Attend Laura Davis Werezak, 2017-02-21 A young Christian writer presents a practical guide for reconnecting with God and practicing the presence of God in our frantically busy world today Our world is full of distractions that do not promote the health of individual souls What can people do when they feel they have no time or ways to find God In her new book *Attend* Laura Davis Werezak reminds readers to encounter God through 40 brief everyday activities that they have been taking for granted from opening a window to jotting down a dream Modern life and technology increasingly render these activities obsolete and readers who struggle to connect with God through typical devotions will discover depth in their everyday lives through each beautifully written exercise Like the wisdom Brother Lawrence provided in his 17th century spiritual classic *The Practice of the Presence of God* these daily reminders guide readers to appreciate God in our midst today

The Aptitude Myth Cornelius N. Grove, 2013-06-19 *The Aptitude Myth* addresses the decline in American children's mastery of critical school subjects It contends that a contributing cause for this decline derives from many Americans' ways of thinking about children's learning They believe that school performance is determined very largely by innate aptitude *The Aptitude Myth* traces the deep historical origins the spread and elaboration and the eventual triumph of the belief in the determining power of mental abilities given at birth and therefore fixed Covered is 600 B C E until 1926 when the S A T was first administered The belief in aptitude assumed by many Americans to be the modern view of learning ability is revealed as an archaic way of thinking that originated in the imaginations of our ancient forebears and gradually gained credibility over 2 500 years In recent times the belief became elaborated to include the fanciful notion that more than modest academic study injures a child's health Having inherited this mindset Americans don't know how to insure that children gain mastery A new mindset is needed The final chapter offers a transformative mindset

Stories,

Senses and the Charismatic Relation Jamie Barnes, 2020-10-13 Stories Senses and the Charismatic Relation offers a uniquely intimate and auto ethnographic exploration of Christian experience rendering a deep phenomenological account of how devotional worlds become real how they are experienced shaped constituted and performed by those who live them The book starts from a reflexive exploration of the author s own experiences of the divine considers the spiritual journeys of family members and the spiritual community of which he was a part and draws on ethnographic fieldwork in the southern Balkans where that community was based Jamie Barnes considers three main elements firstly the role that sensory aspects of experience play in constituting one s lived world and one s ideas about the kinds of beings inhabiting it secondly how stories and metaphors are tactically employed not only in the process of expressing aspects of past experience but also in shaping and forming both desired worlds and future pathways thirdly how such sensed narrated and lived worlds are tentatively held together in hope trust and love through charismatic relationships of devotion with a divine Other This unusual and innovative ethnography offers a unique and reflexive view from within the world of Christian experience *Nuces philosophicæ; or, The philosophy of things as developed from the study of the philosophy of words* sir Edward Johnson, 1842 Personal Identity John Perry, 2008-05-07 This volume brings together the vital contributions of distinguished past and contemporary philosophers to the important topic of personal identity The essays range from John Locke s classic seventeenth century attempt to analyze personal identity in terms of memory to twentieth century defenses and criticisms of the Lockean view by Anthony Quinton H P Grice Sydney Shoemaker David Hume Joseph Butler Thomas Reid and Bernard Williams New to the second edition are Shoemaker s seminal essay Persons and Their Pasts selections from the important and previously unpublished Clark Collins correspondence and a new paper by Perry discussing Williams **The Glory of the Lord** Hans Urs Von Balthasar, 2013-05-30 In this second volume on the metaphysical traditions of the West von Balthasar presents a series of studies of representative mystics theologians philosophers and poets and explores the three main streams of metaphysics which have developed since the catastrophe of Nominalism The way of self abandonment to the divine glory is traced through figures like Eckhart Julian of Norwich Ignatius de Sales the attempt to relocate theology in a recovery of antiquity s sense of being and beauty through figures like Nicholas of Cusa Holderlin Goethe Heidegger the metaphysics of spirit through Descartes Leibniz Spinoza and the Idealists The strengths and weaknesses of these ways are relentlessly exposed The volume ends with the search for the Christian contribution to metaphysics *Original Nature* Sokei-An Sasaki, 2012 Original Nature is the historic translation and commentary on the Platform Sutra of the Sixth Patriarch of Chinese Zen by America s first Zen Master Sokei an Sasaki 1882 1945 Finally available 75 years after its completion Sokei an considered the Sixth Patriarch s message an essential foundation for the transmission of Zen to America I think the Sixth Patriarch never dreamed that his record would be explained to Westerners in New York I feel that I am in a valley between huge mountains and that the ancient simple minded woodcutters fisherman monks and nuns who are living in the mountains

