Essential Acker Kathy Acker,2002 The incredible variety of Acker s body of work has been distilled into a single volume that reads like a communique from the front lines of late 20th century America Acker was a literary pirate whose prodigious output drew promiscuously from popular culture the classics of Western civilization current events and the raw material of her own life

Lust For Life Amy Scholder,Avital Ronell,Carla Harryman,2020-05-05 Kathy Acker was one of the most original subversive and influential writers of the late 20th century Known variously and notoriously as a consummate postmodernist feminist post punk and plagiarist her oeuvre over a dozen novels and novellas has inspired a generation of writers and artists Lust for Life is the definitive collection of essays on Acker s inimitable work including Peter Wollen s elegiac primer widely considered the best introduction to Acker and Avital Ronell s erudite meditation on friendship and mourning Together these essays by scholars and writers reveal Acker s profound and innovative project and the ways in which fiction can penetrate the heart of political and cultural life

Twentieth-Century Literary Criticism Thomas J. Schoenberg, Lawrence J. Trudeau, Laurie Di Mauro, 2006 This highly useful series presents criticism on the major literary figures and nonfiction writers including novelists poets playwrights and literary theorists who died between 1900 and 1999 Each volume presents overviews of four to eight authors which typically include an author portrait an introduction to the author a primary bibliography annotated criticism and an annotated list of further reading sources A cumulative title index to the entire series is published separately included in subscription **Star Authors** Joe Moran, 2000-02-20 In America authors are as likely to be seen on television talk shows or magazine covers as in the more traditional settings of literary festivals or book signings Is this literary celebrity just another result of dumbing down Yet another example of the mass media turning everything into entertainment Or is it a much more unstable complex phenomenon And what does the American experience tell us about the future of British literary celebrity In *Star Authors* Joe Moran shows how publishers the media and authors themselves create and disseminate literary celebrity He looks at such famous contemporary authors as Toni Morrison J D Salinger Thomas Pynchon Don DeLillo John Updike Philip Roth Kathy Acker Nicholson Baker Paul Auster and Jay McInerney Through an examination of their own work biographical information media representations and promotional material Moran illustrates the nature of modern literary celebrity He argues that authors actively negotiate their own celebrity rather than simply having it imposed upon them from reclusive authors such as Salinger and Pynchon famed for their very lack of public engagement to media friendly authors such as Updike and McInerney *Star Authors* analyses literary celebrity in the context of the historical links between literature advertising and publicity in America the economics of literary production and the cultural capital involved in the marketing and consumption

of books and authors **The Devil Notebooks** Laurence A. Rickels, 2008 Milton's Paradise Lost Goethe's Faust Aaron Spelling's Satan's School for Girls Laurence A. Rickels scours the canon and pop culture in this all-encompassing study on the Devil. Continuing the work he began in his influential book *The Vampire Lectures*, Rickels returns with his trademark wit and encyclopedic knowledge to go mano a mano with the Prince of Darkness himself **Kathy Acker: The Last Interview** Kathy Acker, 2019-03-01 Kathy Acker was a punk rock counter-cultural icon and innovator of the literary underground. The interviews collected here span her amazing uncompromising and often misunderstood 30-year career. From Acker's earliest interviews filled with playful evasive and counter-intuitive responses to the last interview before her death where she reflects on the state of American literature, these interviews capture the writer at her funny and surprising best. Another highlight includes Acker's 1997 interview with the Spice Girls on the forces of pop and feminism, which reads as if it could have been conducted with a new generation of pop star in 2018 *Eighties People* Kevin L. Ferguson, 2016-05-01 Through an examination of 1980s America's cultural texts and media, Kevin L. Ferguson examines how new types of individuals were created in order to manage otherwise hidden cultural anxieties during the American 1980s. Exploring a variety of strategies for fashioning self-knowledge in the decade, this book illuminates the hidden lives of surrogate mothers, crack babies, persons with AIDS, yuppies, and brat packers. These seemingly simple stereotypes, in fact, concealed deeper cultural changes in issues relating to race, class, and gender. Through a range of texts, *Eighties People* shows how the commonplace reading of the 1980s as a superficial period of little importance disguises the decade's real imperative: a struggle for self-definition outside of the limited set of options given by postmodern theorizing **Morality USA** Ellen G. Friedman, 1998 In today's world, moral uncertainty is found everywhere. *MORALITY USA* calls for recognition of the multiplicity of moral structures that now exist and argues that we need to rethink our concepts of morality. Controversial, comprehensive, engaging, and timely, *MORALITY USA* is sure to spark debate and contemplation across political and social spectrums. 23 photos
