**Once Upon a Wardrobe** Patti Callahan, 2021-10-19 From the New York Times bestselling author of *The Secret Book of Flora Lea* and *Becoming Mrs Lewis* comes a fascinating look into the bond between siblings and the life changing magic of stories 1950 Margaret Devonshire Megs is a seventeen year old student of mathematics and physics at Oxford University When her beloved eight year old brother asks Megs if Narnia is real logical Megs tells him it's just a book for children and certainly not true Homebound due to his illness and remaining fixated on his favorite books George presses her to ask the author of the recently released novel *The Lion the Witch and the Wardrobe* a question Where did Narnia come

from Despite her fear about approaching the famous author who is a professor at her school Megs soon finds herself taking tea with C S Lewis and his own brother Warnie begging them for answers Rather than directly telling her where Narnia came from Lewis encourages Megs to form her own conclusion as he shares the little known stories from his own life that led to his inspiration As she takes these stories home to George the little boy travels farther in his imagination than he ever could in real life After holding so tightly to logic and reason her brother s request leads Megs to absorb a more profound truth The way stories change us can t be explained It can only be felt Like love Once Upon a Wardrobe is a captivating historical novel that deftly combines fact and fiction It s an emotional journey into the books and stories that make us who we are It s perfect for book clubs for anyone who has ever longed to know more about Narnia and for anyone whose life has ever been impacted by a story It s a love letter to books and stories THE WASHINGTON POST a tender enchanting tribute to the power of story and the myriad ways it can both break and heal our hearts ARIEL LAWHON Patti Callahan s beautiful life affirming novel is a reminder that literature lives inside us and that when we read someone else s story we understand so much more about our own A gorgeous compelling book JANET SKESLIEN CHARLES the kind of real magic that is only possible when we open our hearts and let the lamplight in KRISTIN HARMEL discovering the way in which stories and myths weave through our existences subtly transforming us in immeasurable ways Stunning MARIE BENEDICT **Lessons of War** James Alan Marten,1998 Presents essays editorials articles poems games short stories and letters that tell the story of the Civil War
