## **My Politically Incorrect Sex:**

*My Politically Incorrect Sex* Bill Binkley, 2005-10 Primal instinct from curiosity to passion a lifetime of relationships and experiences some politically correct some not      *Sex and God* Linda Hurcombe, 2014-10-03 These stories essays and poems by women examine the connections feminists are making between sex and God The women write from very different perspectives cutting across the spectrum of feminist writing about sexuality and spirituality within the Judeo Christian tradition Some writers though critical are determined to retain their radicality in the very teeth of patriarchy by remaining within the traditional forms of faith Others impatient suggests the editor with the great inseminator in the sky have moved on to what might be described as a post patriarchal spirituality Contributions indicate the exciting spiritual journeys women are currently making and focus on the following areas monogamy and promiscuity sex politics and spirituality childbirth sex and healing in dying feminist sexual psychology lesbian identity and feminist embodied theology The recent and continuing debate about women priests in the Anglican church uneasily echoes the rumblings of change at a fundamental level in the relationship between women and religion This book with its reflections on both the politics of Christian feminism and the more widespread expression of women's spirituality makes an important contribution to that change First published in 1987

*Why We Lost the Sex Wars* Lorna N. Bracewell, 2021-03-23 Reexamining feminist sexual politics since the 1970s the rivalries and the remarkable alliances Since the historic MeToo movement materialized in 2017 innumerable survivors of sexual assault and misconduct have broken their silence and called out their abusers publicly from well known celebrities to politicians and high profile business leaders Not surprisingly conservatives quickly opposed this new movement but the fact that sex positive progressives joined in the opposition was unexpected and seldom discussed *Why We Lost the Sex Wars* explores how a narrow set of political prospects for resisting the use of sex as a tool of domination came to be embraced across this broad swath of the political spectrum in the contemporary United States To better understand today's multilayered sexual politics Lorna N Bracewell offers a revisionist history of the sex wars of the 1970s 80s and 90s Rather than focusing on what divided antipornography and sex radical feminists Bracewell highlights significant points of contact and overlap between these rivals particularly the trenchant challenges they offered to the narrow and ambivalent sexual politics of postwar liberalism Bracewell leverages this recovered history to illuminate in fresh and provocative ways a range of current phenomena including recent controversies over trigger warnings the unimaginative politics of sex positive feminism and the rise of carceral feminism By foregrounding the role played by liberal concepts such as expressive freedom and the public private divide as well as the long neglected contributions of Black and Third World feminists Bracewell upends much of what we think we know about the sex wars and makes a strong case for the continued relevance of these debates today *Why We Lost the Sex Wars* provides a history of feminist thinking on topics such as pornography commercial sex work LGBTQ identities and BDSM as well as discussions of such notable figures as Patrick Califia Alan Dershowitz Andrea Dworkin

Elena Kagan Audre Lorde Catharine MacKinnon Cherr e Moraga Robin Morgan Gayle Rubin Nadine Strossen Cass Sunstein and Alice Walker      **Sex Secrets of an American Geisha** Py Kim Conant, 2006-10-23 Any single or married woman can find success in the pursuit of love marriage and happiness with these sensible sexy realistic tips from Py Kim Conant who used them to find her own American husband More practical than politically correct her advice covers every aspect of landing and keeping a man Developing Geisha Consciousness she says helps maximize a woman s femininity The author invites readers to become a Younger Sister a geisha in training and then proceeds into the four parts of this lively provocative book getting started as an American Geisha sex secrets to bond him to you planning for marriage and keeping the marriage fresh and sexy She suggests specific strategies for women including creating a bedroom shrine of worship to hubby s manhood learning to express femininity and sexuality identifying and then dating their Good Man An afterword on Geisha Power a glossary of terms recommended reading and resources help readers expand the experience      Whores and Other Feminists Jill Nagle, 2013-09-13 Whores and Other Feminists fleshes out feminist politics from the perspective of sex workers strippers prostitutes porn writers producers and performers dominatrices and their allies Comprising a range of voices from both within and outside the academy this collection draws from traditional feminisms postmodern feminism queer theory and sex radicalism It stretches the boundaries of contemporary feminism holding accountable both traditional feminism for stigmatizing sex workers and also the sex industry for its sexist practices      **Discourses of Sexuality** Domna C. Stanton, 1992 An important and timely book on a subject of enduring interest      **Sex Wars** Lisa Duggan, Nan D. Hunter, 2014-01-27 This book is a collection of essays written during the 1980s and 1990s generated as parts of other larger activist efforts going on at the time Read together the essays trace the progress of the conversations between different activist groups and between the authors of the pieces Lisa Duggan and Nan Hunter creating a bridge between feminists gay activists those in politics and those in the law Since the 1995 publication of Sex Wars the political landscape has altered significantly Yet the issues and essays are still relevant today The anniversary edition contains a new chapter dealing with the changes in the law since the book s publication Lawrence v Texas for example      *Intellectual Disability and the Right to a Sexual Life* Simon Foley, 2017-09-11 One of the perennial political philosophical questions concerns whether it is ever justifiable for a third party to paternalistically restrict an adult s freedom to ensure their own or society s best interests are protected Wherever one stands on this debate it remains the case that unlike their non impaired contemporaries many intellectually disabled adults are subjected to a paternalistic regime of care This is particularly the case regarding members of this population exercising more control of their sexuality Utilizing rare empirical data Foucault s theory of power and Kristeva s concept of abjection this work shows that many non disabled people including family members hold ambivalent attitudes towards people with visible disabilities expressing their sexuality Through a careful examination of the autonomy paternalism debate this is the first book to provide an original provocative and philosophically compelling analysis to argue

