The Life of G. Lopez Francis Cuthbert DOYLE,1876 *The Life of Gregory Lopez* Francis Cuthbert Doyle,1876 *Zion's Works. Homiletical Hints ... and Lists of Writers on Each Psalm**,1882 **The Christian Literary Imagination** Michael Scott,Michael J. Collins,2024-09-24 What is the Christian literary imagination That question was put to the writers who have contributed to this collection of essays They were asked in answering it to choose and write about a work of literature that seemed to them to illustrate one of the varied ways in which the Christian imagination sees the world to define by example the meaning of the term A variety of beliefs or indeed unbeliefs are expressed by the contributors and authors they selected to discuss But what the essays have in common is an inquiry into the nature of belief and the means by which the reader's imagination can itself be stirred through the work of the author under discussion The book is structured chronologically with essays on literature ranging from Anglo Saxon England to 21st Century America but the contributors show a freedom of movement and reference across the centuries in their essays sometimes deliberately juxtaposing the historical with the contemporary What emerges from the collection is a shared inquiry into the enduring Christian vision of God's engagement with the world

The Senses in Religious Communities, 1600-1800 Nicky Hallett,2016-03-03 Offering a comprehensive analysis of newly uncovered manuscripts from two English convents near Antwerp this study gives unprecedented insight into the role of the senses in enclosed religious communities during the period 1600 1800 It draws on a range of previously unpublished writings chronicles confessions letters poetry personal testimony of various kinds to explore and challenge assumptions about sensory origins Author Nicky Hallett undertakes an interdisciplinary investigation of a range of documents compiled by English nuns in exile in northern Europe She analyzes vivid accounts they left of the spaces they inhabited and of their sensory architecture the smells of corridors of diseased and dying bodies the sights and sounds of civic and community life its textures and tastes their understanding of it in the light of devotional discipline This is material culture in the raw providing access to a well defined locale and the conditions that shaped sensory experience and understanding Hallett examines the relationships between somatic and religious enclosure and the role of the senses in devotional discipline and practice considering the ways in which the women adapted to the austerities of convent life after childhoods in domestic households She considers the enduring effects of habitus in Bourdieu's terms the residue of socialised subjectivity which was or was not transferred to a contemplative career

To this discussion she injects literary and cultural comparisons considering inter alia how writers of fiction and of domestic and devotional conduct books represent the senses and how the nuns own reading shaped their personal knowledge The Senses in Religious Communities 1600 1800 opens fresh comparative perspectives on the Catholic domestic household as well as the convent and on relationships between English and European philosophy rhetorical medical and devotional discourse **The Return to the Mystical** Peter Tyler,2011-06-16 The most recent mystical theology scholarship a discipline that has found new energy and influence This is examined through the lens of Wittgenstein s philosophy

Discourses Through the Mediumship of Mrs. Cora L. V. Tappan Cora Linn Victoria Scott] [Richmond,1875 *Spiritual Magazine* ,1863 *So Longeth My Soul* Joanna Collicutt,2024-06-30 Students of Christian spirituality often have an ambivalent attitude to primary sources from the past On the one hand they are intrigued by the mysterious otherness of their and the promise that this very otherness may take them into exciting uncharted territory On the other hand they lack the confidence to navigate this territory so that what begins as strangely intriguing can quickly become just too weird The SCM Reader in Christian Spirituality not only offers a collection of readings from the classic texts of Christian spirituality but also gives the reader a way into these texts that enables them to be received as living and relevant for both personal spirituality and ministry An introductory section guides the student through the process and offers techniques for approaching these often ancient texts The Reader then presents readings from the patristic to the end of the early modern period encompassing both the Eastern and Western church traditions grouped around key themes and including extensive notes and contextual material *Good Night God* Holly Bea,2011-12-20 Beautifully illustrated with jewel tone paintings *Good Night God* is a restful story sure to soothe a tired child to sleep Starting with the setting of the sun and the ending of a day a young boy starts his nighttime rituals that include bidding good night to all his favorite and familiar animal friends and his parents Ending with a child s anticipation of another day filled with adventure the young boy shares a special goodnight prayer with his Creator *Good Night God* is the third collaborative effort from best selling author and illustrator duo Holly Bea and Kim Howard Their first project *Where Does God Live* has sold more than 125 000 copies *Good Night God* is a warm and comforting story filled with nighttime rituals and bedtime preparations that children can relate to Way of the Peaceful Warrior (Volume 2 of 2) (EasyRead Super Large 24pt Edition) ,
