Ferguson, 2012-04-17 Bohemian egoist and prophet of sensualism Henry Miller remains to many writers and readers a literary lion Born in Brooklyn in 1891 son of a tailor of German extraction Miller would embrace a freewheeling existence that carried him through umpteen jobs and sexual encounters providing rich source material for the novels he would write Greenwich Village and Paris in the 1920s offered rich pickings as did Miller's ten year affair with Anaïs Nin But he was 69 before *Tropic of Cancer* was legally published in the US and made him famous almost 30 years from its composition and long after his peers had devoured it in contraband French editions Robert Ferguson reveals Miller as a amalgam of vulnerability and insouciance who endured thirty years of official opprobrium but won the respect of Orwell T S Eliot and Lawrence Durrell and readers by the thousand This impressive biography is good dirty fun Observer Engaging and perceptive Economist Lively and entertaining J G Ballard **Henry Miller** David Stephen Calonne, 2014-08-15 As an author Henry Miller 1891 1980 was infamous for his explicit descriptions of sex and many of his novels from *The Tropic of Cancer* to *Black Spring* were banned in the United States on grounds of obscenity But his books frequently smuggled into his native country became a major influence on the Beat Generation of American writers and would eventually lead to a groundbreaking series of obscenity trials that would change American laws on pornography in literary works In this new critical biography David Stephen Calonne goes beyond Miller's notoriety to take an innovative look at the way in which the author's writings and lifestyle were influenced by his spiritual quests Charting Miller's cultivation of his esoteric ideas from boyhood and adolescence to later in his career Calonne examines how Miller remained deeply engaged with a variety of philosophies from astrology and Gnosticism to Eastern thinkers Calonne describes not only the effects this had on Miller's work but also to his complex and volatile life his marriages and love affairs with Beatrice Wickens June Mansfield and Anaïs Nin his years in Paris and the journey to Greece that resulted in the travelogue *The Colossus of Maroussi* the book Miller considered to be his greatest work After discussing Miller's final residences in Big Sur and the Pacific Palisades in California Calonne considers the author's involvement in the arts love of painting and music and friendships with a number of classical musicians Miller Calonne reveals was a quirky charismatic man of genius who continues to influence popular culture today Highlighting many areas of the author's life that have previously been neglected Henry Miller takes a fascinating revisionary approach to the work of one of American's most controversial and iconic writers From Your Capricorn Friend Henry Miller, Irving Stettner, 1984 Presents the best of Miller's contributions to *Stroker* magazine which included prose letters and drawings

ranging in subject matter from his daily activities to Isaac Bashevis Singer's Nobel Prize acceptance speech *The Accidental Anthropologist* Michael Jackson, 2013-12-16 Journeys through the Congo Sierra Leone and Outback Australia in an inventive memoir by a Commonwealth Poetry Prize winning ethnographer *The Accidental Anthropologist* is a fascinating impeccably written memoir or more accurately a series of fragments Compelling and absorbing as well as intense and insightful Jackson writes a far from classically autobiographical text There is nothing predictable about the mode or incidents he has chosen to write about this is literary memoir at its best and most inventive Jackson has a fascination with the concept of personal metamorphosis the idea that a life can be dismantled and reassembled in a different country and set of relationships And throughout the story the author makes a pretty good fist of living the theory Jackson's experiences begin with his earnest portrayal of young adulthood in Wellington where he associates on the fringes with many of the literary figures of the early 1960s Bob Lowry Fleur Adcock James K Baxter R A K Mason and the artist McCahon Jackson finds himself homeless in London where he's drawn to help the poor and eventually finds his way to Cambridge where he stumbles upon anthropology His subsequent ethnographic fieldwork takes him to the Congo Sierra Leone and outback Australia Jackson makes it clear that our lives are barely our own they belong as much to the people the landscapes the influences of thought and ideology that absorb us He excels at the intensely personal and captivates with this masterful work *The Accidental Anthropologist* is a challenging and magnificent memoir much of it is spellbinding astute and disquieting Paris on the Brink Mary McAuliffe, 2018-09-13 *Paris on the Brink* vividly portrays the City of Light during the tumultuous 1930s from the Wall Street Crash of 1929 to war and German Occupation This was a dangerous and turbulent decade during which workers flexed their economic muscle and their opponents struck back with increasing violence As the divide between haves and have nots widened so did the political split between left and right with animosities exploding into brutal clashes intensified by the paramilitary leagues of the extreme right Hitler Stalin and Mussolini escalated the increasingly hazardous international environment while the civil war in Spain added to the instability of the times Yet throughout the decade Paris remained at the center of cultural creativity Major figures on the Paris scene such as Gertrude Stein Ernest Hemingway Andr Gide Marie Curie Pablo Picasso Igor Stravinsky and Coco Chanel continued to hold sway in addition to Josephine Baker Sylvia Beach James Joyce Man Ray and Le Corbusier Simone de Beauvoir and Jean Paul Sartre could now be seen at their favorite caf's while Jean Renoir Salvador Dal and Elsa Schiaparelli came to prominence along with France's first Socialist prime minister Leon Blum Despite the decade's creativity and glamour it remained a difficult and dangerous time and Parisians responded with growing nativism and anti-Semitism while relying on their Maginot Line to protect them from external harm Through rich illustrations and evocative narrative Mary McAuliffe brings this extraordinary era to life

