The Suffering of Chasing Dreams Danny Duran,2013-02-28 If you really and truly want God in your life you owe it to yourself to read this book This story is about a young boy who suffered and still suffering chasing dreams and facing a lot of suffering along the way and how he achieved most of his dreams After fifty five years of his life he came to find Jesus Christ even though he came from an extremely dysfunctional family feeling rejected not loved was sexually physically and verbally abused He faced the nasty words from his father You are way too stupid and black and ugly You'll never amount to anything Those nasty words from his father were the words that motivated young Danny to execute his dreams At the tender age of ten Danny was put into the juvenile hall for incorrigible boys But

after three long years he was released and became a matador bullfighter in Tijuana Mexico prizefighter Rodeo Brahma bull rider and bareback bronco rider professional roller skating derby skater for thirty two years a professional Texas bounty hunter a repo man a successful entrepreneur was in a few motion pictures and Hispanic soap opera called Padres con Poder and an author Danny also spent five years in prison and thats how he found our Lord and Savior Jesus Christ and his ordained minister wife Dharma She came to the prison to minister to seven hundred inmates and thats how Danny met her Dannys partner Jane P Peterson was killed in an arrest attempt His son was shot and his house was bombed Danny had been shot and stabbed multiple times and was left in a coma for seven days in an attempted arrest as a bounty hunter And while he was in a coma Danny had his second Christian spiritual experience with God The first spiritual encounter was in the juvenile hall The story you are about to read may seem like fiction or something out of a movie script If you enjoyed the books Divine Revelations of Hell by Mary K Baxter or Proof of Heaven by Dr Eden Alexander or the movies Forrest Gump or Walking Tall then youll love reading this book Ninety five percent of what you will read in this book is true All of the names have been changed to protect the innocent God bless Thieves of the Sky Hibba Natour,2025-01-06 When I started thinking about my poetry book I decided to write about things that I love and enjoy so much I feel for poems come out right and enjoyable the poet has to be genuine and true about her feelings and what to write about and word must come from the heart Also the vocabulary and expressions used must reflect a mastery of the language to choose the most suitable words that will be great match perfect for each situation that is a skill and a gift that God had blessed me with an I am thankful for that I have also chosen my subjects and situations based on the simple things in life that people enjoy and find it close to their hearts because I believe that when it comes to poetry the simpler the better I have also written about a range of topics to make it exciting and give the reader the experience and enjoy different situations and reflections after all variety is the spice of life Some of the topics that I picked for my reflections and poems were included animals nature cultures and values and faraway places I am a huge animal lover and you will feel that throughout this book I spend a lot of my time looking at them watching animals and wildlife shows going to zoos and aquariums The animal world that shares our planet there is so much beauty and serenity in connection with nature and learn many lessons in struggle hard work and motherhood However not everything in the animal kingdom is rosy fairy tales of beautiful fur colorful feathers and fluffy cubs there are also a lot of savagery blood and cruel fight for survival I felt to covey that world as it is just like it takes place in nature in a very unique way that hasn t been described before that that reader will find interesting and amusing In Thieves of the Sky Dracula of the Jungle I smell Blood Gentle Giants and Racing the Wind I spoke of the beauty and of heartwarming sights and discipline of these animals but at the same time I uncovered their schemes and manipulation in stalking their Prays and tearing them apart in cruel and bloody manner as a mean of survival and domination of the strong over the venerable In a related topic but also a matter of principle I wanted to make my voice heard to add that to the many calls and protests against the brutality

and savagery oh bullfighting in Spain and other places The torture and sedition that is inflicted on that poor creature is beyond comprehension I wanted to portray that in an imaginative story poem that would describe my feeling about a bull fight event and what was a better way to do that from the perspective of the bull itself In my piece Ole Ole Save Me I thought to myself What if the bull can talk express his grief and cry for help What would it say about its plight the matador the surroundings and people around it How would it react to the constant stabbing bleeding wounds and intimidation I did that in a very interesting way that will capture the imagination and curiosity of the readers I consider that one of my good thoughts in this book I was very fortunate that at the age of fourteen I was able to travel to many faraway lands and explore so many places and cultures not as a passive tourist but to live them and actually experience them firsthand I wanted to share with my readers those great events and talk about the people values traditions and their perspective of things and much more
