Robert Bridges

My Friendly Contemporaries :

A Summer to Be Isabel Garland Lord,2010-04-01 Lord writes an honest and revealing memoir of what it was like to grow up in the shadow of her famous father the pioneering realist Hamlin Garland whose first collection of stories Main Travelled Roads 1891 shocked the nation in its unabashed portrait of harsh Midwestern farms Life of Eleuthère Irénée Du Pont from Contemporary Correspondence Bessie Gardner Du Pont,1926 **1859-1883** Edward FitzGerald,1894

Letters of Edward FitzGerald ... Edward FitzGerald,1907 **Letters** Edward FitzGerald,1910 **American History Told by Contemporaries** Albert Bushnell Hart,1928 **The Cliff-Dwellers** Henry Fuller,2010-05-07 The Cliff Dwellers was the first American realist novel to use the rapidly developing city of Chicago as its setting Henry Blake Fuller s depiction of social climbing and human depravity among the cliff dwelling residents and workers in the new Chicago skyscrapers shocked readers of the time and influenced many American writers that followed With its frenetic pace and many interrelated stories it remains a compelling document of Chicago s social history as well as a searing indictment of modern American life at the close of the nineteenth century The extensive appendices to this edition include Fuller s literary criticism and his correspondence about the novel reviews and visual and historical materials on turn of the century Chicago and literary realism Philosophical Problems Peter Alward,2017-06-15 Peter Alward s rigorous introductory text functions as a roadmap for students laying out the key issues positions and arguments of academic philosophy The book covers central topics in metaphysics epistemology ethics and political philosophy An introductory chapter presents the foundations of philosophical discourse and offers a primer on the basics of logic Those argumentative tools are then employed to address classic philosophical issues such as the relationship between body and mind skepticism the possibility of free will and the existence of God Later chapters engage issues of morality justice and liberty as well as moral questions concerning abortion and the practice of punishment Throughout Alward aims for clarity providing summaries diagrams and reflective questions to assist the student reader Hamlin Garland Jean Holloway,2014-12-15 Hamlin Garland s Main Travelled Roads is recognized as one of the early landmarks of American literary realism But Garland s shift in mid career from the harsh verisimilitude of Prairie Folks and Prairie Songs to a romanticizing of the Far West and from ardent espousal of the principles of veritism to violent denunciations of naturalism is a paradox which has long puzzled literary historians In tracing the evolution of Garland s work the various reactions of his stories under the influence of editorial comment and of contemporary critical reaction Jean Holloway suggests that the Garland apostasy was an illusion produced by his very intellectual immobility amidst the swirling currents of American thought His extensive correspondence with Gilder of the Century Alden of Harper s Monthly McClure of McClure s and Bok of the Ladies Home Journal is adduced in support of the thesis that the writer s choices of subject and of treatment were psychologically forced rather than conditioned primarily by literary theory As a subject for biography however Garland has an appeal far beyond the scope of his literary influence The friendships of

this gregarious peripatetic with the famous began with Howells Twain Whitman and Stephen Crane stretched down the years to include such younger men as Bret Harte and Carl Van Doren and crossed the seas to embrace such British literary lions as Barrie Shaw and Kipling Garland's fervent espousal of causes the Single Tax Movement psychic experimentation Indian rights brought him into close contact with other prominent men Henry George Theodore Roosevelt and William Jennings Bryan These public figures form the incidental characters in Garland's spate of autobiographical works Yet it is the central figure of his own story which has become permanently identified with the Middle Border that region between the land of the hunter and the harvester which Augustus Thomas defined as wherever Hamlin Garland is In *A Son of the Middle Border* Garland nostalgically recreated his boyhood on the frontier and regardless of the detractions of literary critics preserved for posterity an important segment of American social history

Contemporary Authors: 1945 to the Present Britannica Educational Publishing, 2013-06-01 Contemporary literature encompasses so many genres literary forms and themes that it would seem almost impossible to identify a unifying thread between them Yet in the tradition established by literary heavyweights who came before modern writers of all stripes and backgrounds have continued to entertain and to confront the social cultural and psychological realities of the times including everything from racial identity to war to technology with their own flair and insight The diversity of authors profiled herein from Toni Morrison to Sylvia Plath to Stephen King to David Foster Wallace attests to the scope and complexity of modern society

