American Bookseller ,1990 **American Book Publishing Record** ,1991 **WHAT I'M LOOKING FOR** Karen Grey,2020-06-23 The course of true love never did run smooth Like for real dude When a socially awkward finance hotshot aka me grudgingly walks into Boston s famous Cheers bar to do happy hour with the insufferably misogynistic guys from work I don t expect the cute bartender to salvage the rest of my never ending workday with a cleverly disguised mocktail I especially don t expect him to talk Shakespeare to me Fate keeps bringing us together just like the star crossed couples in the plays Will loves to quote But while the chemistry between us may be stronger than a stiff Cape Codder it s clear that on paper the math doesn t add up I can t help wondering if we re capable of an ending happier than Romeo and Juliet s He s living in a dream world while my feet are planted firmly on the ground and I can t risk my heart again on a guy who ll bail when the going gets rough Even if he does rescue me from a murderous juggling clown Fans of Lucy Score and Meghan Quinn will love this smart feel good sweet and sexy romcom set in the late 1980 s an era of big hair and bigger egos This is a fabulous read that ll take you back in time make you swoon and serve you with a heavy dose of nostalgia The Rogue Reviews Such a lovely debut from one

of my favorite audiobook narrators I loved the 80s nostalgia the answering machine message lead ins to each chapter and be still my Shakespeare loving heart a theatre actor hero named Will who quotes from the bard USA Today best selling author A J Pine Opposites attract 80s music Boston Shakespeare So many good things in one book Julia Whelan author of My Oxford Year Shakespearean actor Will and financial analyst Kate aren't exactly star crossed lovers but despite intense attraction they can't ever seem to stay together very long Set within the Boston theater community and the equally dramatic world of high stakes consulting Grey's wry charming and compulsively readable first novel demonstrates that when it comes to romance falling in love is only the beginning Dana Sachs author of The Secret of the Nightingale Palace This is my first book by Karen Grey and I'm hooked Rellim Reads This is a fabulous read that'll take you back in time make you swoon and serve you with a heavy dose of nostalgia Smart escapism at its finest Five bitchin stars for What I'm Looking For The Rogue Reviews An excellent read that gave me all the feels and put a smile on my face at the end I highly recommend it for all fans of contemporary ish romance and romantic comedy Laurie Reads Romance Kate and Will share a sizzling attraction and complex connection giving me all the feels in this timeless romance That's What I'm Talking About Set in the 1980s this funny yet warmhearted character driven tale checks all the boxes for classy contemporary romance while providing the longed for something different readers seek out It's smart It's sexy It's sophisticated romance at its best Lea Hensley Audiogals I grew up in the 80's and so I am glad that Karen Grey decided to make a romance series based in the 80's as it was rather nostalgic Just look at that cover phones with cords Books Movies Reviews Oh My A very character driven book that took me back to when I was just starting out in the workforce in the mid 1980's one of the best decades Take a trip back in time when people actually left messages on answering machines before texting was a thing and enjoy Comfy Chair Books I would recommend this book to fans of romance I thought that Will and Kate were both fantastic characters and I had a great time with their story I wouldn't hesitate to read more of Karen Grey's work in the future Carol's Random Life in Books A well crafted romance set in the 1980s between two characters who seem to exist in separate worlds yet can't deny their attraction to each other Christie Bookbub When a Shakespeare actor meets a financial analyst in the eighties and answering machine messages caption chapters it's a recipe for romcom genius What I'm Looking For is a unique witty nostalgia filled romcom that made me laugh all day Liz Bookbub A must read fascinating Rom Com with a wonderful storyline Goodreads review Eighties nostalgic romantic comedy and answerphone messages that open every chapter what's not to love about this book Goodreads review A unique witty nostalgia filled romcom that made me laugh all day Goodreads review This was a really cute blast from the past I loved to read a book placed in a world where there were no cell phones available people used pagers and answering machines were a regular thing Alex Goodreads

Hitler, Religion and Other Types of Cannibals
Dr Donald J. Phillips, 2012-05-09 When the author started writing this book it was to be about living amongst the cannibals of the Kukukuku people of Papua New Guinea Nevertheless the longer he worked in that country he began to realize that there

were many types of cannibals there For instance there were those people who ate other people then there were people who dug up their dead and ate them then there were people who only ate the brains of their leaders and so on Many of these people would be horrified by the practices of other types of cannibals and many of them had different reasons for doing what they did As the story emerged the author then realized that other people around the world practised cannibalism in a symbolic way or their actions might be described as all consuming or cannibalistic In all as a result of his research he came up with 11 different types of cannibals and that throughout his life he had actually encountered and suffered from these types of cannibals His twelve years of living amongst the people of Papua New Guinea his university qualifications including a BA Hon Dip Ed MA and a PhD plus 20 years in university teaching and research make him more than adequately qualified to write this book Forthcoming Books Rose Arny,1992-10 My Life in the Sea of Cars James Andrew Murray,2009 James Murray recounts nine days spent in the remote and beautiful landscapes of the Northern Territory yet this is much more than a book about bushwalking A delicate hymn to the wilderness of Northern Australia My Life in the Sea of Cars A Letter from Arnhem Land is a journey of personal exploration and self discovery and a passionate argument for a new way of living The ways in which rampant consumerism and an obsession with the motor car have become so entrenched in people's lives is explored through relationships memory culture identity and the meditative act of walking When Murray candidly reveals his own family secrets and likely ancestry his book takes on yet another dimension Totally original and heartbreakingly honest Murray asks us the difficult awkward questions that will not go away Where has our culture gone so wrong