that where necessary facilitated sex with prostitutes should be included as part of a new regime of care to ensure that sexual needs are met Intellectual Disability and the Right to a Sexual Life is essential reading for scholars students and policy makers with an interest in philosophy sociology political theory social work disability studies and sex studies It will also be of interest to anybody who is a parent or a sibling of an adult with an intellectual disability and those with an interest in human rights and disability more generally **Women, Feminism, and Femininity in the 21st Century** B. Mousli,E.

Roustang-Stoller,2009-05-11 American women look at French women as having it all sex motherhood work and public office while French women look at American women as puritanical excessively feminist and unable to have it all without guilt The essays in this book by leading American and French academics and critics set the record straight by assessing the truth of each outlook They conclude that facts are different from imagination and that on many issues French feminists could actually look to the U S for inspiration This book offers the first comparative critical appraisal of how women live in the US and in France and suggests paths of reflection on what women can do to improve their lives in the twenty first century This is a must read for anyone interested in the nature of womanhood today in the Western World **How Psychotherapy Helps Us**

**Understand Sexual Relationships** Cherry Potter,2019-08-28 In this fascinating book Cherry Potter takes readers on her personal and professional quest for insights into sex relationships and gender differences Why do we feel what we feel and do what we do What is the impact of performance anxiety on men and on society generally Why are women still faking it Is ubiquitous online porn turning the clock backwards The book delves into the work of Freud Klein Bowlby and recent developments in attachment theory for insights into our conscious and unconscious fears and desires and introduces readers to a range of fascinating clients These include Jeremy who was so ashamed of his virginity he was unable to have a relationship Ellie who repeatedly fell in love with unobtainable men Kieran whose fear of abandonment threatened to wreck his gay relationships Dulcie who for years had been unable to face the truth that her husband was having multiple affairs and Lars who was addicted to online porn and prostitutes The book shows how the work between therapist and client is a process of learning together which is at times painful and deeply moving but can also reflect a renewed vitality and hope for the future particularly when it comes to talking about sex How Psychotherapy Helps Us Understand Sexual Relationships Insights from the Consulting Room will be of great interest to both the general reader as well as psychotherapists and counsellors **Faire, Foul & Fatal** Teel James Glenn,2025-05-10 Previously published as Murder Most Faire Eric Knight

was looking forward to a great summer season Jousting at the Great Eastern Renaissance Faire until someone killed his best friend He tries to solve the cold blooded murder of his best friend while trying to create and perform a season of make believe medieval mayhem Suddenly he was plunged into a shadowy world of assassins and gunrunners while dealing with the grief of his friend s death Can he solve the mystery and find the killers before they find him It was a debt of honor he would fulfill or die trying Follow the behind the scenes of the renaissance faire world the humor the camaraderie the jealousy and

