

MY PRIVATE WAR

Liberated Body, Captive Mind:
A World War II POW's Journey

NORMAN BUSSEL

My Private War

Sasha Hu

My Private War:

My Private War Robert Winkler, 2013 On the BC Robert Winkler was born in Budapest and graduated from high school He was drafted into forced labor in 1944 After the war he entered the technical university of Budapest and graduated in structural engineering He immigrated to the US in 1957 after the Hungarian Revolution and had a productive career in civil engineering He has been married to Jolan Winkler for 37 years and lives in Riverdale New York This book tells the story of a young Hungarian Jewish man drafted into forced labor and his numerous escape attempts The escape artist vividly describes the tricks he used to fool the Hungarian and the Germans who inadvertently shielded him from Hungarian captors The Private War of Howie Beach Howie Beach, 2009-07 For some strange reason there was a common belief among World War Two vets that except for families relatives and close friends the general public really was not interested in their lives as combat soldiers The passing of time has helped those veterans who are alive today to feel comfortable in contributing their military exploits and personal history Mine is but one of many stories that can be told yet as time marches on I realize the extraordinary circumstance which allowed me to survive from Normandy to the Elbe It has served to validate historical accounts of key battles in five major campaigns and the atrocities committed by Germany before our freeing of surviving prisoners from death camps I also feel it my duty as an existing veteran of World War Two to honor my fallen combat brothers who deserved so much more for their valor than a humble grave or burial at sea Their heroics values and comradeship are etched indelibly in my memory To whatever degree I am able I wish to give life and meaning to those men who died so long ago and from whose ultimate sacrifice we have secured the liberties and freedoms we so long have enjoyed I must say I feel an added urgency to leave to the world and my posterity an eyewitness record of those historic eleven months from our landing on Omaha Beach to meeting the Russian Army on the Elbe River and the subsequent occupation of defeated Nazi Germany Author s statement **"OVER AND OUT!": The Private War Diary of Captain Samuel Cutler, Army Air Corps, 1942-1944** Samuel Cutler, 2011-04-06 February 20 1942 Latitude 45 North Heading east from Boston Where to no one really knows Ireland Gibraltar Africa Australia All guesses Destroyers left us at noon Now we are on our own No escort at all and submarines supposed to be around Guess they re counting on our speed which is fast 25 30 knots as compared to 3 7 knots for a sub Only a lucky hit can sink us April 8 1942 Had talks with young pilots of our squadron One age 23 bailed out and crash landed north of here last February He tells of coming down in unexplored bush area enroute to Darwin Lost for 52 days trying to reach civilization He saw no people only cattle No food except wild berries and frog caught bare handed August 27 1942 Our squadron now is switching to the P 38 Lockheed Lightning airplane Higher faster two motors will bring battle to the Japs instead of running from them More pilots and newer planes Have a new commanding General General George C Kenney who wants our squadron to fight hard June 14 1943 Visited scene of the B 17 airplane crash at Bakers Creek 5 miles away with Major Diller and the Engineering Officer Lt Neighbors We saw where the left wing

sheared through the tree tops lost part of one wing and two of the engines then burst into flames January 19 1944 Met an old Cavalry friend Al Geddes He s a Major now Told me some good news He was Group Commander of my old 8th AB Group now in Brisbane He s going to be flying to the U S next week Hope he makes it in a C 54 four motor plane Happy Landings Al old cobber Over and Out

War Lessons John Merson, 2008-04-29 Military memoirs abound but few prove to be trustworthy accounts free of spin bravura or military glitter John Merson s War Lessons takes a rare reflective approach to this pressing issue of our time In vivid unadorned prose he interweaves his own experiences in war with thoughtful assessments of how to prevent it He highlights the daily experience of combat from the perspective of both the foot soldier and the villager in whose home the war is being fought When he leaves Vietnam Merson begins an odyssey that brings him back eight times The book limns this process as a poignant personal voyage and the author struggles to understand why young people are drawn to war how it changes those who fight it why its destructive effects persist on both sides how former enemies reconcile and how soldiers wanted to be treated and remembered by the citizens who send them to war War Lessons also offers hope suggesting strategies for young people to help the world reclaim its humanity through healing actions such as participating in UN peacekeeping programs working to prosecute war crimes and protecting refugees

A Woman's War Gail Harris, Pam McLaughlin, 2009-12-08 When Gail Harris was assigned by the U S Navy to a combat intelligence job in 1973 she became the first African American female to hold such a position Her 28 year career included hands on leadership in the intelligence community during every major conflict from the Cold War to Desert Storm to Kosovo and most recently at the forefront of one of the Department of Defense s newest challenges Cyber Warfare At her retirement she was the highest ranking African American female in the Navy A Woman s War The Professional and Personal Journey of the Navy s First African American Female Intelligence Officer is an inspirational memoir that follows Gail Harris s career as a naval intelligence officer sharing her unique experience and perspective as she completed the complex task of providing intelligence support to military operations while also battling the status quo office bullies and politics This book also looks at the way intelligence is used and misused in these perilous times

