My Lucky Stars Shirley MacLaine, 1996-11-01 NEW YORK TIMES BESTSELLER In this touching memoir Academy Award winning actress Shirley MacLaine dishes up revelations and insights galore USA Today about her career in Hollywood Robust ribald stories juicy People In the memoir that made headlines Shirley MacLaine dazzles us with the subject she knows most intimately Hollywood especially about the men and women her lucky stars who touched and challenged her life She talks candidly and personally about Her wildly unconventional marriage to Steve Parker As soon as we met I knew my life was to take a new course Our connection had the shock of destiny to it There was nothing I could have done to alter or avoid the experience we were intended to have together Her friendship with the Rat Pack especially Frank Sinatra I was comfortable and friendly being around the guys in the group because I was perceived by most of them as a mascot I was the only woman they allowed in the house but that was because there had been a kind of communal decision made that I wasn't really a girl I was a pal maybe even one of the boys The movie she made with Dean Martin and Jerry Lewis Dean not Jerry was the funny one to me His humor was subtle spontaneous a result of the moment Jerry's was brilliant but usually premeditated And much much more **My Lucky Star** Becka Cassidy, 1984 **The Whispering Star** Pamarty

How to Achieve Good Fortune Murdo Donaldson MacLeod, 2013-07-24 Is good fortune just a matter of luck Or being born under the right star In this compelling book Murdo MacLeod shows how you can load the dice in your own favour Murdo MacLeod's easy to follow programme demonstrates how to harness the power within you in order to achieve material wealth perfect health personal charm the conquest of anxiety First published in 1932 How to Achieve Good Fortune is strikingly modern in its approach not just in its promotion of the power of positive thinking but also in the method of picturing what it is that you desire Many of the ideas that Murdo MacLeod proposed have since been taken up in New Age philosophy particularly the concept of Cosmic Mind *Super Serendipity* Isaac Dionaldo, 2021-09-02 Serendipity had been a friend of mine since I was three It is a friend that shows up uninvited it comes when least expected And when serendipity turns a negative to a positive it is important to recognize the magic so one can properly celebrate and release the balloons from your grip to the open skies above At age three my nanny dressed me up in a long gown and tiara pretending to be the fiesta queen I marched proudly in front of a big crowd of house guests Instead of being embarrassed for life I kept a fond memory of the awkward event and from thereafter I completely owned my queer identity with no regret This was my first serendipity After I became a licensed physician and a freshly minted immigrant the apotheosis of my journey to success was generously handed

to me by Dr Leon Spitz After only two months of working alongside Dr Spitz he decided to retire to New Mexico and entrusted me to take over his successful medical practice in Gramercy Park in the heart of New York City From my simple aspiration to a lifetime of comfortable income propelling me to the top 1 percent of American taxpayers this was certainly super serendipity
