

Isaac Leib Peretz MY MEMOIRS

*The autobiography of the father of Yiddish literature
Translated from the Yiddish by Fred Goldberg*

My Memoirs Isaac Leib Peretz

Clifford Lane

My Memoirs Isaac Leib Peretz:

My Memoirs Isaac Leib Peretz, 1964 **Classic Yiddish Fiction** Ken Frieden, 2012-02-01 Yiddish literature despite its remarkable achievements during an era bounded by Russian reforms in the 1860s and the First World War has never before been surveyed by a scholarly monograph in English **Classic Yiddish Fiction** provides an overview and interprets the Yiddish fiction of S Y Abramovitsh Sholem Aleichem and I L Peretz While analyzing their works Frieden situates these three authors in their literary world and in relation to their cultural contexts Two or three generations ago Yiddish was the primary language of Jews in Europe and America Today following the Nazi genocide and half a century of vigorous assimilation Yiddish is sinking into oblivion By providing a bridge to the lost continent of Yiddish literature Frieden returns to those European traditions This journey back to Ashkenazic origins also encompasses broader horizons since the development of Yiddish culture in Europe and America parallels the history of other ethnic traditions **Jews and Ukrainians in Russia's Literary Borderlands** Amelia Glaser, 2012-02-22 Studies of Eastern European literature have largely confined themselves to a single language culture or nationality In this highly original book Glaser shows how writers working in Russian Ukrainian and Yiddish during much of the nineteenth century and the early part of the twentieth century were in intense conversation with one another The marketplace was both the literal locale at which members of these different societies and cultures interacted with one another and a rich subject for representation in their art It is commonplace to note the influence of Gogol on Russian literature but Glaser shows him to have been a profound influence on Ukrainian and Yiddish literature as well And she shows how Gogol must be understood not only within the context of his adopted city of St Petersburg but also that of his native Ukraine As Ukrainian and Yiddish literatures developed over this period they were shaped by their geographical and cultural position on the margins of the Russian Empire As distinctive as these writers may seem from one another they are further illuminated by an appreciation of their common relationship to Russia Glaser's book paints a far more complicated portrait than scholars have traditionally allowed of Jewish particularly Yiddish literature in the context of Eastern European and Russian culture **Where Is My Home?** Musya Glants, 2010-11-10 Where Is My Home The Art and Life of the Russian Jewish Sculptor Mark Antokolskii 1843 1902 is the first full length study in English of the art and life of Mark Antokolskii the widely recognized Russian and European sculptor of the late 19th century An originator of novel trends in sculpture in its transition to modernism Antokolskii was the first artist of Jewish origin to attend the Academy of Art in St Petersburg and to become an honorable member of the Russian and Western intellectual milieu Participating in many International World Exhibitions he received numerous awards including the Legion d Honneur 1878 Paris Antokolskii was a member of many European academies of art and his works are in museums and private collections worldwide Where Is My Home focuses on Antokolski's artistic uniqueness and his fate as a Jewish intellectual who belongs to distinct cultures Musya Glants pays particular attention to Antokolski's constant struggle between his devotion to Russia and the lifelong commitment to his

people This opens ways to discuss less known aspects of the notions of national identity and spiritual duality It is an attempt to give an account of the artist as a notable Jewish social and cultural figure a thinker and essayist whose art reveals his longing for people s reconciliation and overcoming of historical alienation

Imagining Lives Jan Schwarz,2005-07-11 In interwar and post Holocaust New York Yiddish autobiographers responded to the upheaval of modern Jewish life in ways that combined artistic innovation with commemoration for a world that is no more *Imagining Lives* Autobiographical Fiction of Yiddish Writers is the first comprehensive study of the autobiographical genre in Yiddish literature Jan Schwarz offers portraits of seven major Yiddish writers showing the writer s struggles to shape the multiple identities of their ruptured lives in autobiographical fiction This analysis of Yiddish life writing includes discussions of literary representation self and collectivity and memory in modern Jewish literature Schwarz shows how Yiddish autobiographical fiction fuses novelistic elements and memoiristic truthfulness in ways that also characterize Jewish life writing in English and Hebrew His accessible style biographical sketches glossary of Hebrew and Yiddish words and careful survey of notable texts takes readers on an incomparable journey through modern Yiddish literature

