**Unconditional Love - My Father Killed My Mother... This is the True Story of How I Learnt to Forgive Him**

Natalia Aggiano, 2008-05-05 Elva Aggiano was murdered in 1997 by her husband Bruno Of the four Aggiano children three vowed never to speak to their father again Remarkably their daughter Natalia renewed her relationship with Bruno and became his friend and companion until his death in 2066 This is her astonishing story Kind and loyal Elva was a bright young woman from a typical English seaside town who was swept off her feet by an older handsome Italian bodybuilder It was all she had ever wanted the promise of life as a loving mother and devoted wife But a dark secret from her past left vulnerable

to Bruno's brooding possessive nature and behind closed doors Elva's family idyll turned into a reign of terror of both mental and physical abuse for her and her children. Their daughter Natalia speaks for the first time about how the family suffered about her escape onto the streets aged 17 and her traumatic struggle to survive alone. Natalia finally persuaded Elva to run away along with her youngest son and for the first time Elva found the happiness and confidence that had always eluded her. But it was not to last. Giving way to Bruno's request to see his young son, Elva returned to the marital home where Bruno mercilessly stabbed her to death. Against all odds, Natalia found the courage to stand by her father even after he'd ripped the family apart. During often harrowing visits to Rampton high security psychiatric hospital, she learned to love Bruno for the first time. Her fascinating journey led Natalia to honour her mother's memory, finding a way to live forgiveness and unconditional love. *Amazing Peter Andre: An extraordinary young woman and so selfless* Carol Vorderman *Children's Book Review Index 1995 Cumulative* Beverly Baer, George Baer, 1996-04. *The Make-Up Girl* Andrea Semple, 2014-02-06. Hi, my name's Faith and I'm living the London dream. I work in a fabulous PR company, have loads of thin glamorous friends, but most of all, I have a perfect handsome boyfriend. He never wants to watch the football and he always thinks I am the most beautiful girl in the world. The only problem is that he doesn't exist. I made him up just like I made up my perfect life and my perfect job. It's what I do. I'm a single, lonely, low-paid make-up girl and it's far too late to tell my family the depressing truth. Except that my sister's just got engaged, which means I've finally run out of reasons why my family can't meet my man. Hi, my name's Faith and I have less than two months to turn my perfect fictional boyfriend into reality. Wish me luck.

**For the Love of Nadia - My daughter was kidnapped by her father and taken to Libya. This is my heart-wrenching true story of my quest to bring her home** Sarah Taylor, 2013-02-04. When Sarah Taylor suspected that her four-year-old daughter Nadia had been kidnapped by Fawzi, her abusive ex-husband, Sarah's whole world was turned upside down. Shadowy CCTV from the airport showed Nadia boarding a flight with her father to Tripoli and Sarah's worst fears were confirmed. No child abducted to Libya had ever been successfully returned to their mother in England, but Sarah was not going to let that stop her. Giving up everything she had in England, Sarah moved to Libya to fight for her daughter. Fawzi managed to move Nadia secretly between his relatives for 2 years, attempting to hide her away. But a dramatic car chase through the backstreets of Tripoli finally led to the safe reconciliation of mother and daughter. In a story of blackmail, embezzlement, secret police, a meeting with Colonel Gaddafi, and the intervention of Prime Minister Gordon Brown, Sarah never gave up hope and hers is an unparalleled tale of inspiration and courage. Sarah's experience is not uncommon: each year around 300 British children are abducted and taken abroad by a parent. Returning the child can prove impossible. Libya is outside of The Hague International convention on child abduction, and Sarah was the first mother to successfully bring her child back. There are many parents still fighting. Foreword by Andy Burnham, who was Sarah's MP at the time and is now Shadow Health Secretary.

**Bereavement Narratives** Christine Valentine, 2008-07-08 Bereavement is often treated as a psychological condition of the individual with both healthy and pathological forms. However, this empirically grounded study argues that this is not always the best or only way to help the bereaved. In a radical departure, it emphasises normality and social and cultural diversity in grieving. Exploring the significance of the dying person's final moments for those who are left behind, this book sheds new light on the variety of ways in which bereaved people maintain their relationship with dead loved ones and how the dead retain a significant social presence in the lives of the living. It draws practical conclusions for professionals in relation to the complex and social nature of grief and the value placed on the right to grieve in one's own way, supporting and encouraging the bereaved person to articulate their own experience and find their own methods of coping. Based on new empirical research, *Bereavement Narratives* is an innovative and invaluable read for all students and researchers of death, dying, and bereavement.
