My Sad Captains Thom Gunn, 1961 , *"The" Plays and Poems of William Shakespeare* William Shakespeare, 1844
Field Day Review Seamus Deane, Breandán Mac Suibhne, 2008-03 Talking about contemporary Ireland this work also looks at literary criticism fiction history politics and art *The Poetry of Thom Gunn* Stefania Michelucci, 2008-12-24 Thom Gunn served as a mouthpiece for his time illustrating the social cultural and historical transformations that have characterized western civilization from World War II until today Starting with theoretical premises drawn from philosophy anthropology and sociology this work examines Thom Gunn's entire poetic career In Gunn's early poetry the author argues the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear even in his sexual relationships In Gunn's later poetry the author notes a gradual opening to human relationships and to Nature which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality *Famous Lines* Robert Andrews, 1997 This scientific detective story is the first book which explains clearly the science used by paleontologists and the new cutting edge techniques that led to the discovery of Seismosaurus the longest dinosaur yet known and possibly the largest land animal to have ever lived Gillette's first person account of the project answers the most frequently asked questions about Seismosaurus How was it discovered How do we know it is a new species How did it die Part catalogue of the workings of paleontological science in the 1990s the book also illustrates the exciting collaboration between Gillette the chemists and physicists who helped to reconstruct Seismosaurus Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979 **New Selected Poems** Thom Gunn, 2025-06-25 A new selection of poems by the celebrated gay poet Thom Gunn has been described as one of the most singular and compelling poets in English during the past half century Times Literary Supplement Gunn was an Elizabethan poet in modern guise though there's nothing archaic quaint or sepia toned about his poetry His method was dispassionate and rigorous uniquely well suited for making a poetic record of the tumultuous time in which he lived Gunn's dozens of brilliantly realized poems about nature friendship literature sexual love and death are set against the ever changing backdrop of San Francisco the druggy politically charged sixties and the plague years of AIDS in the eighties Perhaps no contemporary poet was better equipped by temperament circumstance or poetic gift to engage the subjects of eros and thanatos than Thom Gunn This New Selected Poems compiled by his friend Clive Wilmer and accompanied by insightful notes is the first edition to represent the full arc of Gunn's inimitable career The Plays and Poems of William Shakspeare, with the Corrections and Illustrations of Various Commentators: Comprehending a Life of the Poet, and an Enlarged History of the Stage William Shakespeare, 1821 The Letters of Thom Gunn Thom Gunn, 2022-05-24 The Letters of Thom Gunn presents the first complete portrait of the private life reflections and relationships of a maverick figure in the history of British and American poetry I write about love I write about friendship

remarked Thom Gunn I find that they are absolutely intertwined These core values permeate his correspondence with friends family lovers and fellow poets and they shed new light on one of the most singular and compelling poets in English during the past half century Hugh Haughton The Times Literary Supplement The Letters of Thom Gunn edited by August Kleinzahler Michael Nott and Clive Wilmer reveals the evolution of Gunn s work and illuminates the fascinating life that informed his poems his struggle to come to terms with his mother s suicide settling in San Francisco and his complex relationship with England his changing relationship with his life partner Mike Kitay the LSD trips that led to his celebrated collection Moly 1971 and the deaths of friends from AIDS that inspired the powerful unsparing elegies of The Man with Night Sweats 1992

Thom Gunn Michael Nott, 2024-06-18 A no holds barred biography of the great poet and sexual rebel who could give the dead a voice make them sing Hilton Als The New Yorker Thom Gunn was not a confessional poet and he withheld much but inseparable from his rigorous formal poetry was a ravenous acute experience of life and death Raised in Kent England and educated at Cambridge Gunn found a home in San Francisco where he documented the city s queerness the hippie mentality and drug use of the sixties and the tragedy and catastrophic impact of the AIDS crisis in the eighties and beyond As Jeremy Lybarger wrote in The New Republic the author of Moly and The Man with Night Sweats was an agile poet who renovated tradition to accommodate the rude litter of modernity Thom Gunn A Cool Queer Life chronicles for the first time the largely undocumented life of this revolutionary poet Michael Nott a coeditor of The Letters of Thom Gunn draws on letters diaries notebooks interviews and Gunn s poetry to create a portrait as vital as the man himself Nott writes with insight and intimacy about the great sweep of Gunn s life his traditional childhood in England his mother s suicide the mind opening education he received at Cambridge reading Shakespeare and John Donne his decades in San Francisco and with his life

partner Mike Kitay and his visceral experience of sex drugs and loss Thom Gunn *A Cool Queer Life* is a long awaited landmark study of one of England and America's most innovative poets
