**The Wizard's Son (Complete)** Margaret Oliphant Wilson Oliphant, 2020-09-28 The Methvens occupied a little house in the outskirts of a little town where there was not very much going on of any description and still less which they could take any share in being as they were poor and unable to make any effective response to the civilities shown to them The family consisted of three persons the mother who was a widow with one son the son himself who was a young man of three or four and twenty and a distant cousin of Mrs Methven's who lived with her having no other home It was not a very happy household The mother had a limited income and an anxious temper the son a somewhat volatile and indolent disposition and no ambition at all as to his future nor anxiety as to what was going to happen to him in life This as may be supposed was enough to introduce many uneasy elements into their joint existence and the third of the party Miss Merivale was not of the class of the peacemakers to whom Scripture allots a special blessing She had no amiable glamour in her eyes but saw her friends' imperfections with a clearness of sight which is little conducive to that happy progress of affairs which is called getting on The Methvens were sufficiently proud to keep their difficulties out of the public eye but on very many occasions unfortunately it had become very plain to themselves that they did not get on It was not any want of love Mrs Methven was herself aware and her friends were in the constant habit of saying that she had sacrificed everything for Walter Injudicious friends are fond of making such statements by way it is to be supposed of increasing the devotion and gratitude of the child to the parent but the result is unfortunately very often the exact contrary of what is desired for no one likes to have his duty in this respect pointed out to him and whatever good people may think it is not in itself an agreeable thought that sacrifices have been made for one and an obligation placed upon one's shoulders from the beginning of time independent of any wish

or claim upon the part of the person served The makers of sacrifices have seldom the reward which surrounding spectators and in many cases themselves think their due Mrs Methven herself would probably have been at a loss to name what were the special sacrifices she had made for Walter      *The Wizardwar* Elaine Cunningham,2011-12-27 In the closing installment of the Counselors Kings trilogy Matteo and his companions face old enemies in an explosive final showdown Defeat breeds anger Hatred breeds revenge Once again the counselors of Halruaa have beaten back an attack by the wizard Akhlaur And once more the kingdom has been saved from its enemies Their victory comes at a terrible price The aged king is weakened his powers diminished His chief counselor Matteo is torn between his duty and his heart Tzigone the underdog heroine of the battle of Akhlaur s Swamp has been hurled into a dark world from which she may never escape And at the edge of time Akhlaur and his ally Kiva the Magehound plot their final revenge      **Hans and Fritz** Reginald Kinnaman,1904      **THE BLUE ROSE FAIRY BOOK - 12 magical fairy tales for children** Maurice Baring,2020-03-17 The BLUE ROSE FAIRY BOOK part compiled and part written by Maurice Baring contains 12 children s fairy tales These are The Glass Mender The Blue Rose The Story Of Vox Angelica And Lieblich Gedacht The Vagabond The Minstrel The Hunchback The Pool And The Magic Ring The Silver Mountain The Ring The Merchant s Daughter The Cunning Apprentice Orestes And The Dragon and The Wise Princess The stories are further brought to life by the 12 full page colour illustrations by an unknown artist But why The Blue Rose Fairy Book In nature there is natural absence of blue roses They have come to symbolise mystery and a longing to attain the impossible with some cultures going so far as to say that the holder of a blue rose will have his wishes granted And so we have a book full of magical stories of Kings and Queens Princes and Princesses dragons gypsies and much much more Don t be surprised that when you have finished reading your young ones a story from this magical book that you feel a small tug at your sleeve with a request for nutther please 10% of the profit from the sale of this book will be given to charities KEYWORDS TAGS Blue Rose Fairy Book Angelica beautiful bedtime stories beggar castle childrens books childrens stories Cornet cottage country d Amore Daphne daughter disappeared dragon Elfrida Elsa Emerald expectant mothers fables face fairy tales fisherman flowers folklore forest Frantz Lieblich Gedacht Golden Hautboy Heartsease horse hunchback huntsmen India island Ivan the King s Son Johan King kingdom legends lovely married merchant minstrel money mother Mountain mothers with children mothers to be myths nobody Orestes palace parents with children parents to be pipe pool Prince Princess Queen quest Quint Rainbow Ring Rose sea Silver Simple Simon sang sisters Snowflower Song Spring strange storyteller sun Sweetbriar trees vagabonds village Vox wedding white wicked wise Windflower wizard woods world
