Rewilding Micah Mortali, 2019-12-03 Reconnect with your wild essence as you awaken your innate bond with the natural world. *Rewilding* is a return to our essential nature. It is an attempt to reclaim something of what we were before we used words like civilized to define ourselves. Micah Mortali. In his long-awaited book *Rewilding*, Kripalu director Micah Mortali brings together yoga, mindfulness, wilderness training, and ancestral skills to create a unique guide for reigniting your primal energy, your undomesticated true self, and deepening your connection with the living earth. For hundreds of thousands of years, humans lived intimately with the earth. We were in the wild, and of the wild. Today we live mostly urban lives, and our vital wildness has gone dormant. As a result, we're more isolated, unhealthy, anxious, and depressed than ever, and our planet has suffered alongside us. With *Rewilding*, Mortali invites us to shed the effects of over-civilization and explore an inner wisdom that is primal, ancient, and profound. Whether you live in the middle of a city or alongside the woods, the insights and practices on these pages will bring you home to your wild, wise, and alive self. Highlights include: Practice-rich content, mindfulness exercises, guided meditations, yoga, and pranayama, inward sensing, forest bathing, and much more. The life force deficit: explore how our separation from nature affects us physiologically and spiritually. Ancestral skills such as tracking, foraging, building fires, and finding shelter. Develop a sense of calm, clarity, connection, and confidence in both your daily life.