The Controversial Sholem Asch Ben Siegel,1976 This study is the first critical biography in English of Sholem Asch who did little in his lifetime to make such a task an easy one Asch was not a tidy writer He lived in many cities and countries wrote tirelessly and kept little record of his numerous novels stories and essays much less of the countless Yiddish Hebrew and European periodicals and newspapers most of them now long defunct or editions and translations in which his writings appeared

I. L. Peretz and the Making of Modern Jewish Culture Ruth R. Wisse,2015-07-01 I L Peretz 1852 1915 the father of modern Yiddish literature was a master storyteller and social critic who advocated a radical shift from religious observance to secular Jewish culture Wisse explores Peretz s writings in relation to his ideology which sought to create a strong Jewish identity separate from the trappings of religion

The Shtetl Steven T Katz,2006-12-24 Anyone looking to really understand the Jewish past not just the romanticized version of it will find this book a perfect antidote The Reporter Dating from the sixteenth century there were hundreds of shtetls Jewish settlements in Eastern Europe that were home to a large and compact population that differed from their gentile mostly peasant neighbors in religion occupation language and culture The shtetls were different in important respects from previous types of Jewish settlements in the Diaspora in that Jews had rarely formed a majority in the towns in which they lived This was not true of the shtetl where Jews sometimes comprised 80% or more of the population While the shtetl began to decline during the course of the nineteenth century it was the Holocaust that finally destroyed it In recent decades the shtetl has attracted a growing amount of scholarly attention though gross generalizations and romanticized nostalgia continue to affect how the topic is treated This volume takes a new look at this most important facet of East European Jewish life It helps to correct the notion that the shtetl was an entirely Jewish world and shows the ways in which the Jews of the shtetl interacted both with their co religionists and with their gentile neighbors The volume includes chapters on the history of the shtetl its

myths and realities politics gender dynamics how the shtetl has been mis represented in literature and the changes brought about by World War I and the Holocaust among other historical events Contributors include Samuel Kassow Gershon David Hundert Immanuel Etkes Nehemia Polen Henry Abramson Konrad Zielinski Jeremy Dauber Israel Bartel Naomi Seidman Mikhail Krutikov Arnold J Band Katarzyna Wieclawska Yehuda Bauer and Elie Wiesel A complex and rich subject AJS Review This is the first book published in the Elie Wiesel Center for Judaic Studies Series The Jews of Eastern Europe, 1772-1881 Israel Bartel, 2011-06-07 In the nineteenth century the largest Jewish community the modern world had known lived in hundreds of towns and shtetls in the territory between the Prussian border of Poland and the Ukrainian coast of the Black Sea The period had started with the partition of Poland and the absorption of its territories into the Russian and Austro-Hungarian empires it would end with the first large scale outbreaks of anti Semitic violence and the imposition in Russia of strong anti Semitic legislation In the years between a traditional society accustomed to an autonomous way of life would be transformed into one much more open to its surrounding cultures yet much more confident of its own nationalist identity In **The Jews of Eastern Europe** Israel Bartel traces this transformation and finds in it the roots of Jewish modernity **The Oxford Book of Jewish Stories** Ilan Stavans, 1998 The Oxford Book of Jewish Stories takes readers from the mid 1800s to the present encompassing a full spectrum of Jewish writing around the world **Hasidism** Marcin Wodziński, 2018 **Hasidism Key Questions** provides a refreshing new look at many central issues in historiography of Hasidism its definition gender leadership demographic size geography economy and decline This is the first attempt to respond those central questions in one book **Anna's Shtetl** Lawrence A. Coben, 2011-01-25 A rare view of a childhood in a European ghetto Anna Spector was born in 1905 in Korsun a Ukrainian town on the Ros River eighty miles south of Kiev Held by Poland until 1768 and annexed by the Tsar in 1793 Korsun and its fluid ethnic population were characteristic of the Pale of Settlement in Eastern Europe comprised of Ukrainians Cossacks Jews and other groups living uneasily together in relationships punctuated by violence Anna's father left Korsun in 1912 to immigrate to America and Anna left in 1919 having lived through the Great War the Bolshevik Revolution and part of the ensuing civil war as well as several episodes of more or less organized pogroms deadly anti Jewish riots begun by various invading military detachments during the Russian Civil War and joined by some of Korsun's peasants In the early 1990s Anna met Lawrence A Coben a medical doctor seeking information about the shtetls to recapture a sense of his own heritage Anna had near perfect recall of her daily life as a girl and young woman in the last days in one of those historic but doomed communities Her rare account the product of some 300 interviews is valuable because most personal memoirs of ghetto life are written by men Also very often Christian neighbors appear in ghetto accounts as a stolid peasant mass assembled on market days as destructive mobs or as an arrogant and distant collection of government officials and nobility Anna's story is exceptionally rich in a sense of the Korsun Christians as friends neighbors and individuals Although the Jewish communities in Eastern Europe are now virtually gone less than 100 years ago they counted

