Ward, 2016-03-24 There are far too many people hurting and with feelings of being left out of the blessings of God The church is busy dealing with the world and its worldly ways of living in this world Not wanting to offend anyone they sometimes look so much like the world that the Christian is finding it hard to separate themselves from the world With Pop Culture Political Correctness the New Normal Rejection and other status quo the church must not be moved by the cares of this world we must keep our eyes on the kingdom of God our provider the Lord our God We are called to live in this world but to not live like the world This in itself can be a slippery slope if not followed cautiously and patiently with the Word of God We are commissioned by God to encourage the believer to live out their faith in Christ I must tell them about Jesus and the rewards we as believer have in the anointed One What I am doing is giving you key scriptures that has helped me to have a vital relationship with our heavenly Father our brother and head of the church Jesus Christ and the Holy Spirit our guide in this life we live here on earth It is possible to honor God with all your heart all your mind and all your spirit God would not have commanded us to live like that and not have made away for us to do just that What I Think About thinking like a Christian will help guide you into using the power you have within to please God and to walk in the authority you have in Christ We have but one person to answer to and that being Jesus By Beverly J Ward The Message//Remix: Pause ,2014-03-31 This book is God's Word Experience Him more deeply through daily readings that will take you through the Bible in one year two years or four years With a book at a time reading plan that immerses you in an Old Testament and a New Testament passage daily this daily reading Bible also gives you time to pause with a time of reflection on the seventh day Includes reflection questions as well as Eugene H Peterson's introduction to the Bible and to each individual book These introductions set the stage for each book and help you understand that book s unique message Text taken from the best selling The Message REMIX The Message Eugene H.
