My Private Heroes:

Mollie's Prince Rosa Nouchette Carey, 2018-09-20 Reproduction of the original Mollie s Prince by Rosa Nouchette Carey

Hidden Heroes Larry Thompson, 2005-06 According to Thompson when the final accounting is done one day mankind will learn that God s hidden heroes on Earth far outnumbered the famous men and women whose names are more easily

recognizable **Word Hero** Jay Heinrichs, 2011-10-04 Yes it s true you can learn how to be a verbal wizard Ever hear someone utter an unforgettable phrase and feel yourself reacting with with well awe Ever read a great quote and think I could never come up with anything that clever Daunting as it may seem there s nothing mystical about witcraft Crafting memorable lines doesn t require DNA encoded brilliance What it does require is some knowledge of the tricks and techniques that make words stick In *Word Hero* Jay Heinrichs rescues the how to of verbal artistry from cobwebbed textbooks and makes it entirely fresh even a little mischievous Fear not on offer here are not dry abstract ideas couched in academic jargon Rather Heinrichs takes you on an amusing and amazingly helpful tour of the mechanisms that make powerful language work You ll learn how to slyly plant your words in people s heads and draw indelible verbal pictures by employing such tools as crashing symbols rapid repeaters Russian Dolls and even the powers of Mr Potato Head With those tools and others tucked in your utility belt you might not immediately achieve wordsmith immortality but you will become a better speaker writer and raconteur and long after people have forgotten everything else they ll remember your priceless lines **Men of One Book**

Ian J Maddock, 2012-08-30 The proposal of this book is to guide the reader to the contrastive ministries of the two most dominant preachers of the eighteen century evangelical revival In a wonderful comparative approach the author draws John Wesley and George Whitefield s portraits and explores their life and practice as well as their relationship Committed to the principle that the whole world was their parish Wesley and Whitefield manifested their singular desire to be men of one book through preaching ministries that were equally committed to the spread of the gospel throughout the transatlantic world

Shadow Man Cody McFadyen, 2006-06-13 Once Special Agent Smoky Barrett hunted serial killers for the FBI She was one of the best until a madman terrorized her family killed her husband and daughter and left her face scarred and her soul brutalized Turning the tables on the killer Smoky shot him dead but her life was shattered forever Now Smoky dreams about picking up her weapon again She dreams about placing the cold steel between her lips and pulling the trigger one last time Because for a woman who s lost everything what is there left to lose She s about to find out In all her years at the Bureau Smoky has never encountered anyone like him a new and fascinating kind of monster a twisted genius who defies profilers attempts to understand him And he s issued Smoky a direct challenge coaxing her back from the brink with the only thing that could convince her to live The killer videotaped his latest crime an act of horror that left a child motherless then sent a message addressed to Agent Smoky Barrett The message is enough to shock Smoky back to work back to her FBI team And that child awakens something in Smoky she thought was gone forever Suddenly the stakes are raised The game has changed

For as this deranged monster embarks on an unspeakable spree of perversion and murder Smoky is coming alive again and she s about to face her greatest fears as a cop a woman a mother and a merciless killer s next victim **A Yuletide Kiss**
