One Hot Favor Anna Durand,2023-02-21 Doing a favor for a friend has never been so hot When an injury sidelined my career as a pro cricketer my American mate Chelsea convinced me to take a coaching position at a girls school I never thought I d love that job but I do So yeah I owe Chelsea a lot But we re still just friends Lately though we ve suffered from the same problem Our jobs keep us too busy for dating but a one nighter with a stranger doesn t appeal to either of us Then Chelsea asks me to pose for a beefcake calendar of former cricketers That means shirtless men preening for the camera It s all for charity so I can t say no But when our photo session turns red hot I get a brilliant idea Let s do each other a favor now and then Yes all right By favor I mean a quick shag We have rules that will make sure we never stray over the line No kissing No holding hands No beds no hotels just the occasional inappropriate place where we can satisfy each other s needs Two adults can handle this sort of arrangement What could possibly go wrong One Hot Favor is the ninth book in the bestselling Hot Brits series of romantic comedies Coming soon in audio narrated by Shane East Vanessa Edwin Plain and Proud

Amidst the dense trees of the Amazon rainforest where the vegetation intertwines and the rivers wind like veins in the earth there is a place that oscillates between paradise and hell Could it be a dream In this setting a simple man with bare feet and watchful eyes found his home He had no material wealth but his life was a true paradise and he didn t know it Every dawn he rose with gratitude greeted the sun and thanked it for the gift of existence His shelter was a modest house on the outskirts of

S o Paulo where the pleasant smell of coffee and the clatter of cutlery woke him up every morning Adversity however does not spare him Mosquitoes buzz around him torrential rains flood his dirt floor and wild animals lurk in the shadows But he doesn't let it get to him He knows that life is made up of ups and downs and that simplicity is his greatest asset However fate sneaked up on him and played a trick he had never imagined he would play He was compelled into an unknown universe uncommonly violent and treacherous With no alternative he went on between dreams and reality and came face to face with the challenges His paradise was transformed into hell in a short space of time and he quickly had to change his state of mind He learned that happiness does not lie in possessions but in the ability to find beauty in the little things And in the face of adversity he became a living example of resilience and hope
