongest armies He led the Peninsular campaign with almost 100 000 troops under his command marching toward Richmond Although McClellan was a brilliant administrator who possessed good strategic sense the record shows that he was overcautious and consistently overestimated the strength of his adversaries always demanding more men and supplies before undertaking offensive action

In 1862 McClellan disagreed with Abraham Lincoln and advanced on Richmond from the east instead of moving directly against the Confederates at Manassas Virginia Although the Union army was successful during the Peninsular campaign their failure to take Richmond the Confederate capital gave the South new motivation Dissatisfied with the campaign and McClellan Lincoln replaced him with Henry W Halleck as commander in chief After the defeat of the Union army in the Second Battle of Bull Run he was again placed in active command of the Army of the Potomac His overcautiousness at the battle of Antietam on September 17 1862 led to a draw instead of a Union victory Because of the heavy Union losses he was again relieved of his command by Lincoln for the duration of the war The Democratic Party nominated McClellan in 1864 as its candidate for president a peace platform but Abraham Lincoln defeated him After serving as governor of New Jersey From 1878 to 1881 McClellan died in Orange New Jersey on October 29 1885

A Soul's Journey: A Personal Story Laureen LeNoir,2013-12 A Soul s Journey is indeed a personal story The journey are lessons that were given to me by my God Presence during the summer of 2013 in answer to the prayer God help me create the life I desire The Journey is recorded in four books containing twenty four chapters Most of the time I didn t know where this was going and what I was to do with this information I was being given The only thing I did know was that the lessons were helping me feel better and my life was changing to reflect more Love more of God in my life The lessons in the books focus on reaffirming the Truth about each of us and looking to our God Presence to help us make the Truths our Truths which will lead to our living better more satisfying lives What are these Truths That we are where we need to be at this point in our life experience All that has come before was necessary to make us the person we are today In other words we are perfect just as we are That we are children of a Loving Infinitely Patient God Presence that is with us always and will help us in all things if we ask That we are worthy of all that is good and pleasing in the entire Universe just because we are

sons and daughters of the Universe That our beliefs serve to shape our life experience and if we change our beliefs we can change our world and That we are never alone and we are always surrounded by the Love of God My greatest desire is that these lessons help the readers also come to know God their God Presence so that they can also come to know how they can create the life they desire right here on planet Earth An Autobiography.