This Great Escape Andrew Steinmetz, 2013-09-18 SHORTLISTED FOR THE 60 000 HILARY WESTON WRITERS TRUST PRIZE FOR NONFICTION What the hell kind of great escape is this No one escapes L B Mayer on the 1963 film He had fifty seven seconds of screen time in the most lavish POW film Hollywood ever produced He was blond A Gestapo agent Sauntering down the aisles of a speeding train he speaks in terse German to Richard Attenborough Gordon Jackson David McCallum The film is The Great Escape by John Sturges starring Steve McQueen the actor though uncredited is Michael Paryla He was part Jewish Shortly after filming he died In This Great Escape Andrew Steinmetz tenderly reconstructs the life of a man seen by millions yet recognized by no one whose history from childhood flight from Nazism to suspicious death twenty years later intersects bitterly ironically and often movingly with the plot of Sturges s great war film Splicing together documentary materials with correspondence diary

entries and Steinmetz's own travel journal *This Great Escape* does more than reconstruct the making of a cinema classic it is a poignant and moving testament to the complexity of human experience a portrait of a family for whom acting was a matter of survival and proof that our most anonymous uncredited and undocumented moments can brush against the zeitgeist of world history

Off Shore Birgit Braasch, Claudia Müller, 2020 The book highlights facets of people's experiences since the 19th century with Atlantic space and the design of their stay on board ships The contributions range from the perspective of pleasure seeking tourists who used ships as a temporary luxurious homes to the perspective of military personnel who perceived the Atlantic Passage as a transition between homeland security and potentially dangerous professional operations the risks of sea voyages even on technically sophisticated ocean liners whose interiors and services often include grand hotels in the metropolises of the late 19th and 20th century were discreetly ignored by the passengers The charm of the Atlantic and the ship unthinkable in earlier times should not be decimated in any way

German Postwar Films W. Wilms, W. Rasch, 2008-11-24 This volume offers a cultural aesthetic and critical reappraisal of German rubble films produced in the immediate aftermath of the Second World War and constructs their meaning in a historical context

Harvest of Despair Karel C. Berkhoff, 2009-07-01 Berkhoff describes how a blend of German nationalism anti-Semitism and racist notions about the Slavs produced a reign of terror and genocide in the Third Reich's largest colony He also shows how a pervasive Soviet mentality worked against solidarity explaining why the vast majority of the population did not resist the Germans

Congressional Record United States. Congress, 1995

Let Me Love Denise Robins, 2014-06-26 A captivating love story from the 100 million copy bestselling *Queen of Romance* first published in 1942 and available now for the first time in eBook

The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons, 1920

Striking Steel Jack Metzgar, 2011-01-19 Having come of age during a period of vibrant union centered activism Jack Metzgar begins this book wondering how his father a U S Steel shop steward in the 1950s and 60s and so many contemporary historians could forget what this country owes to the union movement Combining personal memoir and historical narrative *Striking Steel* argues for reassessment of unionism in American life during the second half of the twentieth century and a recasting of official memory As he traces the history of union steelworkers after World War II Metzgar draws on his father's powerful stories about the publishing work in the mills stories in which time is divided between before the union and since His father Johnny Metzgar fought ardently for workplace rules as a means of giving the men some control over their working conditions and protection from venal foremen He pursued grievances until he eroded management's authority and he badgered foremen until he established shop floor practices that would become part of the next negotiated contract As a passionate advocate of solidarity he urged coworkers to stick together so that the rules were upheld and everyone could earn a decent wage *Striking Steel*'s pivotal event is the four month nationwide steel strike of 1959 a landmark union victory that has been all but erased from public memory With remarkable tenacity union members held out

for the shop floor rules that gave them dignity in the workplace and raised their standard of living Their victory underscored the value of sticking together and reinforced their sense that they were contributing to a general improvement in American working and living conditions The Metzgar family s story vividly illustrates the larger narrative of how unionism lifted the fortunes and prospects of working class families It also offers an account of how the broad social changes of the period helped to shift the balance of power in a conflict ridden patriarchal household Even if the optimism of his generation faded in the upheavals of the 1960s Johnny Metzgar s commitment to his union and the strike itself stands as an honorable example of what a collective action can and did achieve Jack Metzgar s *Striking Steel* is a stirring call to remember and renew the struggle