the lustful adventurous lives of the rennies are laid bare      **Loose Women, Lecherous Men** Linda LeMoncheck,1997-10-09 Linda LeMoncheck introduces a new way of thinking and talking about women s sexual pleasures preferences and desires Using the tools of contemporary analytic philosophy she discusses methods for mediating the tensions among apparently irreconcilable feminist perspectives on women s sexuality and shows how a feminist epistemology and ethic can advance the dialogue in women s sexuality across a broad political spectrum She argues that in order to capture the diversity and complexity of women s sexual experience women s sexuality must be examined from two equally compelling perspectives that of women s sexual oppression under conditions of individual and institutional male dominance and that of women s sexual liberation both in terms of each woman s pursuit of sexual agency and self definition and in terms of women s sexual liberation as a class Loose Women Lecherous Men sheds crucial new light on such much debated topics as promiscuity adultery sexual deviance prostitution pornography sexual harassment and sexual violence against women Her book supports a dialogue that encourages both women and men to take up a feminist perspective in exploring the meaning and value of sexuality in their lives      Entertaining Politics Jeffrey P. Jones,2005 Contrary to arguments that television is detrimental to democracy Entertaining Politics explores the role of new political television in shaping a changing civic culture Jeffrey P Jones shows how viewers understand and make use of the increasingly blurred lines between serious and entertainment programming and argues that alarmist critics who predict the end of politics in the age of television have misconstrued the role of the medium and the commitment of audiences to both TV and public life Visit our website for sample chapters

Gender and Sexuality in India Salla Sariola,2009-12-16 This book offers a detailed analysis of the experiences of sex workers in India Based on ethnographic fieldwork the book describes the lives of sex workers drawing out themes of agency notions of gender and sexuality and women s engagement with the HIV industry The analysis provides a novel critique of the medicalised focus of HIV prevention and suggests alternative discourses on women s sexuality sexual behaviour and desire

**The Right to Sex** Amia Srinivasan,2021-09-21 Laser cut writing and a stunning intellect If only every writer made this much beautiful sense Lisa Taddeo author of Three Women Amia Srinivasan is an unparalleled and extraordinary writer no one X rays an argument a desire a contradiction a defense mechanism quite like her In stripping the new politics of sex and power down to its fundamental and sometimes clashing principles The Right to Sex is a bracing revivification of a crucial lineage in feminist writing Srinivasan is daring compassionate and in relentless search of a new frame Jia Tolentino author of Trick Mirror Reflections on Self Delusion Thrilling sharp and deeply humane philosopher Amia Srinivasan s The Right to Sex Feminism in the Twenty First Century upends the way we discuss or avoid discussing the problems and politics of sex How should we think about sex It is a thing we have and also a thing we do a supposedly private act laden with public meaning a personal preference shaped by outside forces a place where pleasure and ethics can pull wildly apart How should we talk about sex Since MeToo many have fixed on consent as the key framework for achieving sexual justice Yet consent is a blunt

tool To grasp sex in all its complexity its deep ambivalences its relationship to gender class race and power we need to move beyond yes and no wanted and unwanted We do not know the future of sex but perhaps we could imagine it Amia Srinivasan's stunning debut helps us do just that She traces the meaning of sex in our world animated by the hope of a different world She reaches back into an older feminist tradition that was unafraid to think of sex as a political phenomenon She discusses a range of fraught relationships between discrimination and preference pornography and freedom rape and racial injustice punishment and accountability students and teachers pleasure and power capitalism and liberation The Right to Sex Feminism in the Twenty First Century is a provocation and a promise transforming many of our most urgent political debates and asking what it might mean to be free

**Identity Poetics** Linda Garber, 2001-10-17 Queer theory asserts Linda Garber alternately buries and vilifies lesbian feminism missing its valuable insights and ignoring its rich contributions Rejecting the either/or choice between lesbianism and queer theory she favors an inclusive approach that defies current factionalism In an eloquent challenge to the privileging of queer theory in the academy Garber calls for recognition of the historical and intellectually significant role of lesbian poets as theorists of lesbian identity and activism The connections Garber shows are most clearly seen when looking at the pivotal work of working class lesbians lesbians of color whose articulations of multiple simultaneous identity positions and activist politics both belong to lesbian feminism and presage queer theory Identity Poetics includes a critical overview of recent historical writing about the women's and lesbian feminist movements of the 1970s discussions of the works of Judy Grahn Pat Parker Audre Lorde Adrienne Rich and Gloria Anzaldúa and finally a chapter on the rise and hegemony of queer theory within lesbian/gay studies

**Personal Stories of "How I Got Into Sex"** Bonnie Bullough, 1997 The whimsical title belies the serious content within this collection of 48 autobiographical essays sharing the lives and loves of sex educators researchers therapists prostitutes criminologists and clergy The contributors' stories examine childhood sexual discovery and tragedy teen struggles
