My Sister Victoria:

My Sister, Victoria Charlotte Moore, 2000 Ruth is plain cheerful and robust a vicar's daughter with a normal life Her best friend is her beautiful cousin an only child with a dark past As Ruthie grows up and their lives start to separate out she realises how her friendship with her cousin has underpinned her life **Nip 'n' Tuck** Kathy Lette, 2024-06-20 Journalist Lizzie McPhee has always thought of beauty as a case of mind over matter if you don't mind it doesn't matter But all that changes when she begins the countdown towards the big 40 Suddenly she's comparing her butt buoyancy to that of women on billboards and worrying about wrinkles But the pitter pitter pat of tiny crow's feet is soon the least of Lizzie's worries In the space of twenty four hours she is replaced as news anchor by a young himbo who keeps fit by doing step aerobics off his own ego And then she catches her surgeon husband Hugo cheating with catty soap actress Britney Amore a woman whose bra cup size is bigger than her IQ Suddenly Lizzie is in free fall Can she turn back the clock and win back her life Or will she discover there's a better way to grow older gracefully Praise for Kathy Lette Fabulous fast paced funny unapologetically female Nobody does it better **DEBORAH FRANCES WHITE THE GUILTY FEMINIST** Deliciously rude and darkly funny but with compassion and humanity at its heart Read with relish **NICOLE KIDMAN** Kathy Lette can turn from raunchy farce to the most tender emotion in a trice **STEPHEN FRY** *Children in Care in Colombia* Cecilia Munoz Vila, 2020-03-31 This book documents research and therapeutic work carried out with children and adolescents living in social care or disturbed family circumstances in Bogota Colombia The children aged from two onwards were seen by clinical psychologists from Javeriana University in a programme developed by Cecilia Munoz Vila in conjunction with the Colombian Institute of Social Welfare The research model used is based on The child in the family in the community by Donald Meltzer and Martha Harris and the methods used by the therapists include play drama drawing singing and other modes of inviting the children's own creative cultural responses to help express and work through their difficult situations Many of the children and young people had experienced not only familial disruption but violence ranging from murder of a parent to recruitment into guerrilla bands However their psychic struggles have a universal relevance and were treated or explored in an intensely empathic and mutually educative way by their young therapists resulting in moving stories of the individual's capacity to grasp developmental opportunities **"The Mysteries of the People", or History of a Proletarian Family Across the Ages** Eugène Sue, 2018-08-27 The Mysteries of the People or History of a Proletarian Family Across the Ages original in French *Les Mystères du peuple* 1849 1856 was suppressed by the censor in 1857 and several others all on a very large scale though the number of volumes gives an exaggerated idea of their length Some of his books among them The Wandering Jew and The Mysteries of Paris were dramatised by himself usually in collaboration with others His period of greatest success and popularity coincided with that of Alexandre Dumas with whom he has been compared Excerpt from Wikipedia *Favorite Arcellana Stories* Francisco Arcellana, 2009 It is a selection of some twenty nine Arcellana short stories written and published