Literary Seductions Frances Wilson, 2014-07-15 We have all surrendered ourselves to the world that writing creates Eudora Welty once observed that her mother read the works of Charles Dickens in the same spirit with which she would have

eloped with him Some of us remember our first novel with more pleasurable vividness than our first kiss Many of us go to on line chat rooms looking for love with our keyboard And most of us have tried to seduce with words reciting that Shakespeare sonnet or composing that Valentine s Day poem with tremulous hope All writing seeks to ensnare the reader in its embrace As Frances Wilson also proves in this engaging enlightening and provocative new book writing can also ensnare the writers themselves Highlighting the lives and loves of celebrated literary couples Literary Seductions reveals the depth of their passion for language their own as well as their partner s Taking as a point of departure the legendary courtship of Robert Browning and Elizabeth Barrett a courtship conceived on the printed page Wilson explores how easily how seductively literary desire becomes sexual desire and vice versa Literary seductions she writes are violent extreme and irreversible Not all reading seduces not all writing inflames But when they do what is written ceases to be merely an arrangement of symbols on a page The word has been made flesh Lady Caroline Lamb and Lord Byron Ana s Nin and Henry Miller Laura Riding and Robert Graves Osip and Nadzheda Mandelstam W B and Georgie Yeats were all in the grip of a compulsion for writing and reading enmeshed in words Miller called his relationship with Nin a literary fuck fest for Riding and Graves it took on the self destructive and self conscious melodrama of a Russian novel for the Mandelstams it was a life giving if self sacrificing bond in a precarious world for George and W B Yeats it offered sexual stimulus The couplings of verbs and nouns do more than precede coupling they comprise it Literary Seductions is itself a seductive book The elegant power of Wilson s arguments the rigor of her research and the delights of her prose enthrall the reader Here is intellectual engagement and readerly pleasure rolled into one

Writing an Icon Anita Jarczok,2017-02-15 Ana s Nin the diarist novelist and provocateur occupied a singular space in twentieth century culture not only as a literary figure and voice of female sexual liberation but as a celebrity and symbol of shifting social mores in postwar America Before Madonna and her many imitators there was Nin yet until now there has been no major study of Nin as a celebrity figure In Writing an Icon Anita Jarczok reveals how Nin carefully crafted

her literary and public personae which she rewrote and restyled to suit her needs and desires When the first volume of her diary was published in 1966 Nin became a celebrity notorious beyond the artistic and literary circles in which she previously had operated Jarczok examines the ways in which the American media appropriated and deconstructed Nin and analyzes the influence of Nin's guiding hand in their construction of her public persona The key to understanding Nin's celebrity in its shifting forms Jarczok contends is the Diary itself the principal vehicle through which her image has been mediated Combining the perspectives of narrative and cultural studies Jarczok traces the trajectory of Nin's celebrity the reception of her writings The result is an innovative investigation of the dynamic relationships of Nin's writing identity public image and consumer culture
