*Mariah's Quest* Dianna Crawford, Sally Laity, 2012-07-01 Journey back to 1753 Baltimore where Mariah Harwood is sold as an indentured servant to Colin Barclay Her handsome new master just may be her ticket to paradise but Mariah soon has her hands full as Colin plots to seduce her without being trapped into a commitment Then when Colin is blinded in battle Mariah must search within for qualities other than beauty to secure a marriage proposal But how much will she sacrifice to garner true love

**You Are My Happy Ending** Emily Garside, 2024-01-15 From the show's modest beginnings to its massive Emmy sweep *You Are My Happy Ending* tells the story of how *Schitt's Creek* became the surprise hit that changed the way we think about LGBTQ relationships Cultural analyst Emily Garside shows how this series fused classic romcom and sitcom tropes to create a world with a queer love story at its core starting with Daniel Levy the co creator who plays David She examines the show's Canadian identity and its diverse incorporation of references from literature *Brideshead Revisited* to cinema Hitchcock's *The Birds* as well as numerous romantic comedy texts *Schitt's Creek* is an homage to all these elements of the past literary and cinematic canon while also creating an important contemporary narrative of its own Most importantly Garside delves into the references to queer icons and culture from *Cabaret* to drag How did this supposedly light comedy embrace an activist perspective And how does it use and subvert its romantic comedy genre in order to make that activism even more powerful Combining a fan's affection with a scholar's insight Garside explains how this little show that could is the product of a long history of queer activism breaking down barriers and marking a turning point in future representation of LGBTQ stories

**Smoke** Alexis Gregory, 2024-11-16 That morning I woke up to a new message on Insta from my boyfriend Ben By this point Ben had been dead for two years Definitely a new message Top of my inbox DMs officially slid into by my dead boyfriend When Alex receives a private Instagram message from his now deceased ex boyfriend's account he finds himself trailing both old leads and new in a haphazard and dangerous attempt to uncover the truth Via a queer lens *Smoke* confronts today's obsession with self documentation drugs paranoia and living and dying in the digital age when privacy seems an archaic concept where do we draw the line Packed with dark humour and suspense this rollercoaster of a piece presents a comedic thriller that homes in on how today's modern landscape may impact our grasp on reality uncovering a hidden world within the everyday *Smoke* removes the theatrics to offer audiences an intimate conversation and exploration of queer survival in Alexis Gregory's most brutally honest and raw piece yet investigating the blur between reality and fantasy in this post truth era This edition was published to coincide with the run at London's King's Head Theatre in November 2024
