Hillman,2013-07 The focus of the book is to let the readers know that the Devil's focus is to use the mind as a place of isolation He will try to bring back the past of fear to block one from reaching his or her own destiny This book tells you that only the word of God brings healing to the mind In addition only the word of God can bring restoration to a mind that is wrestling and a heart that is broken When you finish reading this book you will be able to get past your pass from the old you into a brand new you It all
