My Secret Place:

The Secret Place John Chipley, 2011-03 So at about the age of twelve when most boys do what they are told NOT to do B J went into the woods From that day on his life was never the same This is more than just another book This is our son s secret journal that we found years after well years after he disappeared These are his words This is his story The following was written on the first page of his journal As I start my story I cannot tell you my name or where I live or anything that might disclose who I am I can however tell you one thing when I was a baby my grandpa called me B J When our son was growing up none of the children were allowed to go into the woods behind our house Two boys disappeared in the woods over ten years ago and were never found not a trace I think this is why B J had to go into the woods He had to see for myself what was there What he found was another world It was a world that he writes about in his journal He writes about an old lady called Mowmow He writes about his best friends LaCharles and Lizzy He writes about a pond that is deep in the woods and what he discovered on the other side of the pond He writes about love fear death and God I left the pages of this book basically untouched so you will find some misspelled words and incorrect grammar However I didn t want to change one word of what B J wrote Every word is a clue as to what happened to him or where he might be When you finish reading his journal entries maybe you will understand Maybe you can help us find B J The sketches in this book have been redrawn However the original sketches made by B J are in the cold case file in the basement of the Charlotte North Carolina courthouse Of Course You May Indulge Yourself... NOZIBUSISO, 2013-04-30 The poems carry the weight of a million poems I wrote from my heart To readers of my writing I hope that the poems take you to places that I have journeyed and beyond Places where no man would rather go places where everyone wish that they may get the opportunity to go These are places in our lives wherein we have lost loved ones places wherein we have celebrated and been celebrated Allow yourself to be taken on a journey of discovery a journey of finding your inner peace a journey that allows you to lay everything bare and not feel ashamed This book is meant to allow people to realise that we are more than we think or know we are There are times when we are going to surprise our lives by the revelation of our capabilities This book touches a little bit on who we think we are who we become and how we become And for those who are their own best friends this book is for you It is going to make you laugh and cry all at the same time It attempts to answer silly and funny questions most of us have but never ask There is no greater joy than writing because there you write what you feel and how you feel Writing is liberating it sets you free from your own cage it allows you to talk in written words thereby releasing whatever you need to in a written format it simply serves as therapy I dont know whether it is me but writing is also a way of exhaling writing gives me the freedom to let my mind go wild When I am writing I dont have to worry much about what I see but writing is more about what goes on in the inside of a person When you want to know about a person let them write about themselves as opposed to letting them say it In writing the emotions are there for an indefinite period no one change them Therefore the poems in the book all reflect a certain season in my life These are

seasons of love joy peace loss despair gratitude change encouragement and other seasons I am unable to explain The poem which one is stronger questions what most people question after they have been through a certain storm in their lives Most people have been through pain and it is important how they overcame the storm I remember when I had tuberculosis I told my mother that I wonder what is God thinking of my condition at the time I couldnt eat all my clothes did not fit me My mother just looked at me and said that God is not worried about our physical appearance he is more worried about what is inside of us and that for as long as what is inside is in good order the outside can change and God will not be moved This is the point where I realised that we all need to have a strong inside and that is the part of our being that needs nourishment and then it will manifest on the outside which is our physical body Prayer Warrior reminds of all those who pray without seizing There are people who are praying for a better world and there are those who pray for specific things and you find that you are freed from a certain situation and you are left wondering how it happened These are people that are known and most importantly that we do not know and never even get a chance to meet them This poem is for all those people Secret Place maybe I wrote this one because I have been staying by myself from the age of eighteen years To me that has been a blessing although many people use to worry how I managed somehow I was never alone I have always had somebody staying with me I do not know the name of that person but he has never leaved me nor forsaken me I still stay alone and I must confess I have never been lonely To me the secret place is that place that I only know of the place where I reflect on my life have the important talks with myself To me the secret place is the place where I go there I get naked and look at my life make important decisions about myself The Secret Place does not have human interference or human influence discussions th **I Thought There Was a Road There** Lynn Assimacopoulos,2000-11 Look Up Alfredia R. Look Up There s a Journey Ahead of You is the inspirational journey of a Christian s walk with Jesus This is a journey through heartache self denial pain and forgiveness to a stronger more effective Christian life **The Dwelling** Antoinette Kingsley,2014-05-12 The Dwelling place of God is a place where every believer should yearn and long for each waking day because God will lead you on the journey of love like you have never experienced before That s why his throne room is a place of abiding intimately with him holding back nothing because God is longing for a relationship with his children

