Welcoming Your Puppy from Planet Dog Kathy Callahan, CPDT-KA, 2024-04-16

Expert advice that is deeply insightful, funny, entertaining, and highly relatable. Traer Scott, bestselling author of *Shelter Dogs* and *Finding Home*. After a decade of guiding people who've just added a puppy to the family, dog trainer Kathy Callahan has learned a fundamental truth: at some point, every one of them feels overwhelmed. When they seek out expertise, they're flooded with impossibly detailed advice, conflicting opinions, and a surprising number of techniques that seem unkind. In contrast, Callahan reassures owners that success flows not from nailing an intimidating list of disciplinary tactics but from adopting a mindset of trusted guide rather than master. The key to great training is recognizing that we have essentially kidnapped these puppies from their own, vastly different culture. Using an easy-to-grasp Planet Dog/Planet Human concept, Callahan dives into the puppy essentials, including how to prepare your house and yourself for puppyhood, potty training, chewing, jumping, and other challenges; how to train with fun, not fear; why it might seem your puppy just doesn't listen; navigating puppyhood with young kids, cats, and/or other dogs; what to do if there's household disagreement on things like whether dogs belong on furniture. In fun-to-read chapters loaded with empathy for both the beleaguered humans and their confused puppies, *Welcoming Your Puppy from Planet Dog* paves the way for a rewarding friendship between a relaxed, well-prepared human and a canine family member who's happily at ease in our world.

Oh My Dog Beth Ostrosky Stern, Kristina Grish, 2010-05-04

Calling the toughest canine questions. Owning a dog is one of life's great joys, but sometimes the challenges it brings can make even the most devoted dog lovers panic, throw up their hands, or feel completely overwhelmed. Before you get to the end of your leash, turn to this friendly and relatable reference that's the next best thing to talking to a dog-owning friend who's seen it all. In *Oh My Dog*, animal rights activist Beth Ostrosky Stern has compiled tips and invaluable advice from experts and from her own experience as dog owner to soothe concerns, answer questions big and small, and help you and your dog get the most out of your relationship. From the moment you even consider getting a dog to caring for your old friend when his puppy years are far behind him, *Oh My Dog* covers every angle of dog ownership, including: Which breeds would be good matches for me? What do I look for in a vet? How do I make sure our first night together is as stress-free as possible? What activities will help me bond with my dog? Is my dog showing signs of illness? What should I know before I head to a doggie day care or park? How do I read pet food labels? What should I do in an emergency? influenced by Dr Ian Dunbar's dog friendly philosophy. In the 1970s Dr Ian Dunbar sparked a dramatic shift in puppy training away from leash corrections and drill sergeant adult dog training classes based on competitive obedience and toward a positive approach using toys, treats and games as rewards for teaching basic manners, preventing behavior problems and modifying temperament. Before Dr Dunbar, there were no classes for puppy training, very few family dog classes and not much fun in dog training. His positive approach revolutionized the dog training field, especially puppy training. Raising a great dog. Now in *Before and After Getting Your Puppy*, Dr Ian Dunbar combines his two popular puppy training manuals into one indexed, value priced hardcover dog training book. In clear steps with helpful photos and easy to follow puppy training milestones, he presents a structured yet playful and humorous plan for raising a wonderful dog. Dr Dunbar's guide is based around six developmental milestones: Your doggy education, Evaluating puppy's progress, Errorless housetraining and chewtoy training, Socialization with people, Learning bite inhibition, The world at large. Fans of *The Art of Raising a Puppy*, *Training the Best Dog Ever* or Zak George's *Dog Training Revolution* will love Ian Dunbar's *Before and After Getting Your Puppy*. **A Dog Behaviourist's Diary** Denise Mcleod, 2018-09-17. We all have a story to tell. Each of us has a life which has had trials and tribulations. Sometimes massive ones and sometimes not. Dogs are much the same. This book is the stories of some of the lives, trials and tribulations that I have encountered both as a dog owner and a dog training professional.
