Catch 420 Mikal Mkali,2024-11-12 This book is based on true events about how the government superseded the State of California not only by trying to convict me of legally growing marijuana under the guidelines of the State of California Prop 215 but by lying to do so This is a story from where I ended up to how I got there in the first place being the only one with an appointed attorney in my case while my codefendants had high profile paid counseling Where loyalty is tested and lies conflict with the actual facts Where there is corruption in the FBI to get a conviction Where you find out who your real friends are when shit hits the fan This story runs parallel to how the government trumps state laws Which I considered entrapment a catch 22 or in this case a catch 420 The Beast's Baby Normandie Alleman writing as N.

Entries* Library of Congress. Copyright Office, 1952 Defining Love Rod Charles, 1901 Recently I was thinking of a way to
define love I will use a visual illustration to look at love There are many different inaccurate uses of the word love as it
applies to the material world From the heartfelt love I see that there are two ways to define love One To fill a void in our
lonely lives we find a kind of love that I refer to as a superficial love To illustrate this I will use a glass of water Once the
water is consumed the glass is empty as is life and the lonely heart returns to find another glass of water That is why the
divorce rate in the world is so high This kind of love is very definable as you can see Two Again I will use the same glass of
water to illustrate this second kind of love The glass is full of water as before however when the water is consumed the glass
is still full It does not matter how much water is consumed the glass remains full there is no way to explain or define the
reason why this phenomenon exists It is a kind of meaningful everlasting love You can live this love through the deep feelings
from an unknown source within our hearts and our inner beauty Inner beauty is defined as living life from the heart These
deep feelings of love remain undefinable We feel this love but we will never know why and we really do not need to know why
This love is just there and all the relationships last until death do us part For centuries philosophers sages and countless
other individuals have tried to define these inner unknowing feelings of love All efforts have failed and will continue to fail for
as long as time exists These words I have written here I hope will inspire the readers to look at life a little differently