Vengeance in Medieval Europe Daniel Lord Smail, Kelly Gibson, 2009-01-01 How did medieval society deal with private justice with grudges and with violent emotions This ground breaking reader collects for the first time a number of unpublished or difficult to find texts that address violence and emotion in the Middle Ages The sources collected here illustrate the power and reach of the language of vengeance in medieval European society They span the early high and later middle ages and capture a range of perspectives including legal sources learned commentaries narratives and documents of practice Though social elites necessarily figure prominently in all medieval sources sources concerning relatively low status individuals and sources pertaining to women are included The sources range from saints lives that illustrate the idea of vengeance to later medieval court records concerning vengeful practices A secondary goal of the collection is to illustrate the prominence of mechanisms for peacemaking in medieval European society The introduction traces recent scholarly developments in the study of vengeance and discusses the significance of these concepts for medieval political and social history

Government and Politics in Sri Lanka A. R. Rajah, 2017-04-21 This book analyses where Sri Lanka stands as a state that has in place liberal democratic state institutions but exhibits the characteristics of an authoritarian state Using Michel Foucault s concept of biopolitics the author argues that Sri Lanka enacted racist legislations and perpetrated mass atrocities on the Tamils as part of its biopolitics of institutionalising and securing a Sinhala Buddhist ethnocratic state order The book also explores the ways that apart from military action power relations produce the effects of battle and thus the way that peace can often become a means of waging war

Paper Soldiers Clarence R. Wyatt, 1995-03 Praised and condemned for its aggressive coverage of the Vietnam War the American press has been both commended for breaking public support and bringing the war to an end and accused of misrepresenting the nature and progress of the war While in depth combat coverage and the instantaneous power of television were used to challenge the war Clarence R Wyatt demonstrates that more often than not the press reported official information statements and views Examining the relationship between the press and the government Wyatt looks at how difficult it was to obtain information outside official briefings what sort of professional constraints the press worked under and what happened when reporters chose not to get on the team Wyatt makes the Diem period in Saigon come to life the primitive communications the police crackdowns the

quarrels within the news organizations between the pessimists in Saigon and the optimists in Washington and New York
Peter Braestrup Washington Times An important readable study of the Vietnam press corps the most maligned group of journalists in modern American history Clarence Wyatt s insights and assessments are particularly valuable now that the media is rapidly growing in its influence on domestic and international affairs Peter Arnett CNN foreign correspondent

Black America, Not in This America James Calloway,2011-07-26 Black America Not in This America is the foundation for ushering in a new era of Black Society One built upon hope and inspiration instead of despair and hatred My own narrated life story coincides with and sheds contemporary light upon the trials and tribulations as well the dreams and aspirations of the Black community as a whole It contains the blueprint for the resurrection of the Black American population That brings forth and lays bare the many silent epidemics facing America Ignorance crime drugs black on black crime lack of positive role models lack of education hope and will power **Proceedings of the ... Annual Meeting** ,1892 *The Memoirs of Field Marshal Montgomery* Viscount Montgomery of Alamein,2006-03-19 In his own words the victor of El Alamein tells his life story in a book that s an absolutejoy to read and may be described as a tour de force Belfast News Letter First published in 1958 Montgomery s memoirs cover the full span of his career first as a regimental officer in the Royal Warwickshire Regiment and then as a Staff Officer His choice of the Warwickshires was due to his lack of money He saw service in India before impressing with his courage tactical skill and staff ability in the Great War Despite his tactless uncompromising manner his career flourished between the wars but it was during the retreat to Dunkirk that his true brilliance as a commander revealed itself The rest is history but in this autobiography we can hear Monty telling his side of the story of the great North African Campaign followed by the even more momentous battles against the enemy and sadly the Allies as he strove for victory in North West Europe His interpretation of the great campaign is of huge importance and reveals the deep differences that existed between him and Eisenhower and other leading figures His career ended in disappointment and frustration being temperamentally unsuited to Whitehall and the political machinations of NATO **Scarlett's Sisters** Anya Jabour,2009-11-13 Scarlett s Sisters explores the meaning of nineteenth century southern womanhood from the vantage point of the celebrated fictional character s flesh and blood counterparts young elite white women Anya Jabour demonstrates that southern girls and young women faced a major turning point when the Civil War forced them to assume new roles and responsibilities as independent women Examining the lives of more than 300 girls and women between ages fifteen and twenty five Jabour traces the socialization of southern white ladies from early adolescence through young adulthood Amidst the upheaval of the Civil War Jabour shows elite young women once reluctant to challenge white supremacy and male dominance became more rebellious They adopted the ideology of Confederate independence in shaping a new model of southern womanhood that eschewed dependence on slave labor and male guidance By tracing the lives of young white women in a society in flux Jabour reveals how the South s old social order was maintained and a new one created as southern

girls and young women learned questioned and ultimately changed what it meant to be a southern lady
