Congress,1981 *The NA Step Working Guides* Fellowship of Narcotics Anonymous, **The Letters of Cicero I** Marcus Tullius Cicero,2016-09-10 The object of this book is to give the English speaking public in a convenient form as faithful and readable a copy as the translator was capable of making of a document unique in the literature of antiquity Whether we regard the correspondence of Cicero from the point of view of the biographer and observer of character the historian or the lover of belles lettres it is equally worthy of study It seems needless to dwell on the immense historical importance of letters written by prominent actors in one of the decisive periods of the world s history when the great Republic that had spread its victorious arms and its law and discipline over the greater part of the known world was in the throes of its change from the old order to the new If we would understand as who would not the motives and aims of the men who acted in that great drama there is nowhere that we can go with better hope of doing so than to these letters To the student of character also the personality of Cicero must always have a great fascination Statesman orator man of letters father husband brother and friend in all these capacities he comes before us with singular vividness In every one of them he will doubtless rouse different feelings in different minds But though he will still as he did in his lifetime excite vehement disapproval as well as strong admiration he will never I think appear to anyone dull or uninteresting In the greater part of his letters he is not posing or assuming a character he lets us only too frankly into his weaknesses and his vanities as well as his generous admirations and warm affections Whether he is weeping or angry or exulting or eager for compliments or vain of his abilities and achievements he is not a phantasm or a farceur but a human being with fiercely beating pulse and hot blood *No More Stolen Ground* Kelechi Cole, Are You Tired of Losing Ground to the Enemy Do You Feel Like Your Progress Is Always Being Reversed Ready to Take Back What the Enemy Has Stolen with the Word of God It s Time to Arise Fight Back and Reclaim Your Divine Inheritance If you ve ever felt like you re constantly fighting just to stay afloat like every step forward is followed by a painful setback then No More Stolen Ground is your divine wake up call This book is your battle cry your war manual and your spiritual toolkit for reclaiming the land the enemy has stolen from you Satan is a thief and his mission is to steal kill and destroy Whether it s your peace your purpose your finances your relationships or your identity in Christ he doesn t stop until you re drained and defeated But God has given you a weapon that cannot fail His Word With the Word of God in your mouth and faith in your heart you can stop the enemy in his tracks and take back everything he s stolen No More Stolen Ground is not just another Christian book it s a battle tested