Robert Bridges and Contemporary Poets Robert Bridges, 1906

Robert Bridges and contemporary poets Alfred Henry Miles, 1898

Letters & Literary Remains of Edward FitzGerald Edward FitzGerald, 1903

Letters & Literary Remains of Edward FitzGerald: Letters Edward FitzGerald, 1903

Selected Letters of Hamlin Garland Hamlin Garland, 1998-01-01 Hamlin Garland a Pulitzer Prize winner and author of more than forty books was a central figure in American literary life for half a century He was intimately involved with many of the major literary social and artistic movements in American culture and his extensive correspondence with the intellectual leaders of American culture was almost unparalleled in scope This volume brings together a rich representative sample of Garland's letters They are addressed to an impressive roster of individuals Samuel Clemens William Dean Howells Walt Whitman Zona Gale Theodore Roosevelt Van Wyck Brooks Howard Mumford Jones Brander Matthews Stephen Crane George Washington Cable and many others The letters touch on an equally broad range of subjects from the U S government's reprehensible treatment of Native Americans to environmental issues to the major literary figures and controversies of Garland's day Frank opinionated and wide ranging Garland's letters provide a valuable and entertaining portrait of American cultural and intellectual life in the years between 1890 and 1940

Famous Wisconsin Authors James P. Roberts, 2002-04 From Aldo Leopold to Zona Gale here are the profiles of 35 Famous Wisconsin Authors Meet Native American authors as well as poets novelists and contemporary authors

Joseph Conrad Martin Ray, 2007 This bibliography the first volume in the new Conrad Studies series published in cooperation with The Joseph

Conrad Society UK collects and annotates impressions and memories of Joseph Conrad by his family friends and acquaintances. It covers full length memoirs as well as newspaper and magazine articles and in its wide sweep offers abundant details about the novelist's personality and life. Of particular value is Martin Ray's emphasis on difficult to trace items and the in depth coverage of Conrad's trip to the United States in the spring of 1923. An essential tool for the scholar this book can also be read with pleasure for the light it throws on Conrad the man. Wisdom Poems - A Compendium of 120 Poems on Contemporary life Sriram Muthukrishnan, 2020-10-27 From the corporate executive to the street vendor everyone wants unlimited wealth status and affluence in life. But in that process most of us also forget to live our lives. In the rat race towards high career growth and achievement we lose touch with our family for whom we are earning the money and life style in the first place. We fail to relax and enjoy the small things in life and are perennially under different kinds of stress. This book talks about what are the life's aspects you could miss through the eyes of a high end IT executive in a MNC. *African Settings in Contemporary American Novels* Dave Kuhne, 1999-05-30 Africa has long captured the Western imagination as a land shrouded in danger and mystery. British and American novels written before World War II established popular conventions and stereotypes about Africa that have been increasingly challenged by contemporary American novels set in Africa. Kuhne's book overviews the ways in which Africa has been employed as a powerful setting for American novels written since World War II. Kuhne argues that contemporary American novels with African settings are largely didactic that these novels convey specific lessons about Africa and Africans and that they compare African and American cultures in order to evaluate and critique the two worlds. The book begins by summarizing the conventions and themes Westerners have traditionally associated with Africa and by detailing how British and American authors from Aphra Behn to Ernest Hemingway depicted Africa before World War II. It then looks at contemporary American novels set in invented African nations novels that typically suggest that the problems that trouble actual African nations are the result of colonialism. A separate chapter then examines the African novels of African Americans which generally aim to correct the historical record refute stereotypes and detail the horrors of the slave trade. The volume also looks at genre fiction set in Africa while a final chapter discusses postcolonial novels with African settings. Contemporary Thought on Nineteenth Century Conservatism Angus Hawkins, Richard Gaunt, 2021-02-11 The Conservative party remains the longest established major political party in modern British history. This collection makes available 19th century documents illuminating aspects of Conservatism through a critical period in the party's history from 1830 to 1874. It throws light on Conservative ideas changing policies party organisation and popular partisan support showing how Conservatism evolved and responded to domestic and global change. It explores how certain clusters of ideas and beliefs comprised a Conservative view of political action and purposes often reinforcing the importance of historic institutions such as the Anglican Church the monarchy and the constitution. It also looks at the ways in which a broadening electorate required the marshalling of Conservative supporters through greater

party organisation and how the Conservative party became the embodiment and expression of durable popular political sentiment The collection examines how the Conservative party became a body seeking to deliver progress combined with stability The documents brought together in this collection give direct voice to how Conservatives of the period perceived and extolled their aspirations aims and the values of Conservatism Introductory essays highlight the main themes and nature of Conservatism in a dynamic age of change and how the Conservative axiom in an imperfect world of successful adaptation being essential to effective preservation informed and defined the Conservative party the views of its leaders the beliefs of its supporters and the political outlook they espoused
