**My Michael** Amos Oz, 2005-11-01 Thoughtful self assured and highly sophisticated full of the most skillful modulations of tone and texture A modern Israeli Madame Bovary The New York Times Book Review Set in 1950s Jerusalem My Michael is the story of a remote and intense woman named Hannah Gonen and her marriage to a decent pragmatic but unremarkable geology professor named Michael Wedded too young emotionally unprepared for motherhood and forced to abandon her university studies Hannah grows bored frustrated and increasingly removed from the banal certainty of her immediate world As years pass and Michael goes off to war Hannah's heady fantasy life encroaches upon reality Hannah grows ever more estranged from her husband as the marriage begins to disintegrate A flickering multi-toned Israeli novel which grapples with time's incursions love's deceptions and the diminishment of desire Kirkus Reviews My Michael is at once a haunting love story and a rich reflective portrait of a place and time that takes the reader into the fevered mind of a young woman The Guardian

**My Inspiring Journey with God** Barbara Kendall PH.D., 2020-06-04 My Inspiring Journey with God is a book of true facts It's about a little girl too young to know who God was yet He had total control of her life and led her on a fascinating journey This Inspiring story will keep you in suspense make you laugh perhaps even cry Then just when you think you've figured out what's going to happen next the story change One clue I will share with the reader is everyone has their own journey and different seasons in life There is a beginning of our journey no matter who we are At God's appointed time there will be an ending to all of our journeys Your journey will not have the same beginning or ending as the little girl in the story because God has made us different and unique in our own ways God is an inspirational God and will encourage or prompt us to do what may seem to be far fetched At least that's the way it was for the little girl who had an inspiring journey with God Get ready to sit on the edge of your seat as you spiritually travel with me on My Inspiring Journey with God

Spiro MD PhD,2020-07-29

These memoirs tell my story of hope in my early years my father was trying to help the Jews of Europe and worked on the establishment of Israel Later there were wonderful years growing and learning in Vermont I describe my personal experiences in the remarkable human rights movement of Martin Luther King There were years of rising hope for a better community mental health care system as we built programs at Johns Hopkin Rutgers University and the Medical College of Wisconsin The defunding by the Reagan administration and the cruel consequences that occurred are described as I subsequently worked with residents of the inner city of Milwaukee In 1982 I started to work on the absorption of immigrants

to Israel and became chair as we tried to avoid the mistakes of the black white relationships in America for the tens of thousands of black immigrants from Ethiopia We worked to help integrate 1 250 000 immigrants who were penniless strangers from communist lands adapting to a new language and culture in Israel The book also describes the hope engendered by my remarriage and my remarkable family The epilogue describes the current reality of the Covid 19 pandemic and the rising awareness of the need to heal the long unfair relationship with black Americans as well as an increasing deprived underclass The book suggests bringing hope to those now deprived using some of the methods of absorption we used in Israel

**Something Happens After Prayer** Pastor Ade Oyeyemi, 2017-02-09 Life's unexpected difficulties and disappointments can be discouraging when dealt the wrong hand of life We are often discouraged by the tide the ocean of life sometimes blows in our direction But change can be made through prayer In *Something Happens after Prayer* author Pastor Ade Oyeyemi discusses how prayer should be an integral part of every Christian's practice Using a host of Biblical references and examples Oyeyemi demonstrates that prayer works for those who need forgiveness for those who need deliverance and for those who need healing wisdom or mercy He tells how there is no better way to respond to the storms of life than through prayer Each chapter addresses a spiritual or life topic and offers a selection of appropriate prayers to send to God *Something Happens after Prayer* encourages believers to turn to prayer when faith is floundering and the oppression of Satan knocks on the door when temptations weigh heavy and bad things are happening all around when we become weak in the face of worry when marriage comes under attack and when health is threatened Great things happen after prayer

**One Word but Many Tongues** Matthew J. Motyka, 2016-11-28 This book recounts the author's spiritual transformation resulting from his encounter with new languages and cultures This encounter allowed the author to transcend the boundaries imposed on him by the circumstances of his birth born and raised behind the Iron Curtain during the Cold War The fresh outlook on the world that emerged for him is the kind of radical shift that lies at the heart of all intense spiritual experiences regardless of faith affiliation His journey moves beyond the self to explore the domain of otherness in language literature and the arts Ultimately the author arrives at a spiritual place in which disparate culture bound realms blend an expanse of acceptance harmony and peace
