Mafia Made Anthony Caucci, Rebecca Caucci, 2020-04-15 Amazing book be sure to purchase Mafia Made The Hype Magazine The first time I saw a man brutally beaten and begging for his life I was 5 years old Weeks later I found out he'd been shot in the head stabbed eleven times and nearly decapitated He was like an uncle to me Growing up in Miami in the 1980s Anthony Caucci learned early on that things weren't always what they seemed Some of his earliest memories were doing the rounds of local Mob bars with his father collecting tips from wise guys keeping track of the sports bets and learning how the Mafia operated It didn't take long before Caucci was ready to step out on his own and there was plenty of

opportunity in the fast paced cocaine fueled underworld of South Florida s organized crime families Caucci quickly established himself as one of the savviest players in the world s most dangerous game Before he could legally buy a drink he was doing business with the Colombian Cartel smuggling cocaine into the United States and building his own empire all while outwitting the police working his connections with the Mafia and making more money than he could spend When he got too big the feds vowed to bring him down no matter what it took They leaned on his friends and family followed him day and night and broke any law that stood in their way But with a cool head and powerful contacts Caucci stayed just one step ahead After yet another narrow escape this time with 50 kilos in his trunk Caucci knew his time was up and you ll never believe what he did *The Holy Bad* D. A Pearl from the House on Queen Street Pearlina Raphaelita Rance, 2022-06-19 Pearl rises from poverty to become a multimillionaire in Washington DC real estate at the same time earning her MFA from the American University. In Acknowledgements for her first book published in 2006, Little Back Room, Pearl thanks her second husband for his support. She accepted the burden of his alcoholism, but one day she discovers he and others conspired to alter official documents to steal her company, wealth, and identity. **A Pearl from the House on Queen Street** serves as a metaphor for life and is evocative of the author's journey from a dusty, dry seaside town in Jamaica to America, the land where dreams are made and everything is possible.

Reptiles, 2009 **My Heart Is a Drunken Compass** Domingo Martinez, 2014-11-18 With his trademark tragic, comical voice and arresting storytelling, Domingo Martinez once again delivers a deeply personal memoir full of wry asides and poignant, thoughtful reflections. In his new book, **My Heart Is a Drunken Compass**, his first book shockingly ended with his fiancé, Stephanie, plummeting off the side of an overpass in Seattle after having a seizure while driving. He now chronicles this painful episode in his life with flashbacks to their tenuous romantic relationship and how her accident and subsequent coma ultimately causes him to unravel emotionally. This pivotal moment, which began with an alarming call in the middle of the night, parallels another gut-wrenching experience from the past when his youngest brother's life hangs in the balance. Martinez once again brilliantly examines the complicated connections between family, friends, and loved ones. Feeling estranged from his family in Texas, over the years, isolated and alone in Seattle, he turns to writing as a therapeutic tool. The underlying themes of addiction and recovery, and their powerful impact on family dynamics, also emerge within the narrative as he struggles with his inner demons. These two traumatic life events actually bring Martinez closer to the family that he has

in many ways spend years trying to deny strengthening their bonds and healing old wounds When Martinez falls apart completely he finds his family his redemption and a new beginning with the love of his life who encourages him to write his way out of the pain in order to save his own life **The North-China Herald and Supreme Court and Consular Gazette**,1910 *Endoscopy, An Issue of Veterinary Clinics of North America: Exotic Animal Practice* 18-3 Stephen J.
