My Ride To A New Life:

Harry's New Life John O'Quinn, 2007-04 Harry's new life deals with the hard realities of life faced by Harry Becker and the difficult and sometimes painful choices he makes for the benefit of those he loves in a life that is not always fair or easy. Harry makes friends with a local girl Shelia and her brother Dan in the small mountain town of Birch Hollow. They work together on a plan designed by Davis Shelia's boss to transport stolen merchandise as Harry plans to travel until he finds a world where he will fit in and find peace within himself for the turmoil he caused his family. Donald Wicklander, 2009-09 **One Second** Kenny Elmore, 2010-06-16 1975 Kenny fell in love with motorcycles; it was his gateway to freedom. Motorcycles were a big part of his life, and in 2008 a near-fatal motorcycle vs car accident changed his life forever. This book details the events of his life and struggles with rehabilitation. New Country, New Life Chrystyna Zorych Holman, 2023-10-31 What is it like to leave behind everything and everyone you've ever known amidst terror, trauma, and war, knowing you will never see them again? How must it feel to come to a strange new land and have to build a community from scratch? And what finally does it mean to pass on this legacy to your children and theirs? The engrossing story of Chrystyna Zorych Holman's family touches on all these questions. As part of the third wave of Ukrainian immigration post WWII, they came to Canada as refugees. Her parents, both writers and activists, met at a rally for a free and democratic Ukraine, a cause they would champion even after their move to Canada. With their two young children in tow, Chrystyna and her baby sister Kvitka, they would make the incredible crossing of the Atlantic by boat to start a new life in Manitoba, only narrowly missing the Gulags. Despite harrowing beginnings, Holman's story is a tale of love, levity, and the beauty of community. Readers young and old will appreciate the intergenerational story she weaves as her family moves from Manitoba to Toronto to Charlottetown, recounting tales of her mother's acerbic wit in dealing with her young students, her father's rebuffs of her potential college beau, or her daughters bonding with her parents through the traditions they brought from home. Holman's tale involves a wide cast of characters from the Ukrainian Canadian community that congregated around her family and speaks to a world of invaluable Ukrainian cultural knowledge touching on everything from Christmas traditions, embroidery, and pysanky to the poems of women political prisoners in the USSR. It is sure to make a wonderful addition to the shelves of Ukrainian Canadians interested in their history or anyone looking for a more intimate sense of the multicultural fabric of Canadian society. **Welcome to Your New Life** Anna Goldsworthy, 2014-02-28 When classical pianist Anna Goldsworthy falls pregnant with her first child, she is both excited and anxious about what lies ahead. Should she indulge her craving for sausage after sixteen years without meat? Will her birth plan involve Enya or hypnosis or neither? And just how worried should she be about her baby falling into a composting toilet? This delightful memoir reveals the love that binds families together. **Welcome to Your New Life** captures the shock of leaving behind the life that you know and the thrill of starting the great adventure that is parenthood. This book does what great literature should: it tries to get a grip on life.
