The Great Big Treasury of Beatrix Potter Beatrix Potter, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage The Tale of Mr. Jeremy Fisher Beatrix Potter, 2017-06-22 Once upon a time there was a frog called Mr Jeremy Fisher he lived in a little damp house amongst the buttercups at the edge of a pond The water was all slippy sloppy in the larder and in the back passage But Mr Jeremy liked getting his feet wet nobody ever scolded him and he never caught a cold He was quite pleased when he looked out and saw large drops of rain splashing in the pond I will get some worms and go fishing and catch a dish of minnows for my dinner said Mr Jeremy Fisher If I catch more than five fish I will invite my friends Mr Alderman Ptolemy Tortoise and Sir Isaac Newton The Alderman however eats salad Mr Jeremy put on a macintosh and a pair of shiny goloshes he took his rod and basket and set off with enormous hops to the place where he kept his boat The boat was round and green and very like the other lily leaves It was tied to a water plant in the middle of the pond Mr Jeremy took a reed pole and pushed the boat out into open water I know a good place for minnows said Mr Jeremy Fisher Mr Jeremy stuck his pole into the mud and fastened the boat to it Then he settled himself cross legged and arranged his fishing tackle He had the dearest little red float His rod was a tough stalk of grass his line was a fine long white horse hair and he tied a little wriggling worm at the end The rain trickled down his back and for nearly an hour he stared at the float This is getting tiresome I think I should like some lunch said Mr Jeremy Fisher He punted back again amongst the water plants and took some lunch out of his basket I will eat a butterfly sandwich and wait till the shower is over said Mr Jeremy Fisher A great big water beetle came up underneath the lily leaf and tweaked the toe of one of his goloshes Mr Jeremy crossed his legs up shorter out of reach and went on eating his sandwich Once or twice something moved about with a rustle and a splash amongst the rushes at the side of the pond I trust that is not a rat said Mr Jeremy Fisher I think I had better get away from here Mr Jeremy shoved the boat out again a little way and dropped in the bait There was a bite almost directly the float gave a tremendous bobbit A minnow a minnow I have him by the nose cried Mr Jeremy Fisher jerking up his rod But what a horrible surprise Instead of a smooth fat minnow Mr Jeremy landed little Jack Sharp the stickleback covered with spines The stickleback floundered about the boat pricking and snapping until he was quite out of breath Then he jumped back into the water And a shoal of other little fishes put their heads out and laughed at Mr Jeremy Fisher And while Mr Jeremy sat disconsolately on the edge of his boat sucking his sore fingers and peering down into the water a much worse thing happened a really frightful thing it would have been if Mr Jeremy had not been wearing a macintosh *Сам себе учитель английского / English Home Tutor* Олег Оваденко, 2022-04-20 CD A Will of His Own Kelly Harland, 2007-09-15 Will's anxieties and obsessions can dominate daily life making a trip to the grocery store seem like a walk across a minefield But amidst these unpredictable flip outs there are moments of wonder Kelly
