

*Loving memories of my very
Special Dad*

On Fathers Day

I often lie awake at night

While others are asleep

I take a walk down memory lane

With tears upon my cheek

No one knows the heartache

I try so hard to hide

No one knows the many times

I've broken down and cried

We shared so many happy times

We shared some sad times too

But the saddest day in my life

Was the day I lost you.

God bless and keep you

DAD

Thinking of you today and always

My Special Father And Me

My Special Father And Me:

My Special Place Deanne Winter, 2008-01-14 *My Special Place* is a story of a young girl living in a world of naivety in a deeply dysfunctional family from Massachusetts. As she grows, she does not understand the realities of life and soon she finds these realities shattering her unawareness of what life has to offer. The story takes you through her younger years to her developmental years as a teenager and into adulthood, searching her life for the meaning of family love. This young girl is a story told about my life as I remember it to be. I share myself with the reader in hopes that they may see a piece of themselves at a time in their own life when these unseen factors made them the person they are today. **Father-Daughter**

Relationships Linda Nielsen, 2012 How fathers affect their daughters' social, academic, intellectual, athletic, and psychological development is then considered. Factors that can weaken father-daughter relationships, such as divorce, are explored from various theoretical perspectives in chapters 5 and 6. Father-daughter relationships of racial or ethnic minorities and an array of potentially destructive situations that affect these relationships are the focus of chapters 7 and 8. The impact of fathers who are incarcerated, abusive, alcoholics, gay, or sperm donors are considered. The book concludes with suggestions on where we go from here. **My Father and Me** Michael A. Bertola, 2021-04-08 *My Father and Me* is an autobiographical story that incorporates some of my most cherished memories that I have chosen to share with the reader, which is filled with love, a smidgen of danger, and good old-fashioned family values. It all starts in Sicily, Italy, in 1896. Families were migrating to America for a better life, as harsh economic times were felt by all. My father, Frank, starts a gambling house, and it becomes quite successful. The mob steps in, and things get dicey. Frank must figure a way out, or else. The family's many activities and interactions sometimes lead to unexpected consequences. While the stories of my experiences growing up are lively and delightful, the stories from my dad and those from friends and family are heartwarming stories of respect and most of all, love.

My Father's Girlfriend Mac-Jane Chukwu, 2015-02-20 *My Father's Girlfriend* is a fantastic resource that comes with the full package: intrigue, suspense, love, and family bonding. It tells the tale of how a young Nigerian woman who found herself in the United States survives being raped and overcomes the challenges society throws on her. Surprise! Somkenechi struggles with her faith and doubts the teachings of her late mother about chastity and God. At the end, will she renege on her belief that God has a plan for her life? What is her next move in her constantly changing life? Find out more as real-life experiences on love, sex, family, and God are explored. **My Father's Shadow** P. M. Smith, 2019-03-19 Vanessa Collins has known her life's destiny since she was a child. Now, as an adult, Vanessa is on the verge of fulfilling the very purpose for which she was created. Before she can carry out this purpose, God creates events that cause her to deal with her deceased father's ideologies, her older brother's huge sense of entitlement, and the biggest test of all: facing her own faults and insecurities. *On My Father's Wings* Michael Shirima, 2022-09-06 If you start slowly from the beginning, there is only one direction you can go: up. Michael Shirima is an exceptional figure whose perseverance and stalwart principles of faith, family, and friends contributed

to his astounding and inspirational career navigating the inherent challenges and obstacles of the air transport industry in Africa In this candid and riveting memoir we discover the thrilling journey of an aircraft performance engineer turned serial entrepreneur who after resigning from an executive position in a national airline began his private career trading coffee and other commodities culminating in his founding of Precision Air Tanzania s largest privately owned and premier airline in 1993 But more than just a catalog of his mistakes and successes this is also the story of a son guided by the wisdom of his father the story of a devoted husband and the story of a loving father to his own children as well as to those at the orphanage he founded at the base of Kilimanjaro Richly observed and suffused with humility and ingenuity On My Father s Wings equips us with important life lessons on the value of taking risks being kind to everyone no matter what age race status or gender they are and to never lose sight of what s most important in life from one of the most influential figures in the aviation industry to remind us why we fly **A Dictionary of Hymnology** John Julian,1892 **The Best American Short Stories**
