Reflective Poetry Shannon K. Mazurick, 2010-07-27 Reflective Poetry Petals of the Heart is Mazurick's second published book. It is a collection of Mazurick's poetry. In this book, she reflects on her personal experiences, her thoughts, and her feelings. She also reflects on life, emotions, people, movies, dreams, animals, historical people, and historical events. She wrote this book to remind others to take time to reflect. Life is a gift, and reflection is a part of self-growth. [The Single Mum's Wish List](#)

Charlene Allcott, 2019-01-24 One of the freshest, funniest, most exciting new voices I've read for a long time. JANE FALLON. Fresh and funny and REAL. Martha really spoke to me. She will steal everyone's heart. VERONICA HENRY. Beautifully written and emotionally intelligent. I rooted for Martha from the start. Daily Mail Meet Martha Ross. She dreams of being a singer, but she's been working in a call centre for far too long. She's separating from her husband, the father of her son. And she's moving back home to her parents as a single mum, toddler in tow. Life has thrown her a few lemons, but Martha intends to make a gin and tonic. It's time to become the woman she's always wanted to be. And at least her mum's on hand to provide childcare and ample motherly judgement, of course. Soon Martha realises that in order to find lasting love and fulfilment, she needs to find herself first. But her attempts at reinvention, from writing a definitive wish list of everything she wants in a new man to half-marathons, business plans, and meditation retreats, tend to go awry in the most surprising of ways. A warm, vibrant, and painfully funny novel for fans of *Why Mummy Drinks* Fiona Gibson and *Lucy Vine*. Also published as *The Reinvention of Martha Ross*.

Prelude to Ascension Janet McClure, 1995-06-01 Light Technology Publishing proudly presents the previously unpublished, except as transcriptions sold by the Tibetan Foundation, work of Janet McClure. Ranging from her channeling of the Tibetan through the final epochal new material delivered before she left her body, this information is of immense value and timeliness. Vywamus through Janet McClure and Lillian Harben of the worldwide Tibetan Foundation in Phoenix, Arizona, focused on these three points: New information to help us understand the new reality and our expanded potential; Clearing techniques to release false belief systems to allow the soul more room to begin to function in the third dimension; Channeling techniques, the process and practice of channeling, which allows a deeper connection to the channeler's soul, god, self, thus is an extremely powerful tool for personal transformation and for helping others. **The Complete**

Works of C. H. Spurgeon, Volume 15 Spurgeon, Charles H., 2015-02-25 Volume 15 Sermons 848-907 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the Prince of Preachers, he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel, later the Metropolitan Tabernacle in London, for 38 years. He was an inexhaustible author of various kinds of works, including

sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon **Love Comes in Many Colors** Virginia Merritt