Journey Kristen Danielle Talley,2014-12-12 Trophemus Neshamah Clay,2021-08-04 No one would have ever dreamed how by means of an innocent young man s discovery of his secret place at the tender age of twelve it could have affected Trophemus his family and his entire impregnable and sheltered country providentially for the rest of his two lives he would be forced to live Trophemus was appraised by everyone in the entire nation of Tatonka to be a righteous good honest adolescent of the highest moral reputation He was of unfailing morality but truly as tough as flint a virtuous young man being of pristine character well respected beyond repute being required to live in an imperfect world His father trained him from the beginning as a small boy to always listen to his God given intuition within his heart for the good of all Trophemus knew

that his intuition would never tell him to do evil and as long as he was directed to do good he should listen And listen he would Trophemus did have much difficulty making sense of and discerning God s requirement to keep his secret place hidden from all But time does have a way to envelop all our misunderstanding concerning God s direction in every decision we make Mystery always surrounds us as we live a righteous high integrity human life He knew well integrity is living the highest moral standard in our daily human life whether anyone sees us or not even when we are all alone This kind of righteous daily living brings peace into one s heart Peace has a source and Trophemus was a man on earth full of peace and goodwill to all those in Tatanka who live righteous lives But not all will live righteous lives as Trophemus gradually learns Schrum is a young man who personifies and emanates evil Thus his two lives providentially whirl around this antagonistic creature on earth named Schrum As the race begins in the first chapter by which a fourteen year old boy becomes a man Trophemus has the highest expectations and all is peaceful in the safe and secure country of Tatanka Will this man boy s becoming a man fulfill what destiny has been immaculately arranged upon him Trophemus **Come to the River.epub , Single Until...**

Shajuana R. Ditto,2023-02-09 One thing is for certain we serve a God that wants you to succeed in relationships More importantly your singleness matters to God God wants you to discover who you are in Him while single Prayerfully if you are single God wants you to understand your value and that you can experience victory even when you are by yourself Singleness is not a curse Your value doesn't decrease Your worth shouldn't be questioned No one should ever look over you because you are focused on your relationship with Christ If you have ever felt lonely experienced depression because you are single cried yourself to sleep because someone broke your heart this devotion is to help restore those broken pieces This is the perfect time while single to become who God has called you to be You are a royal priesthood a chosen generation and your relationship with Christ is the most important relationship that you and I have to steward over while single Desperation will encourage you to get ahead of God and settle but destiny will inspire you to wait on God's best I made a choice over twenty years ago as a teenager to pursue purity and the presence of God I made a vow to God that I would stay single until my heart lined up with God's Word I prayed that God would use my singleness to help this next generation and young adults to have a strategy to deal with singleness in a kingdom way Single Until is a resource to embrace your singleness and to walk in the confidence of the Lord Cornucopia Dorothy Sells Clover,2011-08 The definition of the word cornucopia is an assortment of things in a funnel shaped container Dorothy Sells Clover's Cornucopia is just that a delightful and intriguing hodge podge of mind searching thought provoking and just plain whimsical poems Life is not cut and dry and Dorothy projects this eloquently and openly in a brash no holds barred style of poetry Read on and experience the Cornucopia of emotions and images encompassed in the everyday I am always fascinated by the mind of the poet and her ability as a wordsmith to reach the inner chambers of the mind Dorothy Clover an outstanding poet has communicated through poetry words of insight and illumination to the human soul Her gift allows her

to express succinctly and yet eloquently the words the heart needs to hear This volume of poems will become a lifelong treasure to everyone who secures a copy I am honored to know Dorothy and highly recommend her book to you Pastor Delbert Mack The Sacred and Mystic I Fred Miller Jr.,2019-05-23 These thoughts that were transformed into words are to stimulate minds and thoughts toward conscience The human species is a dual being The human body is flesh tissue and bone It is astronomical in its design its energy is microparticle and it is identified and classified as the mind soul and spirit the I **Get Rich In Spite of Yourself Collection - An "If You Can Count to Four..." Vakoch,Fernando Castrillón,2014-02-17 This book seeks to confront an apparent contradiction that while we are constantly attending to environmental issues we seem to be woefully out of touch with nature The goal of Ecopsychology Phenomenology and the Environment is to foster an enhanced awareness of nature that can lead us to new ways of relating to the environment ultimately yielding more sustainable patterns of living This volume is different from other books in the rapidly growing field of ecopsychology in its emphasis on phenomenological approaches building on the work of phenomenological psychologists such as Maurice Merleau Ponty This focus on phenomenological methodologies for articulating our direct experience of nature serves as a critical complement to the usual methodologies of environmental and conservation psychologists who have emphasized quantitative research Moreover Ecopsychology Phenomenology and the Environment is distinctive insofar as chapters by phenomenologically sophisticated ecopsychologists are complemented by chapters written by phenomenological researchers of environmental issues with backgrounds in philosophy and geology providing a breadth and depth of perspective not found in other works written exclusively by psychologists Walking Wonders Richard Cathy Dodson,2001-07-15 In this delightful daybook Cathlynn Dodson shows us how we may find