a population of millions The firsthand records we have from that lost world are therefore important and this view from the underrecorded lives of women and the young is particularly welcome Catalog of Copyright Entries, Third Series Library of Congress. Copyright Office,1965 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Studying Hasidism** Marcin Wodzinski,2019-08-09 Studying Hasidism edited by internationally recognized historian of Hasidism Marcin Wodzi ski introduces previously untapped sources such as folklore music or material culture and shows how they can be employed to answer new questions in the history of Hasidism Women of the Shtetl Ruth Pomerance Adler,1980 Bibliography p 131 137 Includes index **The Daughter Who Sold Her Mother** Irena Powell,2016-03-18 This is the story of my mothers life woven from fragments of her memories as she told them to me over the years Hers was a life caught in the turbulent currents of the twentieth century in which Communism Zionism Fascism and anti Semitism all played their part It was a life scarred deeply by the Second World War This book stems from a desire to reassure her that her experiences as a young Jewish mother fighting to save the life of her new born infant myself in Nazi occupied Poland will not be forgotten Mothers story told and filtered through her daughters eyes inevitably becomes the daughters story as well particularly in the final post war section of the book when the daughter is no longer just a listener but a participant in the events described here For her the writing of this book opened a way to explore the complex legacy of the second generation of being born to parents who were Holocaust survivors **Nashim** ,2004 **The National Jewish Monthly** ,1970 *Writers in Yiddish* Joseph Sherman,2007 Essays on the history of modern Yiddish literature reflect the history of modern Jewry since the same historical ideological and sociocultural forces shaped both Provides information on the development of Yiddish the creation of Judaized versions of popular medieval romances verse epics and prose narratives the impact of the religious revival known as Hasidism modern Yiddish culture the decade before World War I and the post Holocaust era OCLC *Man of the Futures* Leo Melamed,2021-04-27 As the founder of financial futures and initiator of Globex the world s first global electronic trading system Leo Melamed revolutionized the finance industry Man of the Futures his definitive memoir recounts Melamed s journey from Holocaust survivor and accidental runner at the Chicago Mercantile Exchange CME to one of the most prominent leaders in the world of finance At 33 Melamed gave up a promising law career to pursue his dream of becoming a full time pit trader at the CME He quickly ascended the ranks to become chairman From there he set out to disrupt the status quo and ultimately transform both the exchange itself and the broader finance industry Through daring to embrace innovative ideas many considered absurd Melamed was a pioneer continually fighting for modernisation in the financial markets through diversification and the introduction of new technologies Covering the internal battles waged within the CME the launch of the International Monetary Market IMM and the rise of Globex this enthralling autobiography details the

struggles scandals and triumphs of a visionary in his field Together with behind the scenes reminiscences about the financial markets this narrative delves into Melamed s philanthropic work at the US Holocaust Memorial Museum as well as his fascinating dealings with political figures at home in Chicago at the White House and around the world in China Japan Singapore Great Britain Russia South Korea and Brazil Man of the Futures offers exclusive access to the rationale behind some of the biggest financial decisions and dealings in the late 20th and early 21st century Join Leo Melamed for this fascinating and revealing story of a life lived in pursuit of the future
