My Poetry My Therapy:

My Poetry My Therapy Gerry O. Lundell, 2009-06 Poetry is therapy for the one who writes it and also for the one who reads it Who would ever think it a numbers guy writing poetry How it all began is unclear the motivation and inspiration seemed to come out of nowhere but I enjoyed it It was my therapy in a troublesome and uncertain world My Christian faith was ignited and uplifted as I would ponder topics and words for another poem God's love and grace became a central theme and trials blessings silence hope kindness patience peace and Joy is like dancing daffodils in your garden or window sills Silent with glee jubilant and free sharing with all intimate thrills Real joy you have deep inside you can't contain you cannot hide What's there internal shows up external like a secret reverent pride It glows like sunshine in your eye seen by those who walk nearby If you have some today give it away It will spread like a summer sky
