**The Absence of Justice** Paul E. Leightner, 2003-07-14 Tragedy is a common experience that causes many believers to feel betrayed by God Job was declared righteous by God yet suffered a series of horrible tragedies Most people are ill prepared to deal with tragedy resulting in bitterness that hinders their faith and growth Like Job they cannot understand how a benevolent God can allow evil things to happen to good people Job's friends come to comfort him in his distress but instead

attack him viciously because their creed declares that he must have blasphemed and sinned to deserve this punishment Job held the same beliefs but denies any wrongdoing and ultimately sues God for a reason for his suffering God then asks a series of questions that for Job are unanswerable But modern science knows the answers to God s questions This gives rise to a surprising eschatological interpretation This book develops a solution to the age old problem of evil     [A Companion to the Royal Heritage of Britain](#) Marc Alexander,2005-05-26 More than a biography of kings and queens this title is an encyclopaedic work on every aspect of monarchy in Britain from semi legendary times to the present day It provides a reference for discovering more about individual monarchs and the huge legacy of myths traditions and practices which has grown up around the institution of the monarchy     [Britain's Royal Heritage](#) Marc Alexander,2016-10-21 This book is more than a biography of kings and queens it is an encyclopaedic work on every aspect of monarchy in Britain from semi legendary times to the present day Arranged in an A Z format it includes mini biographies on each of the forty two kings and queens who have ruled since the Norman Conquest details of the royal lines in Scotland before the Act of Union the background to the royal houses of Britain and the consorts largely foreign who have married into the monarchy Royal scandals wars ceremonies households tombs and insignia make fascinating reading and this book is the ideal reference work for all those who want to know more about individual monarchs and the impressive legacy of myths traditions beliefs and practices that have grown up around the institution of the monarchy     **NIV, Find Faith: VerseLight Bible, eBook** Zondervan,2011-04-19 Find Faith is a complete Bible with easy to find highlighted passages that tell of the acts and attitudes of people of faith as well as of God s faithfulness to us Featuring the text of the New International Version NIV the world s most popular modern English Bible discover the verses that will inspire uplift and encourage you Whether you need inspiration and comfort or simply want to read about God s comfort and care for his people there is an NIV VerseLight Bible for you NIV 2011 The New International Version NIV translation of the Bible is the world s most popular modern English Bible easy to understand yet rich with the detail found in the original languages     [NIV, Find Hope: VerseLight Bible](#) Zondervan,2011-04-19 Find Hope is a complete Bible with easy to find highlighted passages about God s hope and comfort for hurting people Featuring the text of the New International Version NIV the world s most popular modern English Bible discover the verses that will sustain comfort and encourage you Whether you need inspiration and comfort or simply want to read about God s comfort and care for his people there is an NIV VerseLight Bible for you NIV 2011 The New International Version NIV translation of the Bible is the world s most popular modern English Bible easy to understand yet rich with the detail found in the original languages     [NIV Bible](#) Raymond Wells,2024-08-19 Old and New Testaments     [NIV, Bible in 90 Days, eBook](#) Ted Cooper Jr.,2009-01-01 When I study the Bible I prepare myself to talk to others When I read the Bible God talks to me D L Moody Just 12 Pages a Day That s all it takes to read the Bible in ninety days It s easier than you thought Once you break it down into bite sized pieces what may have seemed to be a formidable challenge becomes doable and
