Growing through the Storm Sheila Malsam,2022-04-19 So often we think God doesn t hear us during our struggles when we cry out to Him Like many after praying and not getting a response I thought it was up to me to find the solutions and answers to struggles I encountered As a result of my ignorance I replaced God and His power with what I thought were answers that weren t the answers after all Growing through the Storm is a story of triumphs and lessons learned while trying to find solutions to unwanted circumstances during not one but two troubled marriages I share how I clung to attachments such as doubt fear worry self pity blame insecurity and unworthiness that kept me from receiving what God had in store for me I share how God revealed Himself to me through the storm and how He used my pain to grow me stronger wiser and more confident of His love which led me to an awakening in my spirit and a personal relationship with our Lord Unfortunately many of us are guilty of living the life that I used to live If that s you it doesn t have to be this way I invite you to take a journey with me by reading my story and trusting that you too can be made anew strengthened and blessed by turning to Jesus surrendering your all to Him and discovering His amazing grace and love He has for you Growing through the Storm includes points to ponder at the end of each chapter with thought provoking questions and comments including scripture and prayer for personal reflection I pray my story infuses your heart to put your hope in Jesus and His promises to believe With God all things are possible as promised in Matthew 19 26 NIV when asked according to His will in His name Be blessed and be a blessing

Through the Eyes of a Storm Mark A. McSwain, 2011-07-29 Mark's world was rocked in December of 2007, just a week before Christmas. At the age of forty-four, he was diagnosed with very serious cancer. On the day following his cancer diagnosis, his father-in-law was killed in a tragic accident at work. The lessons learned through his journey are the principles laid out in this book. It is the author's desire to provide encouragement and hope for anyone going through a storm in their life, whether it is cancer or some other unexpected crisis. The author reveals the ups and downs, the trials and heartaches, as well as the victories and joys of a journey through a crisis. Not only is the reader reminded that there is life after a crisis, there is also life during the crisis. Storms can be horrible and destructive, but they cannot, by their nature, last forever. A new day is coming. This book can help you to see that and to begin picking up the pieces and moving forward.
