Third Series](#) Library of Congress. Copyright Office,1963 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June **Journal of the United States Cavalry Association** ,1894 **Lady Macbeth of Mtsensk** Nikolai Leskov,2020-10-13 A new collection of the renowned Russian writer s best short work including a masterful translation of the famous title story Nikolai Leskov is the strangest of the great Russian writers of the nineteenth century His work is closer to the oral traditions of narrative than that of his contemporaries and served as the inspiration for Walter Benjamin s great essay The Storyteller in which Benjamin contrasts the plotty machinations of the modern novel with the strange melancholy but also worldly wise yarns of an older slower era that Leskov remained in touch with The title story is a tale of illicit love and multiple murder that could easily find its way into a Scottish ballad and did go on to become the most popular of Dmitri Shostakovich s operas The other stories all but one newly translated present the most focused and finely rendered collection of this indispensable writer currently available in English [Diaboliques](#) Jules Barbey d'Aureville,2015-10-08 With its six trenchant tales of perverse love Diaboliques proved so scandalous on its original appearance in 1874 that it was declared a danger to public morality and seized on the grounds of blasphemy and obscenity More shocking in our day is how little known this masterpiece of French decadent fiction is despite its singular brilliance and its profound influence on writers from Charles Baudelaire to Marcel Proust Oscar Wilde J K Huysmans and Walter Benjamin This new finely calibrated translation the first in nearly a century returns Jules Barbey d Aureville s signature collection to its rightful place in the ranks of literary fiction that tests the bounds of culture Psychologically intense in substance and style the stories of Diaboliques combine horror comedy and irony to explore the affairs and foibles of men and women whose aristocratic world offers neither comfort nor protection from romantic failure or sexual outrage Conquest and seduction adultery and revenge prostitution and murder all are within Barbey d Aureville s purview as he penetrates the darker recesses of the human heart Raymond N MacKenzie whose deft translation captures the complex expression of the original with its unique blend of the literary high and low also includes an extensive introduction and notes along with the first ever translation of Barbey d Aureville s late story A Page from History and the important preface to his novel The Last Mistress *Me and My Shadows* Lorna Luft,2015-12-21 The question follows Lorna Luft to this day What s it like to be Dorothy s daughter Although by appearances glamorous and truly thrilling growing up as the daughter of Judy Garland was anything but a journey over the rainbow With unsparing candor Lorna Luft offers the first ever insider portrait of one of Hollywood s most celebrated families a rare story of a little girl her half sister Liza and her baby brother trying desperately to hang on to

the mother whose life seemed destined to burn brightly but briefly Lorna makes an extraordinary journey back into the spiral of love addiction pain and loss that lurked behind a charmed facade Filled with behind the scenes dramas hilarious untold stories and little known details of Garland family life *Me and My Shadows* is a tribute to Lorna's victory over her own past a story of hope of love and its limitations and a deeply moving testament to the healing powers of embracing one's past and charting a course of self love and discovery
