My Little About Jesus And The Children:

The Spirit of Christ in Human Brains and Neurosurgery Ramsis F. Ghaly MD FACS, 2018-06-07 There is no doubt in my mind that the Spirit of God is connected to the human brain within the skull The human brain is not limited to the boundaries of the skull Instead it goes beyond the physical barriers of our planet and into the spiritual world My Christian faith as a Coptic Egyptian Orthodox was the main reason I chose to be a neurosurgeon It is in this way how my soul becomes closer to Lord Jesus Christ I have devoted my life and withstood a very long journey in medicine and neuroscience leaving my home country of Egypt and coming to America to strive in the difficult fields of neurological surgery neuroscience and anesthesiology Every day my soul learns more and more about my Lord Jesus I see him in my patients in my surgeries and in my surroundings Deep within the brain lies the Spirit of Christ As the author I explore not only the connectivity of the human brain with the Spirit of God but also the Spirit of Christ in my neurosurgery practice My human brain continues to be both thirsty and hungry for more and more of his eternal love In this present book of sixty five chapters much of my soul I wish to share with you the beloved reader A section is designated to my most recent neurosurgery patients testimonials and experiences Another section reflects upon the biblical words used during President Donald Trumps inauguration and Melanias speech and the presidents visit to the Middle East for peace **Faithful words, for old and young. [With]**

Children's pages of faithful words [afterw.] Faithful words for the young ,1872 Letters of St. Therese of Lisieux, Volume I St. Therese of Lisieux, 2014-07-07 Letter writing at the end of the nineteenth century was an important activity for the people of France Those who received letters from family and friends alike usually kept the hand written texts sent to them as precious gifts That is why this collection of letters by and to one of the greatest saints of modern times is so interesting to us today No mere notes slapped together in distracted haste the missives found in this volume reveal communications of warm personal sentiment along with expressions of lively spiritual development Th r se s efforts as a fifteen year old to enter Carmel before reaching the required age appear in revealing detail This tortuous course of a very subtle diplomacy is set out not only by the letters of Th r se herself but also by those of so many others who shared her hopes and eventual victory The translator editor gives us 75 pages of introductory remarks to Th r se s letters This volume also includes 4 pages of facsimiles of Th r se s letters **St. Thérèse of Lisieux Her Last Conversations Revised Edition** St. Thérèse of Lisieux, 2024-03-05 St Th r se of Lisieux 1873 1897 spent the final months of her short life in the infirmary of the Carmel of Lisieux France Those who attended her including three of her older sisters by birth were living in the company of one of God s saints one prepared for our times This volume St Th r se of Lisieux Her Last Conversations serves as a sequel to St Th r se s autobiography Story of a Soul It contains the intimate words of her final conversations with her three sisters during the last months of her life especially those three critical months in the Carmel infirmary from July to September 1897 Fortunately for us her words were written down without the awareness that eventually a great multitude of friends of St Th r

se would hunger for her spiritual teaching 150 years after this great saint and Doctor of the Church was born into the world the publication of this revised edition enables us to live in her company and enjoy her holy conversations and counsels When we read her words with faith her presence is at our side She speaks to us directly sharing her human experience her joys her sufferings her love for God and especially her trust in him amid her painful ordeal This revised edition of St Th r se of Lisieux Her Last Conversations reflects the extensive 1992 French critical edition of Derniers Entretiens in two volumes That very complete and scholarly production has been edited here into its essential elements The entire text of St Th r se s words collected by the three main witnesses Mother Agnes Pauline Sister Genevi ve C line and Sister Marie of the Sacred Heart Marie The testimony of other witnesses when this does not repeat that of the three main witnesses Additional words of St Th r se as quoted in letters written during her last three months Fully linked comprehensive indexes of key names topics and biblical references The Rosary Sister Emmanuel,2021-02-10 The Rosary A rope that connects those who are in anguish with Heaven A rope that strangles the head of the snake Every Hail Mary is consolation for the distressed terror for Satan and joy for Mary Every Hail Mary hastens the glorious coming of the King Father Daniel Ange This book takes us on a journey through the mysteries of the rosary where we contemplate the lives of Jesus and Mary Everything becomes real We take Our Lady s hand and enter the stable of Bethlehem and the Temple of Jerusalem We walk with her on the roads of Galilee we suffer with her in the howling crowd before Pilate we rejoice with Mary of Magdala adoring Jesus who is victorious over death As we travel with her we soak up the graces within each mystery like children fascinated by what they are watching and we are transformed by these rays of light that flow from the Gospel Not only does this book delve deeper than ever into the Joyful Luminous Sorrowful and Glorious mysteries but there are meditations on 10 never seen before mysteries of Compassion and Mercy These mysteries expound and bring to life God s infinite love and mercy for each one of us Don t just read this book live it **The Weekly welcome [afterw.] The Welcome** ,1875 **Talks with men, women and children** David Davies,1892 *The Christmas Carol Reader* William E Studwell, Frank Hoffmann, B Lee Cooper,2012-10-12 Like that Biblical astronomical star of Bethlehem The Christmas Carol Reader guides readers on their quest for information about Christmas songs Studwell gathers a composite picture of the world s most important and famous carols and includes an ample selection of lesser known Christmas songs All of the carols are presented in their historical and cultural contexts which adds to readers understanding and appreciation of the songs As the only book that covers this elusive topic The Christmas Carol Reader informs and entertains readers on over 200 songs of all types sacred and secular of all periods Middle Ages through the 20th century and from a number of countries and cultures Because many of the songs in The Christmas Carol Reader fit into more than one distinct category Studwell wisely divides the songs into two major groups those that reflect Christmas as a Holy Day and those that celebrate Christmas as a Holiday Here is just a sample of the breadth of coverage of songs Sacred From Heaven Above to Earth I Come O Come O Come Emmanuel Angels From the
