

It's Not Easy Being a Stepmom

Let's get a few things straight. I adored Snow White. I will do whatever you've heard—that I was an "evil stepmother" who tried to harm her—is completely false. Everything I did, I did for her own good. And when I tell my side of the story, I know you'll believe me.

First of all, unless you've raised a teenage girl yourself, you have no idea what an ordeal it can be. Teenage girls are *icky*. They're impulsive. They eat junk. They dress like gypsies. And they need constant supervision, because they're *icky* crazy. Snow White was a typical teen. Maybe you've heard differently. But if there's one thing I'm known for, it's being a straight shooter.

Second, I was *just* stepmother. Stepmothers have a bad reputation. They're often called "evil," or "wicked." For some reason, the world hates them. Why? I don't know.

But I do know this: a "real" mother can get testy every now and then, and nobody raises an eyebrow. But if a stepmother loses her temper just once, it's on the front page of *The Malicious Times*.

Finally, I'm a widow. I'm not asking for your sympathy, believe me. But when my husband died, I was left to raise Snow White—all by myself. I was a hardworking single parent who didn't get a speck of help from anybody. And when things went wrong, I got all the blame. Read on and see for yourself.
