I wasn t always the best husband But I m determined to be the best family dog I can be It s funny how dying changes your perspective on life Suddenly running my restaurant doesn t seem as important as all those times I was absent when my wife and daughter needed me Except God s given me an unexpected second chance only this time around it s as the family dog He agrees to let me return to the small town in Wisconsin I called home with Sabrina to watch Jaycee grow up But first I have to convince her that the lost puppy she discovers on the day of my funeral is worth keeping Then I need to find my wife a new husband who s worthy of her If I fail Sabrina will be destined to spend the rest of her life alone and miss out on the happiness she deserves It makes me wonder if my life in dog years is going to be nearly long enough **My Life in God S Hands**

My Life in Food Albert Roux, 2022-11-10 In 2021 the world of cooking lost a legendary figure Albert Roux together with his brother Michel transformed the way we eat cook and appreciate food in this country It is no exaggeration to say that most of what makes our current culinary landscape so vibrant began with these two brothers and their ground breaking restaurant Le Gavroche Albert first arrived in England in the fifties at a time of grey and brown food with a nation still reeling from the effects of war and rationing Cooking in the grand private houses of the aristocracy he was to fall in love with the country and after his military service which he spent fighting in the Algerian Civil War he would eventually make it his home for life He and his brother set up Le Gavroche in 1967 It was to become the first restaurant in the UK to gain first one and eventually three Michelin stars Together with their other restaurants including the renowned Waterside Inn in Bray it would go on to revolutionise the industry The Roux restaurants set on their course an entire generation of award winning chefs his protégés include Gordon Ramsay Marcus Wareing Rowley Leigh and Monica

Galetti to name just a tiny fraction He won every plaudit possible in the world of food and was granted an OBE a Chevalier de la Legion d'Honneur and a papal knighthood Albert's memoir takes us from his childhood in wartime France where the ever looming presence of the German troops made it a challenge for his mother to keep the family fed right up to the almost instant success of Le Gavroche which welcomed everybody from royalty the Queen Mother and Princess Diana were both regulars to Hollywood legends including Charlie Chaplin He talks frankly about his famed relationship with his brother and about the encounter which derailed his first boyhood ambition to join the priesthood His drive humour and joie de vivre leap off every page and the insight into what it took to break new ground in the restaurant industry is unmatched These are the last words from a pioneer a hero who inspired entire generations of chefs They tell the story not only of a titan of a man but of an era that shaped the way we cook and eat today