Before I Ever Saw Your Face Norah Billups Wilson, 2019-02-04 Dreams can be the very basic plans of life disturbing the qualities of my five senses I began witnessing many perplexing situations in life that would not relate to my common sense A man speaks to me from standing at my side yet the shadow engulfs his body as he appears without a face How can a man appear right beside me and have no face for me to see Life is not how you make it but how you dream it It seems to be a lesson well taught as the dream and the events as in the dream unveil when I do see a face Alone and suddenly caught up in the aura of love that for the moment seemed to have nothing to do with none of my five senses yet I was so fully aware of being loved like I've never knew Finally seeing what was attracting me it was not at all what I would ever guess could happen to me But it did here in my soul just like it was a dream and then realizing what was happening in my life was not only a dream but just the beginning of Souluos the spiritual joining of me with a man Joy is a dreamer What if her dreams in the night when her eyes are closed do come true in her life with a man that has no emotions Chemistry of a man's love is a different kind of spirit that captures the heart of a woman this time Even broad daylight is blind when God joins her in Souluos

Russian Neo-Kantianism Thomas Nemeth, 2022-03-07 This the first in depth and comprehensive book length study of the Russian neo Kantian movement in English language challenges the assumption of the isolation of neo Kantianism to Germany The present investigation demonstrates that neo Kantianism had an international dimension by showing the emergence of a parallel movement in Imperial Russia spanning its emergence in the late 19th century to its gradual dissolution in the aftermath of the Bolshevik Revolution The author presents a systematic portrait of the development of Russian neo Kantianism starting with its rise as a philosophy of science However it was with the stream of young students returning to Imperial Russia after a period of study at German universities that the movement accelerated More often than not these enthusiastic young philosophers returned home imbued with the neo Kantianism of their respective but divergent host institutions As a result clashes were inevitable concerning the proper approach to philosophical issues as well as the

very understanding of Kant's philosophy and his legacy for contemporary thought. In the end, the broad promise of a Western-oriented neo-Kantianism could not withstand the pressures it confronted on all sides.

A Life Changing Journey with a Master Marguerite Jalving, 2018-02-21 Marguerite Jalving is a person with both feet on the ground. With her high heels and elegant style, she stands with her strong temperament firm in her opinions. She gives vent to spontaneous anger as well as enthusiasm and sometimes less humble thoughts to the Master when she thinks He goes too far. At the same time, she feels the deepest affection and humble surrender for the divine, which is this book's paradox. You will find the book both humorous and deeply devotional, a picture of a human being's dialogue with the divine with its dreams and heavenly visions. Illustrated with the master's artwork via Jalving.

Raspberry Jam Carolyn Wells, 2022-06-02 Carolyn Wells' *Raspberry Jam* conducts a symphony of suspense and mystery set against the backdrop of early twentieth-century America. Within its pages lies a carefully woven tapestry of crime fiction embellished with the richness of psychological nuance and domestic intricacies. Wells masterfully adopts a literary style that pays homage to the golden age of detective fiction whilst uniquely imprinting her trademark of the fantastical with the ghostly sensory experience of raspberry jam. The narrative interlaces a classical locked-room mystery with the more informal sleuthing traditions, a true manifestation of the era's intrigue with the macabre and the mysterious, embodying the literary context of its time with pronounced finesse. A noteworthy contributor to the genre, Carolyn Wells was a prolific writer whose flair for the enigmatic was thoroughly expressed in *Raspberry Jam*. Drawing inspiration from her extensive writing career that spanned various genres, Wells channels her adeptness in creating compelling characters and infusing her storytelling with an air of the supernatural. This crafts a world where a seemingly idyllic marriage peels back to reveal darker layers reflecting not just a tale of murder but a commentary on the secrets harboured within societal facades. Recognized by connoisseurs of the genre and appealing to anyone with a penchant for classic whodunits, *Raspberry Jam* is a title that promises to captivate. Its rich narrative resonant with themes that transcend time beckons readers into an intricate labyrinth of deceit and revelations. Recommending *Raspberry Jam* is an invitation to partake in a journey that is as puzzling as it is satisfying, a true literary indulgence for those who revel in unraveling the twisted threads of a well-plotted mystery.

Dying to Live Ian Murphy, 2020-04-30 When high school valedictorian Ian Murphy was writing his graduation address, a teacher told him that he could not mention Jesus in his speech. She even threatened to pull the plug on the microphone if he tried to do so. Murphy's defiance in the name of his constitutional rights made national news, and his zeal to spread the Gospel, no matter the cost, became the defining passion of his life. Murphy's public battle for his freedom of speech is where this conversion story begins, but then it retraces the other important experiences of his youth: He describes his free-spirited Christian parents, his early doubts, the influence of faith-filled relatives and friends, and the spiritual encounter that made him a believer. At a young age, Murphy went from strength to strength as he sought after truth, grew in prayer, and shared his faith with others. But his doubts resurfaced when his friend and mentor

the leader of a Protestant college group was murdered After his trust in God was restored Murphy became a Baptist minister in the Bible Belt and from there his spiritual journey led him into the Catholic Church The unexpected twists and turns in Murphy s extraordinary story show that when a man gives his life to Christ the Lord never lets him go **Verb Sense**
